Final Take-Home Exam
Geog 3010 Summer 2019
Exam Format

• This is an open-book take-home exam
• Use whatever sources you wish
• But if you look something up, you must cite it
  • Cite and acknowledge quoted passages
• It is also expected that this exam will be the result of your own individual work
Answer Format

• Choice of two essay-style questions
  • Choose one
• Similar to a traditional 2-hour sit-down exam in answer length and format
Due

• Deposit your completed exam paper in the Geog 3010 drop box by noon on Friday 9 Aug 2019

• Drop box: in the elevator lobby by the north elevators on the 4th floor of the Ross Building

• E-mail submission only by arrangement
Your paper must:

• Indicate your name and student number
• Indicate which essay you have written
Essay 1

• Discuss the role of urban centres in shaping the geography of Canada.
Essay 2

• Discuss the factors which, in your view, are most important in shaping the geography of Canada.
