Haida Gwaii
Haida Gwaii

- The Haida have no treaty with Canada
  - Arrived 13,000 years ago, never surrendered the land to Canada
- Around 10,000 Haida in 1770s, 100 villages
- Then decimated by disease, smallpox
  - Population crashes to 350
- Now 3,800 or so and negotiating a land settlement
This Presentation

• Is not really about the issues of Haida governance, territory.
• It’s about Haida culture, community.
• Sue’s photos
The Haida

- Possess a distinctive living culture, strong sense of community
- Seem ready to accept the challenges of their eventual settlement with Canada, BC.
