

Your Name: _____

Group #:

Assess the contribution of each member in your group towards the completion of the project with a grade between 1 and 5. Do not show your grading to the other members in your group.

Note that filling out this form (including the comments section) clearly and legibly is part of your grade as well. This form is due on Thursday class (12/4) along with your group report.

1 = no effort, 5 = crucial and large amount of work done by the individual.

Name (exclude yourself)	Planning Phase (selecting topic & writing the proposal)	Research Phase (include writing the report)	Presentation Phase (making of slides & planning, etc)	Comments (specific things she/he contributed & did well, etc)

Your expected grade for the project (out of 100):
