SPECIAL FEATURES

Due to the country’s colonial history, geographical make up, and postcolonial predicament, Philippine culture is a complex one. The movement of Filipinos across the globe and their building a home in a host country heighten this complexity. Through the dances that will be taught, this course will embody the wide array of cultural and historical influences that have defined what the Philippines and its diaspora are today. The selected dances are rich in movements and rhythms that distinguish Philippine dance from other “World Dance” practices. This term students will have the opportunity to extend, amplify, and challenge their bodies by dancing with prop, in groups, and with a partner. Taken from “Lowland Christian Philippines,” the Cordillera Region, and the “Muslim Philippines,” these dances reflect the ways in which Filipinos have negotiated with their everyday lives, the outside, and various forces that have entered their locales. Given that “Philippine Folk Dance” is as well a cultural studies course, a significant portion of the class will be devoted to lectures about the country’s history, culture, politics, material conditions, and other related expressive cultures. These lectures, which will be aided by films at times, will contextualize the dances that will be introduced in the class’ studio portion.

AIMS:
1. To introduce critical information about the history of “staging” of Philippine dance; and how and why
   this was and is still being imported for the global audience;
2. To build a complex understanding of the heterogeneity of Southeast Asia through the varied cultures that
   comprise the Philippine archipelago;
3. To develop skills in embodying the different dances of the Philippines, in dancing in groups and with
   partners, and in presenting the dances for the proscenium stage;
4. To enhance creativity in coming up with sophisticated and intricate spatial patterns for the dances taught;
   and

GRADED ASSESSMENT

- Attendance 20%
- First Quiz 10%
- First Showing 10%
- Second Quiz 10%
- Second Showing 10%
- Reaction Paper 10%
- Final Showing 30%

It is required that everybody learns the dances assigned by heart, so they can demonstrate with mastery the
skills they have acquired by the end of the term. In preparation for this final showing, students should review
their dances regularly, before going to class, and during their rehearsal practices. The Professor will provide
the music, which the students are welcome to edit for exits and entrances.

*Attendance is crucial in this course. If you miss more than 2 unexcused absences, your final grade will
go a point lower. For instance, if your standing grade is an ‘A’, but you have incurred more than 2
absences, your final grade will be lowered to a ‘B+’.

*If you have accumulated more than 3 absences (whether excused or unexcused), you will be DROPPED
from the course.

*A make-up test will ONLY be given to students who have a valid and signed medical certificate.

*It is your responsibility to make sure that you are marked present for every class session on the class roster.

DANCE ATTIRE: Students should always come to class in proper dance clothing. In this dance form,
women should have with them a loose skirt that drops below the knees. Men should be in sweat pants; and
everybody should be in comfortable shirt. Traditionally, folk dancers in the Philippines perform barefoot,
except for certain “Spanish” dances where men and women wear formal footwear. Please dance barefoot,
unless otherwise instructed. To protect students allergic to scents, wearing perfumes and colognes is not
allowed.

ADDITIONAL INFORMATION

Important University Sessional Dates (classes start/end dates, reading/co-curricular week, add/drop deadlines, holidays, etc.): https://registrar.yorku.ca/enrol/dates/fw17

York University Grading System:

Grading, Assignment Submission, Lateness Penalties, and Missed Tests:
The grading scheme for courses conforms to the 9-point grading system used in undergraduate programs at York (e.g., A+ = 9, A = 8, B+ = 7, C+ = 5, etc.). Assignments and tests will bear either a letter grade designation or a corresponding number grade (e.g. A+ = 90 to 100, A = 80 to 90, B+ = 75 to 79, etc.) An average piece of work in university is about a C+ or B. Grades go up or down from there depending on the attention and effort applied as well as evidence of tangible change.

The Senate Grading Scheme and Feedback Policy stipulates that (a) the grading scheme (i.e. kinds and weights of assignments, essays, exams, etc.) be announced, and be available in writing, within the first two weeks of class, and that, (b) under normal circumstances, graded feedback worth at least 15% of the final grade for Fall, Winter, or Summer Term, and 30% for full year courses offered in the Fall/Winter Term be received by students in all courses prior to the final withdrawal date from a course without receiving a grade.

Assignment Submission/Lateness Penalty:
Proper academic performance depends on students doing their work not only well, but on time. Assignments must be received on the due date specified and are to be handed in at the beginning of class. No electronic submissions will be accepted. Assignments received later than the specified due date will be penalized one-half letter grade per day. There are exceptions to this lateness penalty for valid reasons such as illness, compassionate grounds, etc. but require supporting documentation (e.g. a doctor’s letter).

N.B. Final course grades may be adjusted to conform to Program or School grades distribution profiles. Once final grades have been posted, the full breakdown will be available and can be discussed in an appointment with the Course Director or Chair of the department.

"20% Rule":
No examinations or tests collectively worth more than 20% of the final grade in a course will be given during the final 14 calendar days of classes in a term. The exceptions to the rule are classes which regularly meet Friday evenings or on Saturday and/or Sunday at any time, and courses offered in the compressed summer terms.

Department of Dance Studio Dress Requirements:
In order to give students the best possible guidance in Contemporary Ballet and Modern studio dance classes, teachers must be able to see the entire body. Postural alignment and joint and muscle use cannot be corrected in these classes if loose or bulky clothing hide the body. Other dance forms we teach may require specific footwear, props, and/or other clothing options. Please make sure to check your outlines for each of your studio dance classes for the specific dress requirements and the details each teacher will require.

The general requirements are:
- Form fitting clothing that covers torso and legs should be worn. Bring close-fitting warmer clothing and socks for cold days. (No loose-fitting or ragged clothing unless specified).
- Hair must be worn off the neck and face for Ballet, and back and off the face for Modern.
- Students can wear leotard and tights (any solid colour), and ballet slippers for Ballet and bare feet for Modern.
- Please be considerate of your fellow dancers; avoid long fingernails and jewellery (including piercings, watches, earrings, necklaces, bracelets, and large rings). Ensure hair-wear is secure.

Department of Dance Studio Use Regulations:
- There is absolutely no food or drink (other than water) permitted in the studios.
- Leave street shoes and boots in the cubbies outside the studio or preferably, in your locker. If you must bring street shoes and boots in to the studio, please place them inside a bag. Grit and dirt brought into the space pose a safety hazard for dancers (particularly for those working barefoot) in addition to damaging the floor surfaces. NO BARE FEET in the Dance Department hallways or bathrooms.
- Do not prop the studio doors open by using the deadbolt, the mirror curtain, or anything that blocks the studio entrance.
- Please return studio furniture to its rightful place according to the floor plan posted by the door in each space.

Department of Dance Video Guidelines:
The Department of Dance has developed these guidelines in order to raise awareness of expected behaviour regarding recording/videotaping curricular work, and to foster a culture of respect for intellectual and creative property, as well as for individual privacy.
While the Department recognizes the democratizing effect of the internet, the Department requests that students do not post curricular work publicly to the internet, unless by express permission of the Chair of the Department, and waivers signed by all concerned. Work is to be shared only via private file-sharing access. This applies to documentation made by the Department and/or by individual students for their own archives.

Department of Dance Guidelines For Scented Products:
York University endeavours to provide an indoor environment that supports the University community at work and study. Some people experience severe health problems from exposure to chemicals contained in scented products including aftershave lotions, hair spray, deodorants and fragrances. In consideration of those who are affected by such chemicals, use unscented products only.

Department of Dance Guidelines For Physical Demands of the Program:
Courses in the Department of Dance may include elements that are physically demanding. Prior injuries can be aggravated by strenuous exercise so check with your physician and inform the Course Director before beginning the course. Be sure to share with the Course Director any changes in your injury or health that may affect your participation.
Courses in the Department of Dance may also include the possibility/likelihood of human contact (i.e., correction of alignment or technical execution as well as the possibility of collision with colleagues). Students uncomfortable with the use of touch are requested to relay feelings to the Course Director as soon as possible.

**Department of Dance Guidelines For Safety and Wellbeing:**
Should an accident occur in studio, there is a very clear protocol for reporting. This information is posted in every studio. Faculty members and staff are well versed in the protocol. For the various minor issues that come up in your day-to-day life as a dancer, it is recommended that you carry a well-stocked personal first aid kit in your dance bag.

**Department of Dance Attendance and Participation Policy:**
Students are expected to participate in every dance class, both studio and lecture courses. Under exceptional circumstances they may miss, without penalty, half the number of classes per term as the class meets in the week. (i.e., If your class meets two times a week, you may miss ONE class over the entire course without penalty.)

For studio classes that meet one (1) time per week:
- Absences or early departures in excess of 1 per term can result in a grade deduction of 4% per occurrence.
- Partial class participation beyond 1 class per term results in a 2% grade penalty.
- Non-participation beyond 1 class per term results in a 4% grade penalty.

For studio classes that meet two (2) or more times per week:
- Absences or early departures in excess of 1 per term can result in a grade deduction of 2% per occurrence.
- Partial class participation beyond 1 class per term results in a 1% grade penalty.
- Non-participation beyond 1 class per term results in a 2% grade penalty.

For all classes:
- In the event of an absence or limited participation, all missed material is to be learned prior to returning to class.
- In the event of an injury or illness preventing full participation for more than 1 class in a term, it is the student’s immediate responsibility, in consultation with the Course Director, to devise a plan for make-up work. The sooner this is done, the less stress you will experience from the uncertainty of the situation. If you are injured or ill, obtain and submit a hard copy doctor’s note. The doctor’s note will allow you to arrange for appropriate make-up work. **Grade penalties can still apply**, but the documentation assists in gauging the amount of penalty and make-up work needed.
- As detailed in the Injury Guidelines in the Department of Dance, students must complete a minimum of 60% of the studio work to receive course credit.
- Finally, in consideration of all participants, if you are ill, stay home and/or see your healthcare provider. You will recover faster and, should your illness be contagious, you will have shown others consideration by limiting their exposure. Do NOT come to class if you are ill!

**Department of Dance Technical Evaluation Policy:**
It is the Department’s responsibility to ensure that every dance major experiences optimal training and educational conditions. This is especially important in physical practice where safety is a pedagogical imperative. To that end, all students enrolled in dance technique courses (i.e. Contemporary Modern and/or Contemporary Ballet) participate in technical level evaluation at the beginning of the Fall term. Dance faculty conduct evaluations in a traditional group class setting. Students who have successfully completed the
pre-requisite courses, have maintained an appropriate level of fitness, and have continued with technical training over the spring and summer months normally proceed to the next level.

**It must be noted that a satisfactory grade in the pre-requisite course does not guarantee placement in the next level of technique.** Some students may be required to remain at the previous level to safely develop additional technical skill. Extended illness, injury, or insufficient technical skill are some of the factors that lead to such a decision.

The study of dance as a physical and artistic practice requires a commitment to **year-round** technical training, body conditioning, and cross training. Students are, therefore, expected to independently seek out and maintain an appropriate training regimen all 12 months of the year.

**York University Academic Senate Policies and Information:**

All students are expected to familiarize themselves with the Policies and Regulations information which can be found on the 2017/18 Academic Calendars page:
