**Please Note:** Students MUST be available to perform their final jury exam, scheduled within the York University final exam period.

**Instructor’s Evaluation (60% of final mark)**

The instructor’s mark will reflect the student’s competence in meeting the following:

- Attendance
- Lesson preparation
- Performance level and progress

Half of the instructor’s mark will be given at the end of the fall term, the remainder at the end of the winter term.

**Performance Jury (40% of final mark)**

At the conclusion of each year the student will be examined by jury. Students must come prepared with an accurate repertoire list based on the repertoire requirements listed above. This repertoire list must be submitted on the jury form and signed by the student's instructor. One legible and accurate lead sheet copy of each tune on the repertoire list must be submitted to the jurors. Adjudicators may ask questions about the composer, the form of the piece, definitive performances, or other relevant musical matters.

**NOTE:** All repertoire selections must be memorized for final jury performance

While students are expected to conduct themselves professionally please note that the jury performance is an exam (not a concert). Within this context jurors may sometimes stop the student before a piece is concluded. This is meant to be neither a negative nor a positive indication of the performance. While there is no dress code requirement, students are expected to wear clothing appropriate for a professional jazz performance.

The instructor will work with 1054 and 2054 students to create a performance piece that demonstrates various jazz style elements listed above. The student will perform this piece as part of the year-end jury exam.

**First year 3.0**

Students will perform a maximum of 6 minutes of repertoire (2 pieces): a 12-bar blues form and a demonstration ‘rhythm performance piece’.

**First year 6.0**
Students will perform a maximum of 10 minutes of repertoire (2 pieces): a 12-bar blues form and a demonstration ‘rhythm performance piece’.

Second year 3.0
Students will perform a maximum of 8 minutes of repertoire (2 pieces): ’32-bar rhythm changes form’ and a demonstration ‘rhythm performance piece’.

Second year 6.0
Students will perform a maximum of 15 minutes of repertoire (2 pieces): ’32-bar rhythm changes form’ and a demonstration ‘rhythm performance piece’.

Third year 3.0
Students will perform a maximum of 10 minutes of repertoire (2-3 pieces). The student will begin with a piece of his/her own choosing and the jury will request subsequent selections from the repertoire list (jury form).

Third year 6.0
Students will perform a maximum of 20 minutes of repertoire (3-4 pieces). The student will begin with a piece of his/her own choosing and the jury will request subsequent selections from the repertoire list (jury form).

Fourth year 3.0
Students will perform a maximum of 13 minutes of repertoire (3-4 pieces). The student will begin with a piece of his/her own choosing and the jury will request subsequent selections from the repertoire list (jury form).

Fourth year 6.0
Students will perform a maximum of 25 minutes of repertoire (4-6 pieces). The student will begin with a piece of his/her own choosing and the jury will request subsequent selections from the repertoire list (jury form).

Jury Accompaniment Policy
1054 and 2054 students will perform solo. 3054 and 4054 students must arrange to bring qualified accompanists to their Performance Jury at their own expense. Please note: inappropriate accompaniment often leads to poorer jury performance (resulting in a lower grade). Please endeavour to use qualified accompanists.

Please Note:
3054 students are required to be accompanied by (at least) a bass player.
4054 students are encouraged to organise a small jazz combo for their jury performance.

Adjudicators may ask questions about the composer, the form of the piece, definitive performances or other relevant musical matters. Students are advised to view the jury exam as a ‘professional level performance.’ Therefore, the preparation of materials (one copy of music/lead sheet for the jury, if applicable, and accurate repertoire lists signed by the instructor) is an important part of the Performance Jury process. While there is no specific dress code requirement, students are expected to wear clothing appropriate for a professional jazz performance.
Jury Evaluation

The Jury is worth 40% of the final course mark. The Jury is designed to give the student experience in performing, and therefore reflects only the performance level at the time of the jury.

‘Professional’ Expectations

Up to 10 marks may be deducted if certain expectations are not met, as follows:

**Timeliness**

If student does not show up for the scheduled jury on time, up to 5 marks can be deducted from the total jury mark. If a student is using accompanists, limited set up time is available and must be executed in the most efficient manner possible. If accompanists are late or unprepared this may negatively affect the student’s mark.

**Preparation**

If student is not prepared for the scheduled jury (e.g. repertoire is not memorized), up to 5 marks may be deducted from the total jury mark.

Grading, Assignment Submission, Lateness Penalties and Missed Tests

Grading: The grading scheme for the course conforms to the 9-point grading system used in undergraduate programs at York (e.g., A+ = 9, A = 8, B+ = 7, C+ = 5, etc.). Assignments and tests will bear either a letter grade designation or a corresponding number grade (e.g. A+ = 90 to 100, A = 80 to 89, B+ = 75 to 79, etc.). For a full description of York grading system see the York University Undergraduate Calendar.

Final course grades may be adjusted to conform to Program or Faculty grades distribution profiles.

**Assignment Submission:** Proper academic performance depends on students doing their work not only well, but on time. Accordingly, assignments for this course must be received on the due date specified for the assignment.

**Lateness Penalty:** Assignments received later than the due date will be penalized. Exceptions to the lateness penalty for valid reasons such as illness, compassionate grounds, etc., may be entertained by the Course Instructor but will require supporting documentation (e.g., a doctor’s letter).

**Missed Tests:** Students with a documented reason for missing a course test, such as illness, compassionate grounds, etc., which is confirmed by supporting documentation (e.g., doctor’s letter) may request accommodation from the Course Instructor. Further extensions or accommodation will require students to submit a formal petition to the Faculty.

The exceptions to the rule are classes which regularly meet Friday evenings or on Saturday and/or Sunday at any time, and courses offered in the compressed summer terms.
