Graded Assessment

The final grade for the course will be based on the following items weighted as indicated:

- **Written Assignments (8):** 40%
- **Weekly Tests/Quizzes (approximately 12-14 given throughout the year):** 20%
- **Exams (Midterm and Final Exams held in class, worth 15% each):** 30%
- **Discretionary Mark (based on attendance and participation in the class):** 10%

**Assignment Submission:** Proper academic performance depends on students doing their work not only well, but on time. Accordingly, assignments for this course must be received on the specified due date. Assignments are to be handed in to the course director at the beginning of class. All assignments not submitted on the due date must be submitted to the Music Office reception, and the appropriate lateness penalty will apply. Please note that any assignment submitted later than two weeks past the deadline will not be accepted. Any student who has a legitimate problem in handing in work on time should talk to the course director before the due date.

**Lateness Penalty:** All late assignments will be penalized one-half letter grade (1 grade point) per day that the assignment is late, weekends excluded. Exceptions to the lateness penalty for valid reasons such as illness, compassionate grounds, etc., may be entertained by the course director but will require supporting documentation (e.g., a doctor’s letter).

**Missed Exams:** Students with a documented reason for missing a course exam, such as illness, compassionate grounds, etc., which is confirmed by supporting documentation (e.g., doctor’s letter) may request accommodation from the course director. The student will write a “make-up” exam outside of class time, agreed upon by both the student and the course director. Further extensions or accommodation will require students to submit a formal petition to the Faculty.

**Missed Quizzes:** Students with a documented reason for missing a quiz, such as illness, compassionate grounds, etc., which is confirmed by supporting documentation (e.g., doctor’s letter) and deemed acceptable by the course director will not receive a mark for that quiz. Please note that there will be no make ups given for missed quizzes.

**Additional Information**

The midterm and final exam will be held on the last day of class for the Fall and Winter term respectively. Quizzes will be given on a regular basis, usually at the beginning of class. It is the student’s responsibility to review all material presented in class. Students are required to bring a pencil, eraser, manuscript paper and a notebook to every class.

**ALL course outlines will also include the following information:**

- Last date to drop a fall term (F) course without receiving a grade: **November 9, 2018**
- Last date to drop a winter term (W) course without receiving a grade: **March 8, 2019**
- Last date to drop a full year (Y) course without receiving a grade: **February 8, 2019**
