Course Description:

Escola de Samba provides practical instruction in the tradition of Brazilian Escola de Samba /Samba Schools. The course will provide fundamental drumming instruction using the instruments that make up the Samba Drum Corps. The course will also include other Brazilian rhythms such as Samba Reggae and Afoxe. The course will also include study of the songs and dances that accompany the rhythms.

Course Learning Objectives:

A performance oriented course dealing primarily with an in-depth examination of various Afro-Brazilian traditional and popular musical styles. All students are expected to master, to the best of their ability and satisfaction of their instructor, any performance material assigned to them including vocal parts and simple dance movements. This is a performance course, however there may be written tests/assignments given at the discretion of the instructor. Students may also be asked to submit a performance review of noteworthy Brazilian music performances, either on or off the York campus, and possibly outside of regular class time. There may be up to two performances that are mandatory for all students to take part in.
NOTE: It is very likely that these performances will occur outside of regularly scheduled class times. As Escola de Samba performances will constitute a substantial portion of your participation grade it is each student’s responsibility to resolve any performance time conflicts with other faculties, departments, course instructors, etc. Students will be advised of class performances with as much advanced notice as possible.

Graded Assessments:
Performance evaluations are based on your individual musical development as displayed in class over the term, i.e. technique, rhythmic and melodic skills, ensemble sensibilities, and command of prescribed parts for the ensemble repertoire including vocalized songs and movement. There may be up to two performances that are mandatory for all students to take part in.

Evaluation and Grading:
Attendance, participation, formal in class performance tests and assessments, quizzes on reading material and improvement over the term as well as performance at concert presentations all count toward the final grade. Testing will occur at the end of semesters based on class material; quizzes can also be expected based on reading material. Final performances are marked as the final test.

First semester
Test worth 25%,
10% for attendance,
15% for improvement assessment = 50%

Second semester
