1. Special Features

Time / Location: Students enrolled in 3.0 sections receive 12 lesson hours. Students in 6.0 sections receive 24 hours. Scheduled times are to be agreed upon by student and private lesson instructor and will all take place via ZOOM or another agreed-upon videoconferencing software.

2. Technical requirements for taking the course:

The course requires participation through ZOOM videoconferencing: access to a stable, high speed internet connection and use of a computer (preferred - laptop or desktop) or smart device (mobile phone) with webcam and microphone (either built-in or external) is essential.

ZOOM is available free of charge to students and can be accessed at: www.yorku.zoom.us

The instructor will clarify the mode of transmission, also, microphone suggestions can be made available.

Students may be expected to submit audio and video recordings of themselves, for evaluation and constructive criticism. For this the music department is adopting the software WeVu, which will allow students to upload videos and offers tools for real-time analysis. WeVu is available free of charge to students – the instructor will advise on this.

Students may also be required to participate through MOODLE, depending on needs of the instructor.
Technology requirements and FAQs for Moodle can be found here: http://www.yorku.ca/moodle/students/faq/index.html

In summary, Students will be required to:
• participate in your course through video conferencing
• appear on video (e.g., for lesson instruction, musical demonstration, etc.)
• a stable, higher-speed Internet connection (To determine Internet connection and speed, run an online test, such as Speedtest: https://www.speedtest.net/)
• a computer with webcam and microphone, and/or a smart device with these features.

Information about the delivery and organization of the course:
Please note that this is a course that depends on remote teaching and learning. Please do not come to York - there will be no in-class interactions or activities on campus.

Organization of the course:
The class will be run with synchronous learning. Contact hours with the instructor will be held online synchronously, during the agreed-upon times. Meetings will involve ZOOM (or another teleconferencing method, as noted) and may be recorded for the instructor and student to view if needed.

3. Course Consultation Hours: By appointment.

Musical conception and technique are to be tested by the instructor throughout the year. The dates of these tests will be announced by the instructor but will generally occur mid-term and end of term. Other requirements necessary to the student’s musical growth will be determined by the instructor during the year. A juried performance exam* at the end of the Winter Term will consider technique and jazz conception within the context of repertoire performance.

4. GRADED ASSESSMENT

The final grade will be based on the following breakdown:

| Instructor | Fall Term | 30% |
| Instructor | Winter Term | 30% |
| Juried Performance* | Held at end of Winter Term | 40% |
| TOTAL | | 100% |

Please Note: Students MUST be available to perform their final jury exam*, scheduled within the York University final exam period.

*NOTE: Depending on provincial and university guidelines for health and safety, juries in 2021 may take various forms, including in person, synchronous online or asynchronous online. Decisions on the format of the juries will be communicated to students as early as possible in order to facilitate preparation.

Instructor’s Evaluation (60% of final mark)
The instructor’s mark will reflect the student’s competence in meeting the following:

Attendance  
Lesson preparation  
Completion of any assignments  
Performance level and progress

Half of the instructor’s mark will be given at the end of the fall term, the remainder at the end of the winter term.

Performance Jury (40% of final mark)
At the conclusion of each year the student will be examined by jury. Students must come prepared with an accurate repertoire list based on the repertoire requirements listed above. This repertoire list must be submitted on the jury form and signed by the student's instructor. One legible and accurate lead sheet copy of each tune on the repertoire list must be submitted to the jurors. Adjudicators may ask questions about the composer, the form of the piece, definitive performances, or other relevant musical matters.

NOTE: All repertoire selections must be memorized for final jury performance
While students are expected to conduct themselves professionally please note that the jury performance is an exam (not a concert). Within this context jurors may sometimes stop the student before a piece is concluded. This is meant to be neither a negative nor a positive indication of the performance. While there is no dress code requirement, students are expected to wear clothing appropriate for a professional jazz performance.

The instructor will work with 1054 and 2054 students to create a performance piece that demonstrates various jazz style elements listed above. The student will perform this piece as part of the year-end jury exam.

First year 3.0
Students will perform a maximum of 6 minutes of repertoire (2 pieces): a 12-bar blues form and a demonstration ‘rhythm performance piece’.

First year 6.0
Students will perform a maximum of 10 minutes of repertoire (2 pieces): a 12-bar blues form and a demonstration ‘rhythm performance piece’.

Second year 3.0
Students will perform a maximum of 8 minutes of repertoire (2 pieces): ’32-bar rhythm changes form’ and a demonstration ‘rhythm performance piece’.

Second year 6.0
Students will perform a maximum of 15 minutes of repertoire (2 pieces): ’32-bar rhythm changes form’ and a demonstration ‘rhythm performance piece’.

Third year 3.0
Students will perform a maximum of 10 minutes of repertoire (2-3 pieces). The student will begin with a piece of his/her own choosing and the jury will request subsequent selections from the repertoire list (jury
Third year 6.0
Students will perform a maximum of 20 minutes of repertoire (3-4 pieces). The student will begin with a piece of his/her own choosing and the jury will request subsequent selections from the repertoire list (jury form).

Fourth year 3.0
Students will perform a maximum of 13 minutes of repertoire (3-4 pieces). The student will begin with a piece of his/her own choosing and the jury will request subsequent selections from the repertoire list (jury form).

Fourth year 6.0
Students will perform a maximum of 25 minutes of repertoire (4-6 pieces). The student will begin with a piece of his/her own choosing and the jury will request subsequent selections from the repertoire list (jury form).

Jury Accompaniment Policy
1054 and 2054 students will perform solo. 3054 and 4054 students must arrange to bring qualified accompanists to their Performance Jury at their own expense. Please note: inappropriate accompaniment often leads to poorer jury performance (resulting in a lower grade). Please endeavour to use qualified accompanists.

Please Note:
3054 students are required to be accompanied by (at least) a bass player.
4054 students are encouraged to organise a small jazz combo for their jury performance.

Adjudicators may ask questions about the composer, the form of the piece, definitive performances or other relevant musical matters. Students are advised to view the jury exam as a ‘professional level performance.’ Therefore, the preparation of materials (one copy of music/lead sheet for the jury, if applicable, and accurate repertoire lists signed by the instructor) is an important part of the Performance Jury process. While there is no specific dress code requirement, students are expected to wear clothing appropriate for a professional jazz performance.

Jury Evaluation
The Jury is worth 40% of the final course mark. The Jury is designed to give the student experience in performing, and therefore reflects only the performance level at the time of the jury.

Jury Grading Scheme:

- Technique and Tone (sound quality produced on drums & cymbals) 10 points
- Time-Keeping (tempo consistency) and Time-feel 10 points
- Form (ability to perform within a given song structure) 10 points
Artistic communication (articulation, dynamics, creativity) 10 points

TOTAL 40 points

‘Professional’ Expectations
Up to 10 marks may be deducted if certain expectations are not met, as follows:

Timeliness
If student does not show up for the scheduled jury on time, up to 5 marks can be deducted from the total jury mark. If a student is using accompanists, limited set up time is available and must be executed in the most efficient manner possible. If accompanists are late or unprepared this may negatively affect the student’s mark.

Preparation
If student is not prepared for the scheduled jury (e.g. repertoire is not memorized), up to 5 marks may be deducted from the total jury mark.

Grading, Assignment Submission, Lateness Penalties and Missed Tests

Grading: The grading scheme for the course conforms to the 9-point grading system used in undergraduate programs at York (e.g., A+ = 9, A = 8, B+ = 7, C+ = 5, etc.). Assignments and tests will bear either a letter grade designation or a corresponding number grade (e.g. A+ = 90 to 100, A = 80 to 89, B+ = 75 to 79, etc.). For a full description of York grading system see the York University Undergraduate Calendar.

Final course grades may be adjusted to conform to Program or Faculty grades distribution profiles.

Assignment Submission: Proper academic performance depends on students doing their work not only well, but on time. Accordingly, assignments for this course must be received on the due date specified for the assignment.

Lateness Penalty: Assignments received later than the due date will be penalized. Exceptions to the lateness penalty for valid reasons such as illness, compassionate grounds, etc., may be entertained by the Course Instructor but will require supporting documentation (e.g., a doctor’s letter).

Missed Tests: Students with a documented reason for missing a course test, such as illness, compassionate grounds, etc., which is confirmed by supporting documentation (e.g., doctor’s letter) may request accommodation from the Course Instructor. Further extensions or accommodation will require students to submit a formal petition to the Faculty.
