The course requires participation through videoconferencing using applications such as FACETIME or ZOOM, and potentially a paired audio application such as LISTENTO or CLEANFEED. Access to a stable, high speed internet connection and use of a computer (preferred - laptop or desktop) or smart device (mobile phone) with webcam and microphone (either built-in or external (preferred)) is essential.

ZOOM is available free of charge to students and can be accessed at: www.yorku.zoom.us
The instructor will clarify the mode of transmission, also, microphone suggestions can be made available.

Students may be expected to submit audio and video recordings of themselves, for evaluation and constructive criticism. For this the music department is adopting the software WeVu, which will allow students to upload videos and offers tools for real-time analysis. WeVu is available free of charge to students – the instructor will advise on this.

Students may also be required to participate through MOODLE, depending on needs of the instructor.
Technology requirements and FAQs for Moodle can be found here:

7. GRADED ASSESSMENT

The final grade will be based on the following breakdown:

<td>Winter Term</td>
<td>30%</td>

<td>40%</td>
</tr>
<tr>
<td>TOTAL</td>

<td>100%</td>
</tr>
</tbody>
</table>

Please Note: Students MUST be available to perform their final jury exam*, scheduled within the York University final exam period.

*NOTE: Depending on provincial and university guidelines for health and safety, juries in 2021 may take various forms, including in person, synchronous online or asynchronous online. Decisions on the format of the juries will be communicated to students as early as possible in order to facilitate preparation.

Instructor’s Evaluation (60% of final mark)
The instructor’s mark will reflect the student’s competence in meeting the following:

- Attendance
- Lesson preparation
- Completion of any assignments
- Performance level and progress

Half of the instructor’s mark will be given at the end of the fall term, the remainder at the end of the winter term.

**Performance Jury (40% of final mark)**

At the conclusion of each year the student will be examined by jury. Students must come prepared with an accurate repertoire list based on the repertoire requirements listed above. This repertoire list must be submitted on the jury form and signed by the student's instructor. One legible and accurate lead sheet copy of each tune on the repertoire list must be submitted to the jurors. Adjudicators may ask questions about the composer, the form of the piece, definitive performances, or other relevant musical matters.

**NOTE: All repertoire selections must be memorized for final jury performance**

While students are expected to conduct themselves professionally please note that the jury performance is an exam (not a concert). Within this context jurors may sometimes stop the student before a piece is concluded. This is meant to be neither a negative nor a positive indication of the performance. While there is no dress code requirement, students are expected to wear clothing appropriate for a professional jazz performance.

**First year: 3.0**

Students will perform a maximum of 6 minutes of repertoire (2 songs). Using the provided play-a-long recording for both songs, the student will first perform a blues. The jury will request the subsequent selection from the play-a-long ‘standards’ repertoire that the student has prepared (listed on the jury form).

**First year: 6.0**

Students will perform a maximum of 10 minutes of repertoire (2-3 songs). Using the provided play-a-long recording for all songs, the student will first perform a blues. The jury will request subsequent selections from the play-a-long ‘standards’ repertoire that the student has prepared (listed on the jury form).

**Second year: 3.0**

Students will perform a maximum of 8 minutes of repertoire (2-3 songs). Using the provided play-a-long recording, the student will first perform a ‘rhythm changes’ piece. The jury will request subsequent selections from the play-a-long ‘standards’ repertoire that the student has prepared (listed on the jury form).

**Second year: 6.0**

Students will perform a maximum of 15 minutes of repertoire (3-4 songs). Using the provided play-a-long recording, the student will first perform a ‘rhythm changes’ piece. The jury will request subsequent selections from the play-a-long ‘standards’ repertoire that the student has prepared (listed on the jury form).
Third year: 3.0

Students will perform a maximum of 10 minutes of repertoire (2-3 songs). The student will begin with a piece of his/her own choosing and the jury will request subsequent selections from the repertoire list (jury form).

Third year: 6.0

Students will perform a maximum of 20 minutes of repertoire (3-5 songs). The student will begin with a piece of his/her own choosing and the jury will request subsequent selections from the repertoire list (jury form).

Fourth year: 3.0

Students will perform a maximum of 13 minutes of repertoire (3-4 songs). The student will begin with a piece of his/her own choosing and the jury will request subsequent selections from the repertoire list (jury form).

Fourth year: 6.0

Students will perform a maximum of 25 minutes of repertoire (4-6 songs). The student will begin with a piece of his/her own choosing and the jury will request subsequent selections from the repertoire list (jury form).

Jury Accompaniment Policy

- **1054 and 2054 level students** will perform with play along recordings provided at the jury.
- **3054 and 4054 level students** must arrange to have qualified accompanists for their juries at their own expense. Lack of appropriate accompaniment will result in a lower grade. A list of qualified accompanists and ensemble players is available in the Music Department.

Jury Evaluation

The Jury is worth 40% of the final course mark. Goals of the Jury evaluation will include the preparation and performance of musical details such as technique, phrasing, tone quality, interpretation and artistic communication. In addition, students may be asked to demonstrate some insight into why certain materials were studied and/or chosen for performance. The Jury is designed to give the student experience performing, and therefore the jury mark reflects only the performance level at the time of the jury.

Jury Grading Scheme:

- Tone quality and technique: 8 points
- Melodic concept (‘head’ and soloing): 8 points
- Rhythmic concept (time-feel and phrasing): 8 points
- Harmonic concept (making the ‘chord changes’): 8 points
- Artistic communication (articulation, dynamics, creativity): 8 points
TOTAL 40 points

‘Professional’ Expectations
Up to 10 marks may be deducted if certain expectations are not met, as follows:

Timeliness
If student does not show up for the scheduled jury on time, up to 5 marks can be deducted from the total jury mark. If a student is using accompanists, limited set up time is available and must be executed in the most efficient manner possible. If accompanists are late or unprepared this may negatively affect the student’s mark.

Preparation
If student is not prepared for the scheduled jury (e.g. repertoire is not memorized), up to 5 marks may be deducted from the total jury mark.

Grading, Assignment Submission, Lateness Penalties and Missed Tests
Grading: The grading scheme for the course conforms to the 9-point grading system used in undergraduate programs at York (e.g., A+ = 9, A = 8, B+ = 7, C+ = 5, etc.). Assignments and tests will bear either a letter grade designation or a corresponding number grade (e.g. A+ = 90 to 100, A = 80 to 89, B+ = 75 to 79, etc.). For a full description of York grading system see the York University Undergraduate Calendar.

Final course grades may be adjusted to conform to Program or Faculty grades distribution profiles.

Assignment Submission: Proper academic performance depends on students doing their work not only well, but on time. Accordingly, assignments for this course must be received on the due date specified for the assignment.

Lateness Penalty: Assignments received later than the due date will be penalized. Exceptions to the lateness penalty for valid reasons such as illness, compassionate grounds, etc., may be entertained by the Course Instructor but will require supporting documentation (e.g., a doctor’s letter).

Missed Tests: Students with a documented reason for missing a course test, such as illness, compassionate grounds, etc., which is confirmed by supporting documentation (e.g., doctor’s letter) may request accommodation from the Course Instructor. Further extensions or accommodation will require students to submit a formal petition to the Faculty.
