

STUDENT/FACULTY RATIOS: REPORT TO SENATE

SHEILA EMBLETON, VICE-PRESIDENT ACADEMIC
November 24, 2005

STUDENT/FACULTY RATIOS: UNDERGRADUATE STUDENTS

Year	UG FTEs/ Faculty FTE (incl. TAs)	UG FTEs/ Faculty FTE (excl. TAs)	UG FTEs/ Full-Time Faculty FTE	UG FTEs/ Tenure Stream Faculty FTE
2000-01	15.4	18.5	25.7	27.2
2001-02	15.7	18.2	26.2	27.8
2002-03	16.7	19.4	28.2	30.0
2003-04	17.1	20.0	30.6	32.9
2004-05	17.0	19.9	30.5	32.8

Note: Highlight indicates new or updated data

November 2005

- Senators have seen the first two data columns as part of several earlier reports
- First data column includes all teaching resources: all Full-Time and Contract Faculty and TAs (excludes marker/graders)
- Second data column includes all Full-Time and Contract Faculty (excludes TAs and marker/graders)
- Third data column excludes Contract Faculty as well as TAs, but includes all Full-Time Faculty (TS, CLAs, SRCs)
- Final data column includes only Tenure Stream Faculty

Notes from OIRA re. calculations:

- Faculty FTEs = OSFTEs for Full-Time Faculty plus FTEs for Contract Faculty
- Full-Time Faculty FTEs = Faculty FTEs for all Full-Time Faculty including Probationary, Tenured, CLAs and SRCs
- Tenure Stream Faculty FTEs = Faculty FTEs for Probationary and Tenured Full-Time Faculty only

STUDENT/FACULTY RATIOS: GRADUATE STUDENTS

Year	Graduate Student FTEs/Full-Time Faculty FTE	Graduate Student FTEs/Tenure Stream Faculty FTE
2000-01	2.7	2.9
2001-02	2.7	2.9
2002-03	2.9	3.1
2003-04	2.9	3.1
2004-05	2.7	2.9

November 2005

- This presents a fuller analysis of graduate data provided earlier
- Only two sets of data are reported since responsibility for graduate teaching and supervision on an ongoing basis falls primarily to Full-Time Faculty, rather than to Contract Faculty and TAs
- First data column includes all Full-Time Faculty (TS, CLAs, and SRCs)
- Second data column includes Tenure Stream Faculty only (probationary and tenured)

STUDENT/FACULTY RATIOS: TOTAL STUDENTS

Year	Total Student FTEs/ Faculty FTE (incl. TAs)	Total Student FTEs/ Faculty FTE (excl. TAs)	Total Student FTEs/ Full-Time Faculty FTE	Total Student FTEs/ Tenure Stream Faculty FTE	<i>Total Student FTEs/ Full-Time Faculty FTE (incl. 55 TS replacement appts not filled)</i>
2000-01	17.1	20.4	28.4	30.0	
2001-02	17.3	20.1	28.9	30.8	
2002-03	18.4	20.4	31.1	33.1	
2003-04	18.7	21.9	33.4	36.0	
2004-05	18.5	21.7	33.3	35.7	31.9

November 2005

- First two data columns are also those Senators have seen on a number of previous occasions and include all teaching resources (first includes TAs; second excludes TAs)
- Third data column includes all Full-Time Faculty (including TS, CLAs, SRCs)
- Fourth data column includes only Tenure Stream Faculty (probationary and tenured)
- Fifth data column (in italics) illustrates, for 2004-05, the impact of the TS appointment hiring “gap”, i.e., what would have been the S/F ratio if 55 replacement appointments that were not filled had been filled)
