

5. Paper Documents

Revision 130122

- If you are experiencing any discomfort, be sure to also review the section on
 - Making Changes to Reduce Discomfort (see Main Menu)

a) Paper documents that I look at while working on the computer are:

- Very close to the bottom or side of my screen.
- Not flat on the desk.

b) Paper documents that I read regularly have/are:

- Good character size
- Legible
- Not too faint
- Free of glare
- Well illuminated
- Free of shadows
