

# **GLOSSARY**

## **Full-Time Equivalent on-Site Teaching (FTE)**

The number of full-time faculty excluding those on sabB.A.tical, leave without pay and reduced load. Calculated by dividing the total dollars spent in subcode 101000 by the average salary for full-time faculty in that Faculty.

## **Part-Time FTE**

Calculated by dividing the total dollars spent in subcodes 122000, 122100, 122200, 122300, 122400, 122500, 122600, 123000, 195000, 197000 and 197001 by 3 times the Course Director's rate plus 4%.

## **Student Faculty Ratios**

Number of student FFTE's attributed to that Faculty divided by a full-time equivalent faculty total which includes full-time faculty, part-time faculty and Graduate Teaching Assistants.

## **Teaching Assistant FTE**

Calculated by dividing the total dollars spent in subcode 121000 by 4.5 times the TA rate.
