TUESDAYS & THURSDAYS 14:00 – 17:00

ACE 102

Course Director: Dr. Agnieszka Kopinska
Office Hour: by appointment only
Office: 251 BSB
E-mail: kopinska@yorku.ca

Secretary: Lorraine Hislop
Office: BSB 291

TA: Danielle Salomonczyk
Office: FARQ 117 (by appointment only)
E-mail: dsalomonczyk@yahoo.com

TA: Paula Di Noto
Office: BSB 306N (by appointment only)
E-mail: pmdinoto@gmail.com

**DATE**

**TOPIC**

**CHAPTER**

**General Description:** The fundamental concepts and application of descriptive statistics. An introduction to probability and inferential statistics, including hypothesis testing with the normal- and t-distributions. Prerequisite or corequisite: AK/AS/HH/SC/PSYC 1010 6.00 or AK/HH/PSYC 2410 6.00, GL/PSYC 2510 6.00, with a minimum grade of C when used as a prerequisite. Course credit exclusions: AK/AS/HH/SC/PSYC 2020 6.00, AK/PSYC 2510 3.00 (prior to Summer 2002), SC/BIOL 2060 3.00, SC/BIOL 3090 3.00 (prior to Summer 2000), AS/ECON 2500 3.00, AK/ECON 3470 3.00, AS/HH/SC/KINE 2050 3.00, AK/AS/SC/MATH 2500 3.00, AK/AS/SC/MATH 2560 3.00, AS/POLS 3300 6.00, AS/SOCI 3030 6.00, GL/PSYC 2530 3.00.
Evaluation:
As indicated on the schedule, there will be two equally weighted exams counting for 80%, Aplia quizzes worth 12% total and 8% for in-class testing (clickers).

In addition to your calculator, writing tools, and two pieces of ID, you will be allowed two sides of 4” X 5” card on which you may put anything you consider to be useful.

Grading: Grades are not negotiable. There will be no extra assignments. The grading scheme for the course conforms to the 9-point grading system used in undergraduate programs at York (e.g., A+ = 9, A = 8, B+ = 7, C+ = 5, etc.). (For a full description of York grading system see the York University Undergraduate Calendar http://calendars.registrar.yorku.ca/pdfs/ug2004cal/calug04_5_acadinfo.pdf)

POLICY ON MISSED EXAMINATIONS
1. Within 48 hours of the missed test or examination, students must contact the instructor either in-person or by telephone or by e-mail. If you do not speak to the instructor directly, you must leave a message with her secretary. Be sure to clearly state your name, student number, course and a number/time at which you can be reached.

2. Appropriate documentation verifying the circumstances for the missed test or examination must be provided prior to or at the time specified by the instructor. Failure to provide appropriate documentation will result in a grade of 0 on the missed test.

A. Tests or examinations missed on the grounds of medical circumstances must be supported by an Attending Physician’s Statement. The Attending Physician’s Statement must include (I) the full name, mailing address and telephone number of the Physician, (ii) state the nature of the illness and its duration and (iii) an indication of whether the illness and/or education prescribed would have SERIOUSLY affected the student’s ability to study and perform over the period in question, not just that they were seen by the doctor.

B. Tests or examinations missed on grounds of non-medical circumstances must be supported by appropriate documentation, i.e., death certificates, obituary notice, automobile accident reports, airline/train/bus tickets/receipt for emergency travel, etc.

3. In the case of a missed test the student will be required to write a make-up test.

Aplia Quizzes: There will be an Aplia quiz for each lecture. You will be allowed to take each quiz question three times and your average (‘do no harm’) will be used for the computation of your Aplia component of the grade. The deadline for the first attempt will be set the day before the lecture on the given topic and the deadline for the other two attempts will be 2 days after the lecture. See the course website for more information about Aplia.

Clickers: The clickers need to be registered one day before the second lecture. For more information about clicker purchase and registration go to http://www.yorku.ca/prs/students/index.htm

IMPORTANT COURSE INFORMATION FOR STUDENTS
All students are expected to familiarize themselves with the following information, available on the Senate Committee on Curriculum & Academic Standards webpage (see Reports, Initiatives, Documents) - http://www.yorku.ca/secretariat/senate_cte_main_pages/ccas.htm

• York’s Academic Honesty Policy and Procedures/Academic Integrity Website
• Ethics Review Process for research involving human participants
• Course requirement accommodation for students with disabilities, including physical, medical, systemic, learning and psychiatric disabilities
• Student Conduct Standards
• Religious Observance Accommodation

Please read the information on plagiarism and academic dishonesty: http://www.yorku.ca/secretariat/policies/document.php?document=69
