The grading scheme for the course conforms to the 9-point grading system used in undergraduate programs at York (e.g., A+ = 9, A = 8, B+ = 7, C+ = 5, etc.). Exams and the final grade will bear either a letter grade designation or a corresponding number grade (e.g. A+ = 90 to 100, A = 80 to 90, B+ = 75 to 79, etc.) For a full description of York grading system see the York University Undergraduate Calendar at http://calendars.registrar.yorku.ca/pdfs/ug2004cal/calug04_5_acadinfo.pdf

Please note that it is important to show up for all exams on time. To be fair to other students and to prevent cheating, students who are late will not be allowed to write the exam.

Also to be fair to the other students, there will be no makeup exams except under extraordinary circumstances. Students will only be allowed to write a missed exam if they notify the instructor within 48 hours of the scheduled exam date. Legitimate reasons include death in the family and illness. Missing an exam for vacation or work related reasons are not valid excuses.

Documentation is necessary. Your doctor must fill the form provided on the website below and provide the necessary details and dates surrounding your illness. http://www.registrar.yorku.ca/pdf/attend_physician_statement.pdf

If you miss an exam for non-medical reasons, you still must produce supporting documentation (e.g., death certificate, accident report, airline ticket for emergency travel).

Class Conduct and Academic Integrity and Honesty:
Please note that all cell phones should be turned off during classes and exams so that incoming calls do not disrupt the class.
