MINIMUM FACULTY DEGREE REQUIREMENTS

BACHELOR OF SCIENCE - PSYCHOLOGY

IMPORTANT NOTE: A Study Plan Checklist is an aid for planning courses only and should be used in conjunction with the calendar. It is **NOT** a substitute for the calendar. Degree and program requirements are subject to change. Every effort has been made to ensure that the study plan checklist and the York Undergraduate Calendar reflect the most recent changes. There may be instances when what is published does not reflect the most current University policy. In such instances, when the published versions of policies or regulations differ from what has been most recently approved by Senate, the latter will prevail. It is the responsibility of the student to take the correct courses and ensure **ALL** degree and program requirements are met.
