How to Submit a Benefits Claim

If you have a medical or dental expense that your plan either fully or partially covers, there are a number of easy ways to submit a claim for reimbursement. To submit a claim, you will need to know your contract number (#014098), and your member ID/employee number.

Direct Deposit
Direct deposit allow you to arrange to have claim payments deposited directly to your bank account. It’s easy to sign up for this convenient service on the Plan Member Services website (sunlife.ca/member).

Once you have signed up, instead of receiving a paper claims statement and a reimbursement cheque in the mail, you will receive an e-mail letting you know when your claim has been processed. You can then sign on to the Plan Member Services website to view or print the details of your claim. Your claim details are available for six months. If you require paper copies for future reference, please make sure to print your claim statements as soon as possible.

Direct deposit is the fastest and easiest way to receive reimbursement for your eligible expenses. Be sure to sign up today.

Mail
All eligible expenses can be claimed by mailing your claim submissions. You can download personalized medical and dental forms on the Plan Member Services website (sunlife.ca/member). Just complete the claim form, enclose the original receipts and mail it to:

Sun Life Assurance Company of Canada
PO Box 11658 Station CV
Montreal, QC, H3C 6C1

Be sure to keep a copy of the claim form and receipts for your records. Most medical and dental claims are usually processed in three to five working days from when they are received. More complex claims can take longer. Upon approval of your first claim, you’ll receive a claim statement in the mail.

Electronic submission
Many dentists choose to submit claims electronically on behalf of their patients. This means you won’t need to complete a claim form.

If you have any questions regarding your benefits coverage, contact Sun Life at 1-800-361-6212.

Sun Life Questioning Claims

The Pension & Benefits office has received a number of concerns from employees that Sun Life is questioning their claims. This is a reminder that Sun Life is responsible for ensuring that all claims are adjudicated based on our policy. As a result they have the right to investigate any claim or request further details as they deem necessary to assess the validity of any claim. Sun Life can require you to have a medical exam if you make a claim for benefits. The University would pay for such an examination. If you fail or refuse to take the examination, the University would not pay for the claim and examination. To expedite the payment of your claims, you must provide Sun Life any information or documentation that they request.

Retirement Planning

Retirement Planning is important and we continue to bring you educational seminars and workshops around common themes of retirement. The areas of interest include information on the Pension & Benefits here at York, as well as financial issues beyond York. We also cover health and lifestyle issues. If you have a specific area of interest that you would like us to run an educational seminar on, please send us an email at retire@yorku.ca. The seminars and workshops we offer are posted here in the P&B Times and on the York Employee Learning Calendar YELC. We request that you register for seminars and workshops by clicking on the links provided here in the P&B Times, or on the website at yorku.ca/retire or through YELC.

The handouts for our sessions are posted on the website (yorku.ca/retire) within a few days of the event (left side - Seminars-Seminar Slides). We ask that you either download these handouts to your tablet or smartphone, or print them and bring them with you to the session. We will not be providing them for you at the event unless otherwise stated. The list of our upcoming seminars is listed below, but for a complete listing of scheduled seminars please go to YELC (by clicking HERE). Remember to check back as we are always adding seminars.

Registration

We endeavor to provide information on relevant and important topics. We ask that you register for these seminars so that we can ensure we are providing adequate room and that the topics are of interest to the York community. When you register for an event, we interpret that as a commitment that you are planning to attend the presentation. If you are unable to attend, we request that you let us know ahead of time. We are unable to properly gauge interest in a topic if registrations occur and people do not attend. It becomes unclear as to the reason people did not attend; was it lack of interest, or other competing priorities etc. We thank you in advance.

The YMPE (Yearly Maximum Pensionable Earnings) and Canada Pension Plan (CPP).

We often refer to the years maximum pensionable earnings (YMPE) as it relates to the calculation of pension deductions or pension benefits. The calculation of the YMPE is based according to a Canada Pension Plan legislated formula that takes into account the growth in average weekly wages and salaries in Canada. The YMPE for the upcoming calendar year is announced by the Canada Revenue Agency typically in mid-November.

The 2015 YMPE is $53,600. This means that CPP contributors who earn more than $53,600 in 2015 are not required or permitted to make additional contributions to the CPP based on earnings exceeding this amount. The employee contribution rates for 2015 will remain unchanged at 4.95% and the maximum employee CPP contribution for 2015 is $2,479.95.

For more information on your CPP retirement benefit:
