

Professor Dale Domian receives 'Celebrate Success Award' from York's Internationally Educated Professionals Bridging Program.

On October 11th, finance professor Dale Domian was presented with a 'Celebrate Success Award' for his contribution to York's Internationally Educated Professionals Bridging Program. Professor Domian is a 'faculty champion' for the finance stream of the program, providing advice and guidance to students in the field. The award was presented in recognition of his contribution to student success and specifically for the expertise he has provided in helping them to find employment and expand on their skills and knowledge. The IEP Bridging Program focuses on the areas of Business and IT and specifically supports professionals in these fields who have immigrated to Canada.
