The application form on page 2 of this document is to be completed by the student being nominated.

This form is to be submitted by the nominating professor/department with the other required documents to the office responsible for international student exchanges at the student's home university (please submit one original set and two sets of photocopies of all documents).

Documents to be provided by student:

- The application form on page 2, completed and signed.
- Brief statement (maximum 1 page) written by the student describing the reasons (academic and personal) for wishing to participate in this program.
- Copies of academic transcripts from all postsecondary institutions attended in the period since September 2007.

Documents to be provided by nominating professor:

- Letter of nomination from a professor in the student's home academic unit/program outlining briefly the relevance of the visit for the student's program of study, the reasons for nominating the student, and, if appropriate, the kind of credit the student might receive for the work done in Germany.
- Letter (or printout of an e-mail) from the professor at a Baden-Württemberg university stating a willingness to host the student in a research project. This letter should indicate the precise duration of the research visit and outline the activities in which the student will be engaged. [In certain cases, students may request that the OBW Program Office in Baden-Württemberg attempt to find a host laboratory or professor; success cannot be guaranteed, however.]

The deadline for the submission of nominations by the student's home university's International Office to the OBW Program Office is December 15, 2009.

Nominations should be sent to:

Following participation in the Summer Research Program, the student is required to submit a report on his/her activities and experiences in Baden-Württemberg.

Notice to applicants:

The Ontario/Baden-Württemberg University Student Exchange Program is administered by a consortium of Ontario universities. The Program reserves the right to keep applications on file indefinitely and to release information about participants for publicity purposes. The Program Office reserves the right to compile anonymized statistics relating to the gender, home university, proposed host university, and field and level of study of successful and unsuccessful applicants; and to use these statistics for legitimate academic purposes. The Program Office further reserves the right to compile lists of Program participants for the use of officials and other members of the Program. In applying to the Program, you are accepting these conditions.
