I wish to appeal the decision on the following grounds (check all that apply):

|     |                 |   |
|-----|-----------------|---|
| ( ) | <b>11 (i)</b>   | The University Tribunal had no authority under this Code to reach the decision or impose the sanctions it did;  |
| ( ) | <b>11 (ii)</b>  | The University Tribunal made a fundamental procedural error prejudicial to either party;  |
| ( ) | <b>11 (iii)</b> | The sanctions are unnecessarily punitive and/or do not fit the violation for which the Respondent has been found responsible or would benefit from a review on compassionate grounds (this ground may only result in a review of sanctions);  |
| ( ) | <b>11 (iv)</b>  | The Appellant has new evidence to present that could not reasonably have been presented earlier such as, but not limited to, evidence from an appropriate professional indicating that the appellant's behavior was attributable to a previously unrecognized health problem. Where medical or psychological documentation is produced concerning health issues that pertain to safety and security considerations, the University reserves the right to refer the Appellant for assessment by an independent medical/psychological |
