

Below you will find the grades you received on test1 (your mark out of 41), test2 (your mark out of 40) and the final exam (your mark out of 64). As before, I have removed the first three digits from your student number and the last digit so look carefully for your grades.

The code, dnw, indicates that you did not write a particular test/exam.

Std #	Test1 Out of 41	Test2 Out of 40	Exam out of 64
00100	32	17	40
00327	22.5	5.5	dnw
00844	29.5	27	46
01261	32.5	19	21
01930	23	12	16
