are pleased to present the following event*

# Turning your Setbacks into Success

Presented by Motivational Speaker: **Tammy D. Gordon**

**Wednesday, February 8, 2012, 12:30pm**

**Room 001 Vanier College Renaissance Room**

We live in a world where anything can happen, and we never know for sure what tomorrow holds. One of the most indispensable skills we can develop is the ability to turn our setbacks into success rather than to give up or give in when adversity strikes or difficulties develop.

*Turning your setbacks into success* is about how to face whatever life throws at you and make it work for you instead of against you.

**Tammy D. Gordon**, B.A.S., Spec. Hons., embodies her topic *Turning Setbacks into Success*. This young lady went from a top grade athlete being scouted by Universities in America to play basketball to someone whom the doctor said would not make it. And it all happened in one weekend. From being a comatose high school senior in 2002 she went on to graduate from York University in June 2009 with a degree, in B.A.S., Spec. Hons. Administrative Studies, (General Management) and is today a proficient motivational speaker who has turned her setbacks into success and is busy bringing hope and inspiration to hundreds through her speaking. Her body might be limited but her mind is liberated and she is living life without limits.
