

News

December 2022

On November 4th, UDEM & DEMSA hosted a joint tabletop exercise. The exercise was based around a wildfire event, allowing students to dive into different roles in an EOC. Specials thanks to Sofija Theodorou MDEM, Domini Baldasaro MDEM, and Nathan Innes UDEM who offered invaluable assistance to attendees ensuring that they gained valuable knowledge and experience.

DEMSA Survey Alert

DEMSA is calling all MDEM students to complete a short 5-minute survey on how DEMSA can better help support your experience in 2023. This survey will assist DEMSA to develop future events and initiatives. We kindly ask that you complete the survey by January 9th, 2023.

Please complete the survey by clicking the below:

[SURVEY](#)

The survey is voluntary.

May your holiday season and New Year be filled with happiness, joy, and success. The DEMSA executive team looks forward to working with the DEM community this upcoming year.

-DEMSA Executive Team

Save the Date February 11th & 12, 2023 IMS 200-Training

DEMSEA will be hosting IMS 200 training on February 11 & 12th, 2023. More information to come.

If you are interested in attending this training, you must complete the online IMS 100 course on the Emergency Management Ontario website.

We encourage students to complete this course over the holiday season.

On November 19th DEMSEA executives along with MDEM students and Faculty participated in the Fall York University Open House showcasing the Disaster and Emergency Management program.

Prove you're a "Master of Disaster" with your very own t-shirt, sweater, jacket, or hat by visiting the DEMSEA entripy store for customizable merchandise.
