Messages from the Dean, Faculty of Health, and the Masters of Calumet and Stong Colleges

Harvey Skinner, Dean, Faculty of Health

As recipients of tonight's student leadership awards, you exemplify the commitment of the Faculty of Health, Calumet and Stong Colleges to developing new student leaders who demonstrate excellence in so many endeavours. Congratulations and enjoy the evening knowing that your contributions have made a difference to the broader York community.

Jennine Rawana, Master, Calumet College

On behalf of the Calumet community, I would like to express my heartfelt thanks for the wonderful and important contributions of our Award Recipients. You have each chosen to share your passion, dedication, and expertise within our York Community, to not only make it a better place to study and work, but also a more meaningful and supportive experience for your fellow students. Your leadership contributions are inspirational – you have forged the way for new ideas and partnerships that will both leave a lasting impact on our University, as well as prepare you for the exciting adventures that lie ahead. Wishing you continued success as you embark on your next steps!

Mazen Hamadeh, Master, Stong College

I am constantly humbled by those who disrupt the understanding of the world around me. Today, we celebrate and recognize student leaders who have done just that. Kudos for helping shape and transform the experience of many a student, and for inspiring others to do better and become better. Because of you, York is better. Keep challenging the norm.
