Addressing Discrimination

The success of our students depends on our collective willingness and ability to listen, to be kind, to look after ourselves and each other, to work together, and to lead with **Respect, Equity, Diversity and Inclusion**. We do not condone or tolerate racism, prejudice or discrimination at Calumet & Stong Colleges. We are committed to supporting our Peer Leaders and Student Organizations and our York and CCSC community to stop anti-Black racism and systemic discrimination of all kinds. We will also collaborate with others to strengthen our student success programming to help our Colleges and students foster a just and fair world. ACADEMIC HONESTY
SENATE POLICY ON ACADEMIC HONESTY

"Academic honesty requires that persons do not falsely claim credit for the ideas, writing or other intellectual property of others, either by presenting such works as their own or through impersonation. Similarly, academic honesty requires that persons do not cheat (attempt to gain an improper advantage in an academic evaluation), nor attempt or actually alter, suppress, falsify or fabricate any research data or results, official academic record, application or document."
IT'S NOT JUST PLAGIARISM!

The offering for sale of, buying of, and attempting to sell or buy test banks (banks of test questions and/or answers), or any course specific test questions/answers is not permitted in the Faculty of Health. Any student found to be doing this may be considered to have breached the Senate Policy on Academic Honesty. In particular, buying and attempting to sell banks of test questions and/or answers may be considered as “Cheating in an attempt to gain an improper advantage in an academic evaluation” (article 2.1.1 from the Senate Policy) and/or “encouraging, enabling or causing others” (article 2.1.10 from the Senate Policy) to cheat.

Refer to your E-Class website for course materials and announcements. Avoid using websites not approved by York, WhatsApp groups or social media sites to get course information, as these sources may violate York’s academic integrity guidelines, and all users could be penalized.
