Message from the Dean, Faculty of Health

Chris Ardern
Interim Dean, Faculty of Health

On behalf of the Faculty of Health leadership team, I extend heartfelt congratulations to our student award winners for their outstanding academic performance and leadership in support of CCSC's vision:

"Inspiring learning, leadership, and citizenship."

Your accomplishments resonate with our Faculty's strategic commitment to being leaders and partners for a healthy and just 21st-century world. By advancing social justice, fostering student engagement, and partnering for positive change, you support our vision for creating a healthier more equitable world.

As we celebrate your leadership and accomplishments, we acknowledge the integral role you play in shaping the health and success of our students and broader community. Your contributions to student success and community well-being reflect our commitment to promoting health and well-being in local and global communities. Your dedication and innovation reflect the values that define our Faculty and inspire others to pursue excellence.

Sincere congratulations to all of the award winners, and best wishes for your continued success.

Dr. Chris Ardern, PhD
Interim Dean, Faculty of Health

About the Faculty of Health

At York University's Faculty of Health, we are striving in all we do to be leaders and partners for a healthy and just 21st century world.

Our degree programs — Global Health, Health Policy and Management, Kinesiology and Health Science, Neuroscience, Nursing and Psychology — expand our understandings of health, bring innovations to health education, and contribute to the wellbeing of people and communities all around the world. Through our teaching and research excellence, and with our community partners — locally and globally — we are acting every day to build a healthy world for all. Because we believe health is a fundamental human right. For everyone.

About the Colleges

CALUMET COLLEGE

Calumet College

Calumet College is affiliated with the Faculty of Health and the Schulich School of Business, and primarily supports students from Global Health, Health Policy and Management, and Psychology programs. Our values are student-centric, collaborative, mentorship, engagement and bold. Calumet College is a community committed to an engaged student experience through high-quality and collaborative academic support, leadership development and recognition of achievement.

STONG COLLEGE

Stong College

Stong College is affiliated with the Faculty of Health, serving students from Nursing as well as Kinesiology and Health Science. Enriched by the Stong family pioneer spirit, to which we owe our name, our community is committed to innovation while preserving the values of diversity and inclusivity. Our team at Stong College aims to support student success through a variety of programs designed for students throughout their university experience.

Message from the College Head and the Associate Dean *for* Students

Jennine S Rawana
Head of Calumet College

On behalf of Calumet and Stong Colleges, congratulations on your exceptional leadership achievements this year! This evening, it is my honour and pleasure to recognize the students, staff, faculty, alumni and community leaders that have contributed to creating an inclusive, innovative, inspiring, and committed Colleges' community. Your support of student success in the Colleges' and the Faculty of Health is appreciated. Thank you to the many student organizations and project teams that are affiliated with CCSC and your unwavering support of your fellow students and your engagement with the Faculty of Health and broader community, including the academic programs. The work that you have done within your teams will have a lasting impact on the lives of students who participated in your programming. Thank you to the broader Faculty of Health and university community for being engaged with us and supporting the success of students. To the student leaders, CCSC will continue to support you as you embark on the next steps in your journey ahead, and I encourage you to fulfil your roles as engaged leaders that transform lives and communities. I look forward to working alongside you in the years to come.

Mazen J Hamadeh
Associate Dean *for* Students

I would like to congratulate all the award recipients on excelling academically or in showing exceptional leadership and citizenship. These awards reflect your hard work, focus, passion, persistence and meaningful contributions. I am inspired by your drive and by your relentless pursuit of your vision to create a diverse and inclusive community where all feel they belong. I, for one, feel that I belong to this vibrant community of leaders, influencers, visionaries and agents of positive change. I admire your citizenship. Your commitment to leaving a significant impact and evolving the community you live in will stand you well in your future endeavours. The Faculty of Health is proud of you and your achievements, and we wish you continued success. As you go forth with your next chapter in life, remember to contribute to the success of the community as others have contributed to your success. The way must be tried!

Closing Remarks	

Gold Medal for Academic Excellence and Outstanding Leadership

Awarded to a graduating undergraduate student in the Faculty of Health who has demonstrated academic excellence and outstanding contributions to undergraduate student life at York University.

Amina Fadzha Abam

Fadzha is in her last year of undergraduate studies in the BA Global Health program. She is President of Calumet College Council and Co-President of Global Health Student Association for the 2024-2025 academic year. She has actively taken many leadership roles within the Calumet and Stong Colleges and dedicated her time and efforts to helping promote student success. Her passion for tackling issues within the social determinants of health and achieving the United Nations Sustainable Development Goals has since been reflected with various outreach initiatives implemented. Outside of York University, she has shown dedication to environmental initiatives by volunteering in tree planting at the LEAF program. She has also been working as a Registered Nurse and currently providing her service to the rural community in Northumberland Hills County. She hopes to inspire other students and motivate them to get out of their comfort zone and open their doors for better opportunities.

Aila Narimani

Aila Narimani is a fourth-year Honours Psychology student at York University who is passionate about creating positive change both inside and outside the classroom. As a Faculty of Health Student Senator, she ensures the student perspective is truly present in decision-making and advocates for fairness and empathy, especially through her work on the Senate Appeals Committee. Aila also leads several student clubs focused on health and dentistry, while staying committed to community service, mentorship, and accessibility efforts. From publishing a children's book during the pandemic to volunteering at dental clinics, she brings creativity and care into every space she joins. Aila is graduating on the Dean's Honour Roll and hopes to pursue a career in dentistry, with the goal of helping others feel confident in their smiles. She is deeply honoured to receive the Faculty of Health Gold Medal and would like to thank her parents and partner for their endless love, support, and belief in her.

Silver Medal for Outstanding Leadership

Awarded to a graduating undergraduate student in the Faculty of Health who demonstrates outstanding leadership skills and potential through involvement and initiative in Faculty of Health organizations and activities.

Vi Vo

Vi Vo is in her final year of undergraduate study for the Specialized Honours BSc in Psychology program at York University, with a concentration in Applied Methods and Analysis. As Co-President of the Undergraduate Psychology Student Association and Peer Mentor Coordinator for Calumet and Stong Colleges, Vi has supported student success through academic support, community-building, and leadership training. She is also a Wellness Lounge Ambassador, helping to promote mental health and well-being across campus, and serves on both the Faculty of Health's Petition Committee and York International's Student Advisory Board, where she advocates for equitable academic policies and supports students' academic journeys here at York. Vi is a passionate leader with a strong commitment to inclusion, mentorship, and wellness. Her efforts have positively impacted thousands of students in the Faculty of Health, and her work continues to shape a more supportive, student-focused environment at York.

Presidential Appreciation Awards

Awarded to College Presidents who have served during the academic year, in recognition of their leadership, commitment, and meaningful contributions to their College community.
