

Student Services: Career Suitability Quiz

Each question is marked 0-10; 0 being completely uninterested/disagree and 10 being strongly interested/agree. Students will rank each question and by the end of the quiz, determine if this field is something of interest to them.

1. ____ Are you prepared to work through differences of opinions among colleagues on important student related matters?
2. ____ Are you a person who is comfortable with operating within the higher educational/institutional school lifestyle?
3. ____ Are you a person who can balance multiple daily responsibilities such as planning and attending meetings, organizing events, and interacting with students?
4. ____ Can you see yourself as a person who is willing to help students find career direction and point them to effective resources and opportunities?
5. ____ Do you believe you have the good ability to network and build connections with those around you easily?
6. ____ Are you someone who excels at communication and teamwork or leadership roles?
7. ____ Do you believe you have the necessary transferable skills to work in partnerships with students and other educators?
8. ____ How do you feel about being positioned between faculty and the students?
9. ____ Are you comfortable communicating via email to colleagues, parents, and students on a daily basis?
10. ____ Are you interested in pursuing higher education after completing your undergrad?

Total ____

Add the total up and divide by 100%

If you get 0.8 or 80% and above, this might be an occupation that you might be interested in!
