

# GUIDE FOR ONLINE LEARNING

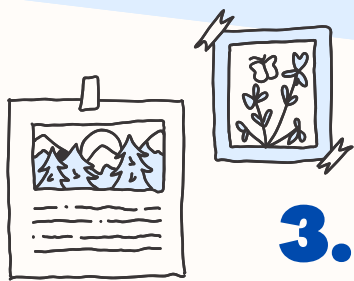

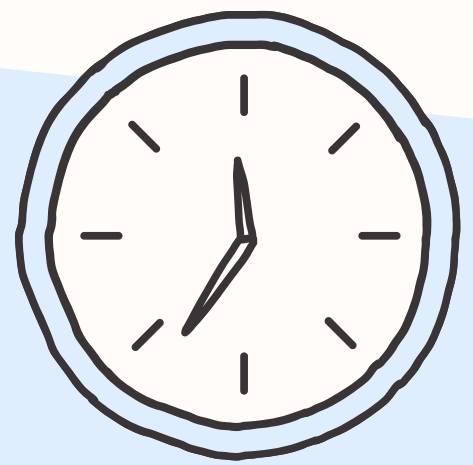

## 1. What to do to keep students engaged

- Making lessons fun for students
- creating relatable activities (activities that relate to the students)

## 2. What not to do to keep students engaged

- Having a lack of energy and enthusiasm
- Having no activities

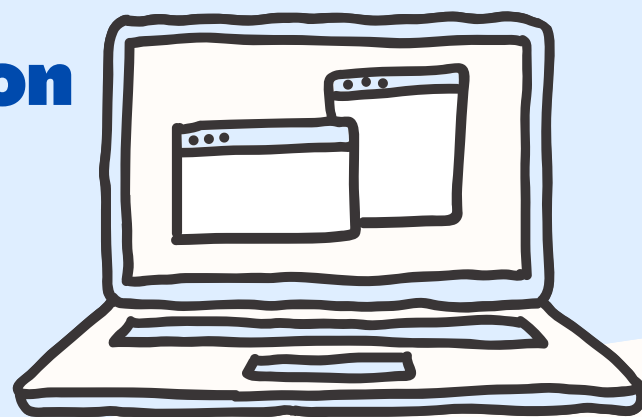

## 3. What can be an alternative to cameras

- Use of reaction button
- Having a picture or an avatar instead of just your name

## 4. Promoting motivation

- Rewards (Bonus marks)
- Allow students to pick partners and or group members

## 5. Promoting engagement

- Make lessons interactive
- Having options of activities that the students can choose from
- Creating a positive environment
