

QUEERING

Welcome to the queering leadership podcast as part of the unleading project. My name is Dr. Vidya Shah at York University, and I will be moderating this amazing panel. In this podcast, we explore ideas such as:

- a) Questioning the very concept of leadership, living in the contradictions of leadership, and looking elsewhere for leadership
- b) Looking to strategic disruptions and activism and making/taking up space
- c) Centering the body, desire, and pleasure
- d) Engaging the unknown, the diffuse, the liminal, and in ambiguous
- e) Living and leading for collective liberation as we trace to a different set of ancestors

For more information about the podcast and our panelists, please check out the unleading website. Come with us on this journey of unleading as we turn the concept of leadership on its head.
