

How to Edit your Faculty Profile

Your profile is set up with your name, position/title, contact information (office location, phone and email address) already published to the Faculty of Education website. All other information is voluntary and you are responsible for deciding what to include on the Faculty of Education website.

Logging in

- 1. Open your internet browser and navigate to http://yorku.ca/edu
- 2. Click on the 'About' link in the top navigation and go to 'Faculty Profiles' to edit your profile.
- 3. Click on your name in the directory list to open your profile.
- 4. Click on 'sign in to edit your existing profile' at the bottom of your profile page.
- 5. The faculty profiles are integrated with Passport York. Login using your Passport York username and password. If you do not know your username or password please contact accounts@yorku.ca
- 6. You will now be on the editing page for your profile.

Three easy steps to managing your profile

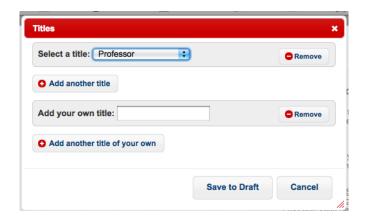

1. Add / Edit

All sections are optional. Start by clicking on the "Add/Edit" buttons.

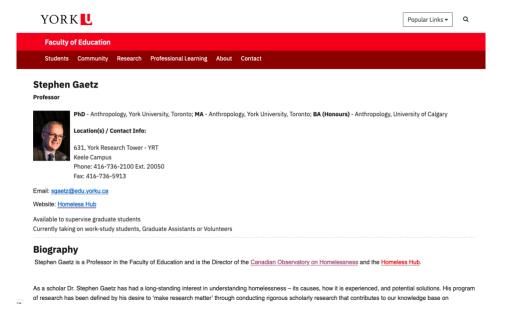

2. Save to Draft

After you click "Save to Draft" your changes are saved but not yet made public. If you logout and return later your changes will still be saved.

3. Publish

Click the Publish button whenever you are ready to make your profile available to the public. Sections you have not added will not display on the public website.

Button Legend

Change	Change your profile picture or CV
•	Delete your profile picture or CV
Add / Edit	Add new or edit existing information
Remove	Delete information from field
• Add another • • •	Add a second (or more) item to the field. This option is found in many fields and the text will be different depending on what field you are in (eg. Add another publication
