

The Educated Investor

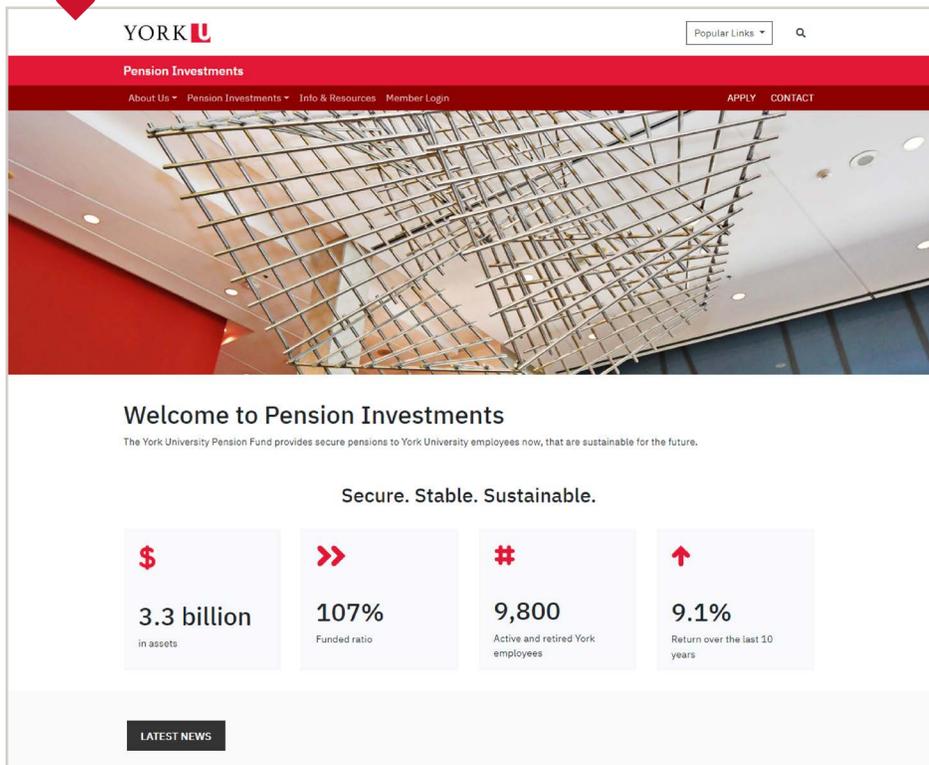

A NEWSLETTER FROM THE YORK UNIVERSITY PENSION INVESTMENT OFFICE

New website launched!

Your source for pension investment news

Our 9,800 retirees and eligible employees rely on the \$3.3 billion York University Pension Fund (YUPF) as a valuable source of retirement income. We have strong governance and a proven approach to help ensure your pension is managed in a prudent, effective, and profitable manner.

As part of our responsibility to our community and our commitment to transparency, the Pension Investments Office has created a new website full of information and news of interest to you.

Getting to know YUPF

The York University Pension Fund contains more than 30 portfolios diversified across investment strategies, asset classes, geographies and industries. **Sustainability** is integrated into all investment decisions, as well as furthering decarbonization and the transition to a net-zero economy.
