

Research Participant Fees Log

(Maximum of \$300.00 can be paid to each individual.)

***** = If confidentiality must be maintained (i.e.: as per an informed consent form requirement), PI assigns participants with an I.D. number and logs the number only. Note: for those instances where consent is obtained in writing (not verbally), the PI must retain the names of the participants and their respective ID codes in his/her files with the research study.

****** = Each research participant initials this log as an acknowledgement of receipt of the participant fee, if not confidential.
