

Name Change Form

A name change may only be processed by completing this form and submitting the required documentation.

If the name of a candidate/student changes after s/he has submitted an Application for Admission to York University, the name on the University's file (surname and/or given name) cannot be modified except when a request for a name change is completed. A request for a name change must be supported by original or certified/notarized copies of the following documents, depending on the reason for the name change.

Name change by marriage: Canadian marriage certificate; or foreign marriage certificate (must be translated into English); or divorce order or judgment.

Name change by law: Certificate or court order made under a provincial change of name act or under similar legislation.

Return to maiden name: Birth certificate and valid photo identification (passport or driver's licence).

Given name change: When given names need to be modified, valid photo identification (passport or driver's licence), which provides proof of the modification, is required. These documents are not valid for other types of changes. (Here is an example of a given name change: "My file reflects the name Debbie but my legal name is Deborah and this is the name I want to appear on my diploma.")
