

Change to Program/Graduate Diploma Academic Requirements Proposal Form

The following information is required for all proposals involving a minor modification to program/graduate diploma academic requirements. To facilitate the review/approval process, please use the headings below (and omit the italicized explanations below each heading).

1. Program/Graduate Diploma: Graduate Diploma in Health Industry Management (HIMP)

2. Effective Session of Proposed Change(s): Fall 2019

3. Proposed Change(s) and Rationale

a) A description of the proposed modification(s) and rationale, including alignment with academic plans.

- 1) the various options students have to complete the 12-credit diploma.
- 2) that for students with relevant full-time healthcare industry experience the 10-week internship requirement can be waived.

b) An outline of the changes to requirements and the associated learning outcomes/objectives, including how the proposed requirements will support the achievement of program/graduate diploma learning objectives.

- 1) Familiarize students with the breadth and depth of the Canadian healthcare industry.
- 2) Provide students with a mastery of the topics covered in the core HIMP courses.
- 3) Expose students to independent research in healthcare by the way of a supervised independent studies course.
- 4) Ensure students have practical exposure to healthcare work experience in either the Canadian or non-Canadian settings.

c) An overview of the consultation undertaken with relevant academic units and an assessment of the impact of the modifications on other programs/graduate diplomas.

This does not impact other academic programs. This continues to be the understanding and practice with MBA Program Director and ADA's Office.

d) A summary of any resource implications and how they are being addressed.

No additional resources are required for the changes.

e) A summary of how students currently enrolled in the program/graduate diploma will be accommodated.

This will not impact current students of the program/graduate diploma.

4. Calendar Copy

Using the following two-column format, provide a copy of the relevant program/graduate diploma requirements as they will appear in the FGS Calendar - <http://gradstudies.yorku.ca/current-students/regulations/program-requirements/>.

Please note: Senate requires that FULL Calendar copy be provided. Please include the entire graduate program/diploma section, not just text that is being revised. Please clearly and visibly indicate how graduate program/graduate diploma information has been changed using strikethrough (left column), bold, underlining, colours, etc. (right column).
