Master of Athletic Therapy (MAT)

Launching Spring 2027

Offered through the School of Kinesiology and Health Science, the Master of Athletic Therapy (MAT) is a full-time, six-term graduate program that prepares future Certified Athletic Therapists to meet the evolving demands of the profession. Building on the legacy of the former Athletic Therapy Certificate Program (ATCP), the MAT combines rigorous coursework with immersive clinical and field experiences, equipping graduates with the advanced knowledge, practical skills, and professional competencies needed to thrive in this dynamic and rewarding healthcare field.
