

Human Resource Management

Master of Human Resource Management (MHRM)

The executive-style MHRM is designed to provide professional HRM specialists with the skills and credentials necessary to become senior-level professionals. Explore issues such as organizational change and development, labour relations, strategic compensation, international HR, and the impact of HR policies, practices and programs on employee and organizational performance. The program will help you acquire the competencies, recognition and status that a graduate degree brings, and prepare you to take on a leadership role in this expanding and exciting field.

Details of Degree

- Coursework Only OR Major Research Project, (4 terms) Part-time available.
