Financial Opportunities

Internal Opportunities

- **BIPOC Award in Medical Science and Medical Biotechnology**

Deadline: April 30

BIPOC Award in Medical Science and Medical Biotechnology will benefit graduate students who identify as Black and/or Indigenous, and who have demonstrated an interest in undertaking research in medical sciences, medical biotechnology or related fields. Applicants can be enrolled in a graduate program in the Faculty of Health, Faculty of Science, or related fields. This award is also open to domestic and international students enrolled on a full time or part time basis. Value: Up to 2 awards of up to \$5,000, non-renewable.

[Learn more](#)

- **NEW Congress 2023 Academic Excellence Fund**

Deadline: June 2

The Academic Excellence Fund will be providing support to subsidize the cost of association membership and conference registration fees for Congress 2023 hosted at York University from May 27-June 2, 2023.

Value: Up to the cost of the Congress Fee paid

To apply: Submit your application to the Academic Excellence Fund by June 2.

Applications are awarded on a first come basis, and will be allocated until the available funds are expended.

Documentation Required: Itemized receipts for association membership and conference registration fees. Student name

must be clearly visible on receipts or proof of payment.

Student Status: As a student, you are enrolled full-time in a graduate program and hold a student ID card/number and are not employed full-time by the same institution.

Congress 2023 is offering [complimentary access](#) under certain categories for Black and Indigenous participants:

- If you are attending an association conference at Congress and are a student who self-identifies as Black or Indigenous, your Congress fee is waived. Contact your association for your unique registration link. Please note that a complimentary Congress fee does not waive your association fee. Check with your association to see if they are waiving your association fee or offering a fee discount.
- If you are purchasing a community pass to attend open events only, and you self-identify as Black or Indigenous, your community pass is complimentary.

CAGS Workshop Series for Graduate Students and Postdocs—Anti-Racism Response Training (ART)

Online, Thursday, May 25, 11:30am–2:30pm and 3:30–6:30pm

Back by popular demand, CAGS is pleased to offer another round of this important and timely 3 hour workshop designed to build awareness around issues of race and racism in Canadian higher education. This workshop will introduce attendees to the concepts of active versus passive witnessing, and help to instill a better understanding of the impacts of racist encounters on both victims and bystanders. The workshop is premised on the active-witnessing model, in which participants will learn enhanced techniques for intervening and disrupting racism in their institutions and in their daily lives. Participants will have the opportunity to learn and practice a wide range of anti-racism responses, and to share their own experiences. Registration closes on Sunday, 21 May at 9:00pm (ET).
