

Program Withdrawal Form

To withdraw in good standing from FGS, a student must notify their graduate program office in writing. The effective date of withdrawal is the date the program was notified in writing by a student. Withdrawing from a course does not constitute official withdrawal from the program. To be eligible to withdraw in good standing, the student's record must be in good standing. Submit completed form to your program office.

Note: Signatures must be collected over email, either through a digital signature on the PDF form or an accompanying email attachment stating "I have read and approved this submission".

Program Office: Send completed form to your program's designated Records Coordinator in the Office of the Dean, Faculty of Graduate Studies.
