# Funding Packages

- Many full-time graduate students receive funding packages
- Funding can be made up of fellowship, teaching assistantships, scholarships and awards
- Your funding package depends on your program and tuition status (domestic vs international)
- Read your Admission Offer Letter (located in [MyFile](#)) to see your total annual funding
- Detailed breakdown of standard packages available:

# Graduate Funding Components

Your funding package is made up of different components that work together to meet the total commitment detailed in your Offer Letter

# How do you get paid?
