

First Name: Jordan

Last Name: Darville

Crew Position: Production Assistant

Special Skills:

- Responsible and organized
- Handwriting can be legible when needed
- Strong desire to witness film being made first hand
- Will ensure coffee is received piping hot and made just the way you like it

Other Details:

While I may not be much use in the technical aspect of film (I am a first year Film Production student), I would like to perform any odd jobs I can while taking in the atmosphere of a set, forming new relationships and getting advice from my fellow crew members.
