Academic Integrity:

In the course, we strive to maintain academic integrity to the highest extent possible. Please familiarize yourself with the meaning of academic integrity completing the SPARK'S Academic Integrity module at the beginning of the course. Breaches of academic integrity range from cheating (i.e., the improper crediting of another's work, the representation of another's ideas as your own, etc.) to aiding and abetting (helping someone cheat). All breaches in this course will be reported to the appropriate university authorities, and can be punishable according to the Senate policy on Academic Honesty.
