## Policy for Missed Tests

1. The student *must contact the Teaching Assistant, Sara Oczak and copy to the Course Director* either in person or email *within 48 hours* of the test. In your email, you must state your name, student number, and the reason you cannot take the test. The student must show appropriate documentation to Sara who is in charge of Make-up Tests, verifying the circumstances for the missed test. Failure to provide appropriate documentation will result in a grade of "0%" for the missed test.

A legitimately recognized reason for missing a test is a medical one. Test missed on the grounds of *medical conditions must be supported by an Attending Physician's Statement Form*. The form could be downloaded from the Registrar's Office Website: [http://www.yorku.ca/grads/forms/NEW/attending\\_physician\\_statement.pdf](http://www.yorku.ca/grads/forms/NEW/attending_physician_statement.pdf)

The document MUST state that the student is incapacitated to an extent that taking the test on the DATE of the test is not possible. **The department of Psychology encourages Course Directors to verify suspicious student claims with the physicians directly.** Failure to provide appropriate documentation will result in a grade of "0%" for the missed test.

2. We apologize ahead of time if the make-up exam time and date is inconvenient for you. All make-up tests will be held approximately one week following the original test date. You will be informed of the time and location of each by the Teaching Assistant. Only one offer of make-up test date per student per test.
3. Missing more than one test on the regular schedule will trigger an investigation and may result in 0% for the second miss test.
4. Non-medical circumstances must be supported by appropriate documentation (i.e. death certificates, or obituary notice in the case of attending a funeral for a close relative). The above rules apply to all students.
5. If any of the test dates specified in this syllabus is in conflict with a particular religious holiday, please email the teaching assistant and copy to the Course Director in the first three weeks of class. The claim will be checked against the list of recognized religious holidays.
