

Students who are looking for research experience are encouraged to review this document of the labs within the Department of Psychology. Note that this list is not comprehensive. Some faculty members do not have a website for their lab. In that case, information on all faculty members in the Department of Psychology can be found at the end of this document. We also strongly encourage you to browse our Faculty Research Interests document [here](#).

## Brain, Behaviour and Cognitive Sciences

### [3D Perception & Psychophysics Laboratory](#)

Principal Investigator: Laurie Wilcox

### [Comparative Cognition Lab](#)

Principal Investigator: Suzanne MacDonald

### [Elder Laboratory](#)

Principal Investigator: James Elder

### [Freud Lab](#)

Principal Investigator: Erez Freud

### [Goel Reason Lab](#)

Principal Investigator: Vinod Goel

### [joeLAB](#)

Principal Investigator: Joseph De Souza

### [Kohler Visual Neuroscience Lab](#)

Principal Investigator: Peter J. Kohler

### [Multisensory Integration Lab](#)

Principal Investigator: Laurence Harris

### [Murray Lab](#)

Principal Investigator: Richard Murray

### [Murtha Lab](#)

Principal Investigator: Susan Murtha

### [Ono Lab](#)

Principal Investigator: Hiroshi Ono

### [Perceptual Neuroscience Lab](#)

Principal Investigator: Jennifer Steeves

### [The Visuomotor Neuroscience Lab](#)

Principal Investigator: Doug Crawford

### [Zoidl Lab](#)

Principal Investigator: Georg Zoidl

## Clinical

### [Angus Lab](#)

Principal Investigator: Lynne Angus

### [Boredom Lab](#)

Principal Investigator: John Eastwood
