

Faculty of Health
Department of Psychology
PSYC 3170 3.0 Section B: HEALTH PSYCHOLOGY
Thursdays/11:30-2:30/ Online via Zoom
Fall/2021

This course will be delivered synchronously. Lectures and exams will occur during the scheduled class time. Exams will be online. Lectures will be delivered via Zoom. Students are expected to attend all lectures.

Instructor and T.A. Information

Instructor: Dr. Krista K. Trobst
Office Hours: via Zoom, by appointment
Email: trobst@yorku.ca

T.A.	Rivka Levin	Ruth Vanstone
Email	rivka@yorku.ca	rnv85@yorku.ca
Office Hours	By appointment	By appointment
Student Surname	A to K	L to Z

Course Prerequisite(s): Course prerequisites are strictly enforced

- HH/PSYC 1010 6.00 (Introduction to Psychology), with a minimum grade of C.
- Completed at least 54 earned credits

Course Credit Exclusions

Please refer to [York Courses Website](#) for a listing of any course credit exclusions.

Course website: [eClass](#)

All course materials will be available on the course eClass site, unless otherwise indicated by the instructor. The site will be your central access point for course materials.

Course Description

This course will explore the application of psychological theory and research to specific health issues. Coverage will include: general strategies of health promotion; health habits (e.g., smoking, substance abuse; weight control); pain; management of chronic and terminal illness; and, issues in heart disease, cancer, and AIDS. The focus will be on the role of psychological research and principles in the promotion and maintenance of health and in the understanding and prevention of disease.

Program Learning Outcomes

Upon completion of this course, students should be able to:

1. Demonstrate in-depth knowledge in health psychology.
2. Articulate trends in health psychology.
3. Express knowledge of health psychology in written form.
4. Describe and explain limits to generalizability of research findings in health psychology.
5. Demonstrate ability to relate information in health psychology to own and others' life experiences.

Specific Learning Objectives

- have a critical understanding of the role of biological, psychological and social factors in health and wellbeing
- understand how to think from a biopsychosocial perspective
- become familiar with current knowledge regarding many chronic and terminal illnesses

Required Text

- Taylor, S. E., Sirios, F. M., & Molnar, D. S. (2020). *Health Psychology*. (5th Canadian edition). McGraw-Hill.

Course Requirements and Assessment:

Assessment	Date of Evaluation	Weighting
Quizzes	Weekly beginning September 23 rd	20%
Exam #1	September 30 th ; via CONNECT	20%
Exam #2	November 4 th ; via CONNECT	25%
Health Behaviour Report	November 18 th ; submit via eClass	10%
Exam #3	Final Exam Period: TBA; via CONNECT	25%
Total		100%

Description of Assignments

Quizzes will be weekly, online via CONNECT, beginning September 23rd. There will be 12 quizzes, each worth 2% and each having 10 MCQs. For example, if you receive 5/10 on a quiz, your grade is 1% (out of 2%). The best 10 grades (of the 12 quizzes) will be kept, for a total of 20% weight. Quizzes will be open the day of class from 6 AM to 11:59 PM. The time limit is 10 minutes. *There are no extensions or make-up opportunities for quizzes.*

Exams will be multiple choice and completed online via CONNECT. Exams #1 and #2 will occur during the regularly scheduled class time on the dates indicated. Exam #3 will occur during the official final exam period with the date and time to be announced when they become available.

The Health Behaviour Report is a take-home assignment due before class on November 18th. You will submit it via eClass. Instructions will be shared later in the semester.

Class Format and Attendance Policy

Lectures will be delivered live via Zoom during regularly scheduled class time every week (except the two that have exams). Students are expected to attend lecture during these times. This is a synchronous course.

Grading as per Senate Policy

The grading scheme for the course conforms to the 9-point grading system used in undergraduate programs at York (e.g., A+ = 9, A = 8, B+ = 7, C+ = 5, etc.). Assignments and tests* will bear either a letter grade designation or a corresponding number grade (e.g. A+ = 90 to 100, A = 80 to 89, B+ = 75 to 79, etc.)

For a full description of York grading system see the York University Undergraduate Calendar – [Grading Scheme for 2021-22](#)

Missed Tests/Midterm Exams/Late Assignment

For any missed quiz or late assignment, students MUST complete the following online form which will be received and reviewed in the Psychology undergraduate office. At this time, due to COVID-19 an Attending Physician’s Statement (APS) is not required, however, a reason for missing an evaluated component in the course must be provided.

[HH PSYC: Missed Tests/Exams Form](#). Failure to complete the form within 48 hours of the original deadline will result in a grade of zero for the missed quiz or late assignment.

Add/Drop Deadlines

For a list of all important dates please refer to: [Fall/Winter 2021-22 Important Dates](#)

	Fall (Term F)	Year (Term Y)	Winter (Term W)
Last date to add a course without permission of instructor (also see Financial Deadlines)	Sept. 21	Sept. 21	Jan. 23
Last date to add a course with permission of instructor (also see Financial Deadlines)	Oct. 5	Oct. 26	Feb. 7
Drop deadline: Last date to drop a course without receiving a grade (also see Financial Deadlines)	Nov. 12	Feb. 11	18-Mar
Course Withdrawal Period (withdraw from a course and receive a grade of “W” on transcript – see note below)	Nov. 13 - Dec. 7	Feb. 12 - April 10	March 19 - April 10

Add and Drop Deadline Information

There are deadlines for adding and dropping courses, both academic and financial. Since, for the most part, the dates are **different**, be sure to read the information carefully so that you understand the differences between the sessional dates below and the [Refund Tables](#).

You are strongly advised to pay close attention to the "Last date to enrol without permission of course instructor" deadlines. These deadlines represent the last date students have unrestricted access to the registration and enrolment system.

After that date, you must contact the professor/department offering the course to arrange permission.

You can drop courses using the registration and enrolment system up until the last date to drop a course without receiving a grade (drop deadline).

You may [withdraw from a course](#) using the registration and enrolment system after the drop deadline until the last day of class for the term associated with the course. When you withdraw from a course, the course remains on your transcript without a grade and is notated as 'W'. The withdrawal will not affect your grade point average or count towards the credits required for your degree.

Electronic Device Policy

This course will be delivered in an online format and therefore electronic devices (e.g., tablets, laptops) are permitted during class time for course-related purposes. It is expected that you would complete tests/exams in a manner that does not require consulting an unauthorised source during an examination unless the tests/exams are open-book.

Academic Integrity for Students

York University takes academic integrity very seriously; please familiarize yourself with [Information about the Senate Policy on Academic Honesty](#).

It is recommended that you review Academic Integrity by completing the [Academic Integrity Tutorial](#) and [Academic Honesty Quiz](#)

Test Banks

The offering for sale of, buying of, and attempting to sell or buy test banks (banks of test questions and/or answers), or any course specific test questions/answers is not permitted in the Faculty of Health. Any student found to be doing this may be considered to have breached the Senate Policy on Academic Honesty. In particular, buying and attempting to sell banks of test questions and/or answers may be considered as "Cheating in an attempt to gain an improper advantage in an academic evaluation" (article 2.1.1 from the Senate Policy) and/or "encouraging, enabling or causing others" (article 2.1.10 from the Senate Policy) to cheat.

Academic Accommodation for Students with Disabilities

While all individuals are expected to satisfy the requirements of their program of study and to aspire to do so at a level of excellence, the university recognizes that persons with disabilities may require reasonable accommodation to enable them to do so. The university encourages students with disabilities to register with Student Accessibility Services (SAS) to discuss their accommodation needs as early as possible in the term to establish the recommended academic accommodations that will be communicated to Course Directors as necessary. Please let me know as early as possible in the term if you anticipate requiring academic accommodation so

that we can discuss how to consider your accommodation needs within the context of this course.

Excerpt from Senate Policy on Academic Accommodation for Students with Disabilities

1. Pursuant to its commitment to sustaining an inclusive, equitable community in which all members are treated with respect and dignity, and consistent with applicable accessibility legislation, York University shall make reasonable and appropriate accommodations in order to promote the ability of students with disabilities to fulfill the academic requirements of their programs. This policy aims to eliminate systemic barriers to participation in academic activities by students with disabilities.

All students are expected to satisfy the essential learning outcomes of courses.

Accommodations shall be consistent with, support and preserve the academic integrity of the curriculum and the academic standards of courses and programs. For further information please refer to: [York University Academic Accommodation for Students with Disabilities Policy](#).
