YORK'S POLICY ON ACADEMIC HONESTY

Familiarize yourself with York's regulations regarding cheating and plagiarism. Consult: http://www.yorku.ca/secretariat/policies/document.php?document=69

To understand the principles of academic honesty and to avoid the possibility of committing an academic offence, consult:

http://www.yorku.ca/academicintegrity/students/index.htm http://www.yorku.ca/health/new_students/#AcademicIntegrity

Examples of cheating include:

- (i) cheating on examination or test, or providing unauthorized assistance to another
- (ii) obtaining test or examination questions in advance
- (iii) unauthorized collaboration on tests or assignments

Examples of plagiarism include:

- (i) paraphrasing/reproducing another's work on an exam
- (ii) using unauthorized documents (e.g. notes) during an exam

Range of penalties:

- (i) reprimand to student
- (ii) grade on test reduced (may be down to "0")
- (iii) final grade in course lowered
- (iv) transcript notation

There is heavy surveillance during the exams held in class. Students suspected of cheating have their exam confiscated. An inquiry is then conducted to confirm unauthorized aid or plagiarism (cheating) on the exam. Depending on the seriousness of the offence, a complaint against the student may be communicated to the Officer of Student Affairs.

FOR PSYCHOLOGY MAJORS:

Students must obtain a minimum grade of C (60%) in this course in order to be permitted to continue as a Major or Minor in Psychology. A minimum grade of C is also necessary to be admitted into upper level Psychology courses.

Conversion Table	
From Percentage T	o Letter Grade
90-100	A+
80- 89	Α
75- 79	B+
70- 74	В

60- 64	С
55- 59	D+
50- 54	D
(Marginally below

(Below 50%) Failing	F

The grading scheme for the course conforms to the 9-point grading system used in undergraduate programs at York (A+=9, A=8, B+=7, B=6, C+=5, C=4, D+=3, D=2, E=1, F=0).

MISSED TESTS:

- 1. If you cannot write an exam, you must contact one of your TAs within 48 hours of the test. Be sure to include the course number "1010G" in the subject line of your email.
- **2. Appropriate documentation** verifying the circumstances for the missed test must be provided at the time of the make-up exam. Failure to provide appropriate documentation may result in a grade of F on the missed test.
- A. Tests missed on the grounds of medical circumstances must be supported by an Attending Physician's Statement or by a Statement by a Psychologist or Counselor. The Physician's Statement must include (i) the full name, mailing address and telephone number of the physician, (ii) state the nature of the illness and its duration (i.e. specific dates covered), and (iii) an indication of whether the illness and/or medication prescribed would have SERIOUSLY affected your ability to study and perform over the period in question.
- B. Tests or examinations missed on the grounds of non-medical circumstances must be supported by appropriate documentation, i.e., death certificates, obituary notice, automobile accident reports, airline/train/bus tickets/receipt for emergency travel (with date of booking on ticket), etc.
- **3.** A make-up opportunity may be provided, within approximately two weeks of the missed test. It is your responsibility to check with your TA as to the date/time of the make-up. A conflict in another course during the time of the make-up is not an acceptable reason for missing the make-up (unless there is an examination in the other course at that time). Missed make-ups must be supported by appropriate documentation, same as for missed exams.
