ACADEMIC POLICIES

Missed Tests / Term paper deadlines

1. Appropriate documentation verifying the circumstances for the missed test, exam or term paper deadline **must be provided within one week (7 calendar days) of the missed exam**. Failure to provide appropriate documentation will result in a grade of 0. One of the following forms of documentation stating the reason for missing the test, exam or term paper deadline **MUST** be provided:

(A) Tests, exams or term paper deadlines missed for medical reasons must be supported by an Attending Physician's Statement. The Attending Physician's Statement must include (i) the full name, mailing address and telephone number of the Physician, (ii) state the nature of the illness and its duration and (iii) a statement that the illness and/or treatment would have **SERIOUSLY** affected the student's ability to study and perform over the period in question, not just that they were ill and were seen by a doctor. Notes without such wording will not be accepted.

(B) Tests or exams missed for non-medical reasons must be supported by appropriate documentation (i.e., copy of a death certificate, automobile accident report, etc.) Pre-booked travel is not a reasonable excuse for missing a test or exam.

2. For a missed test that is justified as per 1A or 1B above, the grade component will be distributed to the final exam.

NOTE: In the case of (2) above, the final exam will be cumulative and will cover material for the full course.

IT IS A SERIOUS ACADEMIC OFFENCE TO PROVIDE FALSIFIED DOCUMENTS FOR MISSED EXAMS. VALIDITY OF PHYSICIAN STATEMENTS OR OTHER DOCUMENTS MAY BE CONFIRMED BY THE INSTRUCTOR
