Grading as per Senate Policy

The grading scheme for the course conforms to the 9-point grading system used in undergraduate programs at York (e.g., A+ = 9, A = 8, B+ = 7, B = 6, C+ = 5, C = 4, D+ = 3, D = 2, E = 1, F = 0). Tests will bear a corresponding number grade (e.g. A+ = 90-100%, A = 80-89%, B+ = 75-79%, B = 70-74%, C+ = 65-69%, C = 60-64%, D+ = 55-59%, D = 50-54%, E = marginally below 50%, F = below 50%)

Missed Tests or Exams

Students with a documented reason for missing a course test, such as illness, compassionate grounds, etc., which is confirmed by supporting documentation (Attending Physician Statement which can be found at:

<http://myacademicrecord.students.yorku.ca/pdf/attending-physicians-statement.pdf>) may request accommodation from the Course Instructor. Further extensions or accommodation will require students to submit a formal petition to the Faculty.

The following procedure applies for missed tests or exams:

1. Within 48 hours of the missed test or exam, students must contact the instructor by email. Be sure to clearly state your name, student number, course, reason for missing the exam, and a phone number or email address.

2. Appropriate documentation verifying the circumstances for the missed test or exam must be provided within one week of the missed exam. Failure to provide appropriate documentation will result in a grade of 0.
 - a. Tests or exams missed for medical reasons must be supported by an Attending Physician's Statement. The Attending Physician's Statement must include (i) the full name, mailing address and telephone number of the Physician, (ii) state the nature of the functional limitations of the illness and its duration and (iii) a statement that the illness and/or treatment would have SERIOUSLY affected the student's ability to study and perform over the period in question, not just that they were ill and were seen by a doctor. If the note is not detailed enough, it will not be accepted.
 - b. Tests or exams missed for non-medical reasons must be supported by appropriate documentation (i.e., copy of a death certificate, automobile accident report, etc.) Pre-booked travel is not a reasonable excuse for missing a test or exam.
3. In the case of a missed test with appropriate documentation (as per steps 1 and 2), a prorated procedure will be used: the grade component will be distributed across the other tests or exams in the course. The other evaluative components will still have the same weighting relative to each other. If two tests are missed, an alternative form of evaluation in place of the second test will be decided by the instructor.

Important New Information Regarding Missed Tests

For any missed tests or late assignments, students MUST also complete the following online form which will be received and reviewed in the Psychology undergraduate office:

(<http://psychology.apps01.yorku.ca/machform/view.php?id=16179>). Failure to complete the form within 48 hours of the original deadline will result in a grade of zero for the test.
