

Course Change Proposal Template

The following information is required for all course change proposals. To facilitate the review/approval process, please use the headings below (and omit the italicized explanations below each heading).

1. Program: GS NURS

2. Course Number and Credit Value: NURS 5170 3.0

3. Course Title: Processes of Knowledge Development in Nursing Science

4. Type of Course Change(s) (indicate all that apply):

	in course number
	in credit value
	in course title (short course titles may be a maximum of 40 characters, including punctuation and spaces)
	in course description (short course descriptions may be a maximum of 60 words, written in present tense)
	in integration (please provide statement of approval from other program)
	in crosslisting (please provide statement of approval from other program)
	in pre/co-requisite
X	expire course
	other (please specify)

5. Effective Session of Proposed Change(s): winter 2022

6. Academic Rationale: 1. This course has never been offered. 2. The faculty member who developed it is no longer at York; 3. During discussions at GPC there was acknowledgement that other, more recently developed elective courses cover this same area, as well as no faculty member was interested in updating the course to teach.

7. Proposed Course Information:

Existing Course Information (change from)	Proposed Course Information (change to)
NURS 5170 3.0 Processes of Knowledge Development in Nursing Science	Expire/retire course

8. Consultation:

For changes in integrations and crosslistings, as well as changes to courses that are integrated and/or crosslisted, please provide evidence that appropriate consultation has taken place.
