

Non-Major Modification Program Changes

1. Program: Bachelor of Science in Nursing (4-year Direct Entry; 2nd Entry; Post-RN Internationally Educated Nurses)
 2. Degree Designation: Specialized Honours
 3. Type of Modification: Proposed Change to Calendar
 4. Effective Date: Fall 2022
-
5. State what the changes are (Example: increase / decrease to the number of major credits)
 - a. Proposed Change to Calendar to change listing of practicum courses. It is not clear in the current calendar copy which courses have a practicum component as they are not listed with the other courses in the current calendar copy.
 - b. Update the existing course NURS 4530 3.00 to the new course number NURS 4531 3.00
 6. Provide the rationale for the proposed changes that is rooted in the program learning outcomes.
N/A
 7. Provide an updated mapping of the program requirements to the program learning outcomes to illustrate how the proposed requirements will support the achievement of program learning objectives.
N/A
 8. If relevant, summarize the consultation undertaken with relevant academic units, including commentary on the impact of the proposed changes on other programs. Provide individual statements from the relevant program(s) confirming consultation and their support.
N/A
 9. Describe any resource implications and how they are being addressed (e.g., through a reallocation of existing resources). If new/additional resources are required, provide a statement from the relevant Dean(s)/Principal confirming resources will be in place to implement the changes.
N/A
 10. Provide a summary of how students currently enrolled in the program will be accommodated.
N/A
 11. Provide as an appendix a side-by-side comparison of the existing and proposed program requirements as they will appear in the Undergraduate or Graduate Calendar.

Current Calendar Copy	Proposed Changes

Students must complete a minimum of ~~six~~ 12 credits outside the major as follows:

- HH/KINE 1101 3.00
- HH/KINE 1102 3.00
- HH/PSYC 2021 3.00
- plus SC/BIOL 2900 3.00

Upper-level requirement: a minimum of 60 credits must be taken at the 3000 level or above, including at least 27 credits at the 4000 level.

Note: For clinical NURS 6.00 credit courses with a designated practicum component (0.00P), students need to pass both the classroom and practical components in order to pass the course. If the grade for the practicum component is "fail" then the overall final course grade will be F.

HH/NURS 4527 9.00 is a practicum course for which all aspects must be completed successfully to earn a "pass" or P in the course. Failure to do so results in "F". Students must successfully complete both HH/NURS 4527 9.00 and HH/NURS 4531 3.00 concurrently in order to be recognized with a passing grade or credit in either course.

2nd Entry BScN Program

This is a concentrated six semester program, requiring students to study in fall, winter and summer terms over two years.

Residency requirement: a minimum of 30 course credits and at least half (50 per cent) of the course credits required in each undergraduate degree program major/minor must be taken at York University.

Graduation requirement: all graduates must complete a total of at least 150 credits with a minimum overall cumulative grade point average of 5.00 (C+), including a minimum grade of 5.00 (C+) in all nursing (NURS) courses.

150 credits including:

60 credits completed at a recognized university prior to admission.

Major credits: Students must complete a minimum of 90 credits as follows:

Core credits (72 credits):

- HH/NURS 1512 3.00
- HH/NURS 1543 3.00
- HH/NURS 2513 3.00
- HH/NURS 2514 3.00
- HH/NURS 2535 3.00
- HH/NURS 2536 3.00
- HH/NURS 2543 3.00
- HH/NURS 2547 6.00

Students must complete a minimum of 12 credits outside the major as follows:

- HH/KINE 1101 3.00
- HH/KINE 1102 3.00
- HH/PSYC 2021 3.00
- plus SC/BIOL 2900 3.00

Upper-level requirement: a minimum of 60 credits must be taken at the 3000 level or above, including at least 27 credits at the 4000 level.

Note: For clinical NURS 6.00 credit courses with a designated practicum component (0.00P), students need to pass both the classroom and practical components in order to pass the course. If the grade for the practicum component is "fail" then the overall final course grade will be F.

HH/NURS 4527 9.00 is a practicum course for which all aspects must be completed successfully to earn a "pass" or P in the course. Failure to do so results in "F". Students must successfully complete both HH/NURS 4527 9.00 and HH/NURS 4531 3.00 concurrently in order to be recognized with a passing grade or credit in either course.

2nd Entry BScN Program

Post-RN IEN BScN Program

These requirements are for students in the Internationally Educated Nurses (IEN) program.

Admission requirements: entry procedures include the following academic and professional criteria:

International education assessed by the College of Nurses of Ontario as "diploma equivalent".

Minimum overall average of C+ in previous nursing studies.

Proof of language proficiency for applicants who do not meet one of the following criteria:

their first language is English;

or

they have completed at least one year of full-time study at an accredited university in a country (or institution) where English is the official language of instruction.

Proficiency in English is demonstrated by a minimum
