The Employer is also responsible for ensuring that members with visual impairments have access to the collective agreement in an appropriate and accessible format.

4.06.2 The Union shall be responsible for translating the collective agreement into French and printing sufficient copies of the translated agreement for its bilingual and Francophone members and the employer. The Employer agrees to bear one-half the cost of translating the agreement to a maximum of \$5000. The Employer also agrees to bear one-half the cost of printing and distributing 100 copies of the translated agreement.

Where there is any disagreement as to the interpretation of this agreement, the English version shall be binding.

ARTICLE 5 – LABOUR/MANAGEMENT COMMITTEES

5.01 The Union and the Employer acknowledge the mutual benefits to be derived from joint consultation and approve the establishment of a Labour/Management Committee consisting of three representatives from each party. The Committee shall function in an advisory capacity only, making recommendations to the Union and/or the Employer with respect to its discussions and conclusions and shall not have the power to add to or modify the terms of this agreement. However, neither the

Employer nor the Union shall act in a manner contrary to the recommendations of the Committee without having first informed the Committee in writing that it intends to do so. A representative of each party shall be designated as a joint Chair, and the two persons so designated shall alternate in presiding over meetings. Either Chair may call meetings on at least two weeks' notice to the other members of the Committee. As appropriate, the parties may invite the Union and Employer representatives on the Security Advisory Council to attend a Labour/Management Committee Meeting to address any security issues on the agenda.

- 5.02 As per Article 4.04.3, the union and the employer agree to maintain the Joint CUPE 3903 – York Advisory Committee on Race/Ethnic Relations, Discrimination and/or Harassment to discuss and investigate systemic and/or individual discrimination, interference, restriction, harassment or coercion exercised or practised with respect to any member of the bargaining unit in their employment relationship, by reason of race, colour, nationality, ancestry, place of origin, or native language (subject to Article 12.02.1).

The Committee shall consist of at least two representatives of each party. A representative of each party shall be designated as a joint Chair, and the two persons so designated shall alternate in presiding over meetings. Either Chair may call meetings on at least two weeks' notice to the other members of the Committee. The Committee shall have its first meeting within six months of the signing of this agreement.

The Committee may make recommendations to the Labour/Management Committee on these matters from time to time.

- 5.03 The Union and the Employer agree to maintain an Employment Equity Committee to meet within one month of the signing of the 2002-2005 collective agreement.

The Employment Equity Committee will have access to the non- confidential findings of a census of all members of the bargaining units and graduate students at York University to be conducted by the Employment Equity Office following the ratification of the 2002-2005 collective agreement. The Employment Equity Committee may ask the Institute for Social Research to do specific analyses of data collected in connection with the Employment Equity survey. The employer shall not unreasonably deny the Employment Equity Committee's recommendation for funds to conduct the survey(s).

Effective on ratification of the renewal collective agreement the Employment Equity Committee will have access to the non-confidential findings of regular surveys of all members of the bargaining units undertaken for the purposes of the Federal Contractor's Program.

There are two types of surveys, regular and comprehensive. The first comprehensive surveys will be completed by the end of March 2009. The regular surveys are done on a monthly basis for new hires. The first regular surveys will be carried out in June 2009. The content will include designated employment equity group voluntary self- identification. This information will be correlated with information about salaries, terminations and promotions for purposes of reporting.

Effective on ratification of the renewal collective agreement, a provision for voluntary self-identification will be added to the unit 2 blanket applications. This data will be used to implement Articles 12.03.2, 23 and 24.

The Committee's mandate will further include setting goals and timetables for the elimination of discriminatory practices and systemic barriers to equal opportunity. Issues to be addressed will include: recruitment of employees, selection procedures, job postings, Employer required and provided training, salaries and benefits, and working conditions (including accommodation for persons with disabilities).

Within 12 months of the ratification of the renewal collective agreement, qualitative research on departmental hiring practices in relation to recruitment of employees, selection procedures, job postings, employer required and provided training, salaries and benefits, and working conditions will be completed by the Employment Equity Committee.

The Employment Equity Committee shall, within twelve months of first meeting after the ratification of the renewal collective agreement, develop an Employment Equity Plan consistent with the Federal Contractors Program for approval by the Parties. This plan will address the removal of employment barriers in order to achieve the ultimate goal of fair representation of the following designated groups in bargaining unit employment: aboriginal peoples, persons with disabilities, visible minorities and women. Fair representation will be taken to mean a reflection of the population of these groups in the Greater Toronto area.

The Committee will consist of three representatives of each party and the Director of Recruitment, Workforce Employment Equity or designate as ex officio member. Preference will be given to members from each of the designated groups. A representative of each party shall be designated as joint Chair and the two persons so designated shall alternate in the Chair. Either Chair may call meetings on at least two weeks' notice to the other members of the Committee.

Unless otherwise agreed upon, underrepresentation shall be understood to mean fewer bargaining unit members that identify as belonging to one or more of the equity seeking groups than the available data for the Greater Toronto Area reports.

For the 2017-2020 Collective Agreement the following minimum thresholds will be used when applying intersectional equity data:

- (1) Where there are fewer than 44% members in the hiring unit doing bargaining unit work that identify as women and/or where there are fewer than 30% members in the hiring unit who identify as racialized people ("visible minorities"), then an applicant that self-identifies as a racialized woman will be appointed.
- (2) If there are no racialized women candidates, then a candidate from the more underrepresented group will be appointed;
- (3) If there are no candidates under (1) or if the hiring unit has met both thresholds in (1), then a candidate that self-identifies as an Indigenous (Aboriginal) person and/or a person with a disability will be hired.

- (4) If there are no candidates from the under-represented groups, or if the hiring unit has met the threshold under (1), then a candidate that self-identifies as LGBTQ will be hired.

Hiring Unit data for the most recent consecutive three contract years (or, during implementation, such period up to three contract years as is available) shall be used to establish hiring unit representation.

Where issues of interpretation, data or process arise during implementation, the parties will review these at the Employment Equity Committee.

5.03.1 Employment Equity Committee

- (a) The Union and the Employer agree to continue to maintain an Employment Equity Committee, which will consist of three representatives of each party, including a senior designate of the Office of the Vice-President Equity, People and Culture and the CUPE 3903 Equity Officer. The Committee may invite additional participants. A representative of each party shall be designated as joint Chair and the two persons so designated shall alternate in the Chair. Either Chair may call meetings on at least two weeks' notice to the other members of the Committee. Where possible, Equity Groups identified in Article 5.03.3 may be included among the representatives.
- (b) The Employment Equity Committee's mandate will include setting goals and timetables for the elimination of discriminatory practices and systemic barriers to equal opportunity. Issues to be addressed will include recruitment of employees, selection procedures, job postings, Employer required and provided training, salaries and benefits, and working conditions (including accommodation for persons with disabilities).
- (c) Further to its mandate as set out at Article 5.03.1 (b) above, the Employment Equity Committee in consultation with the parties, will review and make recommendations in respect of the Employment Equity Plan for approval by the Parties. The Employment Equity Plan will address the removal of employment barriers in order to achieve the ultimate goal of fair representation of Equity Groups as defined at 5.03.3(a).
- (d) By March 1 each year the Employment Equity Committee shall report to the Labour Management Committee on its activities and provide any recommendations for the consideration of the Labour Management Committee.
- (e) Pursuant to its mandate, the Employment Equity Committee will have access to the non-confidential findings of Internal Self-identification Representation Data defined in Article 5.03.3(e) below. The Internal Self-Identification Data will be correlated with employment-related information, including number of positions held, position type, and salaries for purposes of reporting to the Employment Equity Committee.

- (f) Pursuant to its mandate, the Employment Equity Committee may have regard to other sources of external data to review representation thresholds, including the General Workforce Population Equity Group Data in Article 5.03.3(d).¹
- (g) Pursuant to its mandate given representation thresholds achieved within the bargaining unit, the Employment Equity Committee may consider whether to recommend to the parties and recommend, as part of its annual review of the Employment Equity Plan, that the parties aim for a higher goal than currently prevails.
- (h) The Employment Equity Committee may review the appointment process set out in Article 12.04 of the Unit 2 collective agreement, and make such recommendations to the parties as it considers appropriate.
- (i) All data handled by the Employment Equity Committee will be in accordance with relevant privacy statutes.
- (j) Where issues of interpretation, data or process arise, the parties will review these at the Employment Equity Committee.

5.03.2 Terminology and Pronoun Use

- (a) The collective agreement has been amended to reflect 2SLGBTQIA+ throughout.
- (b) Throughout the collective agreement, the parties have adopted the pronoun “they” to represent the singular in place of *she* and *he*.

5.03.3 Definitions

- (a) Equity Groups

For the purposes of the Collective Agreement, Equity Groups are defined as:

¹ The parties acknowledge, solely for the purpose of the deliberations of the Employment Equity Committee, the following current data from reports commissioned by Statistics Canada or from the City of Toronto, provided by the Union, and for the General Workforce Population Equity Groups by Statistics Canada:

for Canada as a whole (and for General Workforce Population Equity Groups):

- a. Women: 50.4% (48.2%)
- b. Racialized people: 22.3% (21.3%)
- c. Indigenous Peoples: 4.9% (4.0%)
- d. Persons with disabilities: 22% (9.1%)
- e. 2SLGBTQIA+ (Homosexual and Bisexual): 3%

for Toronto (and for General Workplace Population Equity Groups):

- a. Women: 52% (48.7%)
- b. Racialized people: 52% (48.8%)
- c. Indigenous Peoples: 1% (0.8%)
- d. Persons with disabilities: 24.3%
- e. 2SLGBTQIA+: 4-5%

The Employment Equity Committee may obtain additional data particularly with respect to d. and e. above.

- (i) Federal Contractor Program (FCP) Equity Groups: women, racialized groups (visible minorities) (“racialized”), Indigenous peoples (Aboriginal peoples) (“Indigenous”), and persons with disabilities; and
- (ii) 2SLGBTQIA+

Note: The parties have defined 2SLGBTQIA+ as an Equity Group under the collective agreement and wish to remove any employment barriers and barriers for employees who self-identify as 2SLGBTQIA+. The implementation of 2SLGBTQIA+ as an Equity Group within the Collective Agreement will not interfere with the Employer’s Federal Contractor Program obligations or its collection of Internal Self-Identification Representation Data.

(b) Intersectionality

For the purposes of the Collective Agreement, Intersectionality means the classification of self-identification information for employment equity purposes, considering combinations of two or more of the Equity Groups.²

(c) External Availability Data

For the purposes of the Collective Agreement, External Availability Data refers to the most recent Statistics Canada data for FCP Equity Groups by occupation for Canada as a whole or for Toronto, as the case may be.

(d) General Workforce Population Equity Group Data

The most recent available Statistics Canada data for FCP Equity Groups without regard to occupation for Canada as a whole and for Toronto, as the case may be.

(e) Internal Self-identification Representation Data

For the purposes of the Collective Agreement, Internal Self-identification Representation Data refers to the self-identification data collected via self-identification surveys of current employees conducted by the Office of the Vice-President Equity, People and Culture on a regular basis and Applicant Self-Identification Data defined below in (f).

(f) Applicant Self-Identification Data

For the purposes of the Collective Agreement, Applicant Self-Identification Data refers to the data the Employer collects from the self-identification form that applicants may complete in an application or selection process. A provision for voluntary self-identification is part of the Unit 2 blanket application. [For Unit 1 Collective Agreement: A provision for voluntary self-identification is part of the

² As background: Intersectionality is a way of acknowledging that there are multiple interlocking systems of power, privilege, and experiences of systemic discrimination based on race, gender, sexual identification, class, disability, etc. Most people are in multiple social categories and may have lived experiences of multiple forms of systemic discrimination. Intersectional analysis allows the parties to understand variations in the experience of inequality and privilege. An intersectional approach involves the Employer and the Union taking responsibility for workplace equity. This is consistent with the Ontario Human Rights Commission’s approach to analysis that assumes an individual’s experiences are based on multiple identities that can be linked to more than one ground of discrimination.

5.0.3.4 Use and Reporting of Data

(1) The following data establishes the foundation which the parties will rely on for decision-making in support of the mandate set out at Article 5.0.3.1(c):

- (a) External Availability Data.
- (b) Internal Self-identification Representation Data for the most recent consecutive three contract years for which the data is available as of the November 1 preceding the contract year for which appointment decisions will be made.
- (c) Internal Self-identification Representation Data available as of November 1 each year correlated with employment-related information, including number of positions held, position type, and salaries, per Article 5.03.1(d).
- (d) Applicant Self-Identification Data pertaining to the appointment and selection procedures or programs listed by Article number in (i-iii) below, which serves as the sole source of equity data for individual applicants in regard to these appointment and selection procedures or programs:
 - (i) Article 12.04.1
 - (ii) Article 12.04.2
 - (iii) Article 23 Affirmative Action

(2) The Employer will annually report on equity data as follows:

- (a) By December 1 each year, the Employer will provide to the Employment Equity Committee non-confidential Internal Self-identification Representation Data broken down by department and faculty for the most recent consecutive three contract years for which the data is available as of the immediately preceding November 1, per Article 5.03.4(a)(ii).

Internal Self-Representation Data will be provided for individual academic units with 10 or more contract faculty members over the reporting period. For academic units with fewer than 10 contract faculty over the reporting period, the University will provide confirmation of whether that unit is below or has met the equity goal of fair representation for Equity Groups. Subject to any contrary recommendation from the Employment Equity Committee that is adopted by the Parties, for academic units with fewer than 10 contract faculty over the reporting period, Self-Representation Data will be provided for the Faculty as a whole, which serves as the basis for determining underrepresentation in these units per Article 5.04.4(b) below.

- (b) By December 1 of each year, the Employer will provide to the Employment Equity Committee non-confidential Internal Self-Representation data correlated with information including number of positions held, position

type, and salaries available as of the immediately preceding November 1, per Article 5.03.1(d).

- (3) The Employment Equity Committee may ask for specific analyses in respect of the Internal Self-Identification Representation Data to support its activities. Such requests will not be unreasonably denied, taking into account availability of resources and/or costs that may be involved.

5.03.5 Underrepresentation

(a) Representation Thresholds

Unless otherwise agreed upon and, in order not to interfere with the Employer's FCP obligations, where the representation percentages are not lower than those for the FCP Equity Groups in the External Availability Data for Canada as a whole, underrepresentation shall be understood to mean fewer employees who identify as belonging to one or more of the Equity Groups than the External Availability Data for Toronto.

Informed by this understanding of underrepresentation, the representation thresholds for the FCP Equity Groups current as of March 1, 2021 are as follows:

Women: 45.9%

Racialized: 30.9%

Indigenous: 1.4%

Representation data for persons with disabilities is not available either for Toronto or nationally.

(b) Determination of Underrepresentation in Academic Units with Few Contract Faculty

Where the number of contract faculty teaching in an academic unit render the Internal Self-Identification Representation Data for the academic unit unavailable, subject to any contrary recommendation from the Employment Equity Committee that is adopted by the Parties, the Internal Self-Identification Representation Data for the Faculty as a whole will be used to determine the representation thresholds for the academic unit. Fewer than 10 contract faculty in an academic unit over the 3-year reporting period will be considered too few to make Internal Self-Identification Representation Data available for the academic unit.

5.03.6 Intersectional Application of Underrepresentation Thresholds

For the intersectional application of underrepresentation thresholds, under Article 12.04.2 of the Unit 2 collective agreement, the following will apply:

- (1) In academic units where there are fewer than 45.9% members in the academic unit employed in bargaining unit work who identify as women and there are fewer than 30.9% members in the academic unit employed in bargaining unit work who identify as members of a racialized group, then an applicant who

self-identifies as a racialized woman (a woman who is a member of a racialized group) will be appointed.

- (2) If there are no racialized women applicants, then an applicant from the more underrepresented group (a woman or member of a racialized group) will be appointed.
- (3) If there are no applicants who self-identify as a member of either group or the academic unit has met both underrepresentation thresholds in (1), then an applicant who self-identifies as an Indigenous person or as a person with disabilities will be appointed.
- (4) If the academic unit has met the underrepresentation thresholds in (1) and there are no applicants from the FCP Equity Groups in (3) or there are no applicants from the FCP Equity Groups in (1) and (3), then an applicant who self-identifies as 2SLGBTQIA+ will be hired.

ARTICLE 6 – GRIEVANCE PROCEDURE

- 6.01 (i) A grievance shall be defined as any difference arising out of the interpretation, application, administration or alleged violation of this agreement. In the conduct of grievances, the employer shall act reasonably, non-discriminatorily and in good faith.
- (ii) A grievance shall be received within twenty-eight calendar days after the employee(s), or in the case of a policy grievance or union grievance as defined below, the union, became aware, or reasonably ought to have been aware, of the occurrence of the circumstances giving rise to the grievance.
- (iii) Notwithstanding (ii), and subject to Article 12.14, where the union queries an appointment or recommended appointment pursuant to Article 12.18 of the Unit 2 collective agreement, a grievance respecting that appointment or recommended appointment shall be considered if it is received within seventeen days of the date of the employer's response to the query, provided that the query is initiated within twenty-eight calendar days after the date of the "Notice of Recommended Appointment." The Employer will respond to the query within ten calendar days of the receipt of the query.
- 6.02 The employer acknowledges the rights and duties of the union officers and stewards to assist employees in preparing and presenting a grievance. The union may form a grievance committee for this purpose.
- 6.03 STEP ONE: If an employee believes they may have a grievance, they may first submit a grievance to and discuss the matter with their immediate Supervisor, accompanied by their steward if they so wish. The Supervisor shall give their reply within five calendar days.
- 6.04 STEP TWO: If the grievance is not resolved at Step One, or where Step One is not exercised, it shall be set forth in writing, be signed by the grievor and a union representative and given to their Chair or equivalent within fourteen calendar days. At this point, the written grievance shall contain details of the grievance, a statement of the matter in dispute, the specific provision(s) or interpretation of the agreement that allegedly has been violated and the relief sought. The Chair or equivalent shall convene a meeting to discuss the grievance within ten calendar days of the receipt

of the grievance and shall give their reply, in writing, within ten calendar days of that meeting.

- 6.05 STEP THREE: If the grievance is not resolved at Step Two, the Grievance Committee shall submit the grievance to the Dean of the Faculty in question within seventeen calendar days of the date of the Step Two reply. The Dean or their designated representative shall convene a meeting to discuss the grievance within fourteen calendar days of the receipt of the grievance and shall give their reply, in writing, within ten calendar days after that meeting.
- 6.06 STEP FOUR: If the grievance is not resolved at Step Three, the grievance committee shall submit the grievance to the Executive Director, Faculty Relations within seventeen calendar days of the date of the Step Three reply. The Executive Director, Faculty Relations or their designated representative shall convene a meeting to discuss the grievance within fourteen calendar days of receipt of the grievance and shall give their reply, in writing, within twenty-one calendar days of that meeting.
- 6.07 If the grievance is not settled at Step Four, it may be taken to Arbitration by a written notice signed by a chief steward and submitted to the Office of the Executive Director, Faculty Relations within twenty-eight calendar days after receipt of the employer's written reply as required in Step Four. The written notice shall contain details of the grievance, the specific provision(s) or interpretation of the agreement that allegedly has been violated, and the relief sought from the Arbitrator or Arbitration Board.
- 6.08 Subject to Article 6.14, the Parties agree to follow the Grievance Procedure in accordance with the steps, time limits and conditions contained herein. If at Steps Two and Three, the employer's representative fails to give their written answer within the required time limit, the union and the employee may file the grievance at the next Step at the expiration of such time limit. If the employee or the union fail to follow the grievance procedure in accordance with the required steps, time limits and conditions the grievance shall be deemed withdrawn.
- 6.09 GROUP GRIEVANCE: A group grievance, resulting from a consolidation of similar individual grievances seeking a common redress, may be initiated at Step Two if the employees are all employed within a single hiring unit, or at Step Three if employed in different hiring units, or at Step Four if employed in different Faculties.
- 6.10 POLICY GRIEVANCE: A policy grievance, defined as involving a question of general application or interpretation of this agreement, may be initiated by the union at Step Three or Step Four, as appropriate, subject to the time limits set out in 6.01 above.
- 6.11 UNION GRIEVANCE: The union and its representatives shall have the right to originate a grievance on behalf of an employee, or a group of employees, or the union, and to seek adjustment with the employer in the manner provided for in this article. Such grievances shall be initiated at Step Three.
- 6.12 If the union notifies the employer in writing of an alleged violation of the collective agreement but indicates a decision not to grieve, this decision shall be without prejudice to grievances on similar matters. Such notification shall include a detailed statement of the matter in dispute and the specific provision(s) or interpretation of the agreement that allegedly have been violated.

- 6.13 The withdrawal of a grievance at any Step shall be without prejudice to grievances on similar matters if the employer receives written notification of this decision from the union. Settlements by the employer of grievances at Steps One and Two shall not prejudice the position of the employer or the union with respect to other grievances.
- 6.14 Any of the time allowances set out in this article may be extended by mutual agreement. The Parties agree that such agreement shall not be unreasonably withheld.
- 6.15.1 In exceptional circumstances, the union may apply to the Office of the Executive Director, Faculty Relations for expedited processing of a grievance. The Office of the Executive Director, Faculty Relations shall respond to this application within seven calendar days. When it is agreed that circumstances warrant it, the Parties can agree to commence the grievance procedure at Step Four. Time limits set out in Article 6.01 above apply after the union has received the response from the Office of the Executive Director, Faculty Relations.
- 6.15.2 On application by the union, grievances alleging violations of Article 2.03, 4.01, 4.02, 4.03, 14.01 and grievances submitted pursuant to Article 10.02.6 (iii) of the Unit 1 collective agreement, shall be processed according to the expedited grievance procedure specified in this article.
- 6.16 The Parties recognize the principle of confidentiality and agree that the identity of the grievor(s) and the fact and substance of the grievance(s) shall only be made available on a need to know basis. The Parties further agree that a publication of a summary of the grievance(s) in a union newsletter shall not violate the principle of confidentiality.
- 6.17 No bargaining unit member in a supervisory capacity will be required to hear or attend the grievance hearings of another employee. The member in the supervisory capacity shall suffer no penalty in their employment or academic standing for exercising their rights under this article. In no way does this provision relieve the bargaining unit member of any other supervisory duties and responsibilities.
- 6.18 A grievor has the right to attend their grievance hearing at any step after Step One and not face their supervisor directly in such a hearing.
- 6.19 It is understood by the parties that, in the case of a successful or settled grievance, where the individual does not receive the agreed upon compensation within thirty days of the sign-off date, said payment will begin to accrue interest at the annualized rate which the University is receiving for its short-term investments at that time. The interest payment will be pro-rated.
- 6.20 Grievances concerning harassment, discrimination, or disability may be initiated at Step Four.

ARTICLE 7 – ARBITRATION

- 7.01 If the Union so they so wish, grievances shall be heard by a single Arbitrator or by a three-person Arbitration Board. If a single Arbitrator is requested by the Union, the Union shall, in its notice of intent to proceed to Arbitration, suggest a person to serve as Arbitrator. The Employer shall respond within ten working days, either agreeing to the Union's proposed single Arbitrator or suggesting alternative Arbitrators. If the Employer fails to respond within thirty-five working days, the grievance shall be deemed to be upheld on the basis of the redress sought by the Union. If the Parties cannot agree on an Arbitrator within thirty days, either party may request the Minister of Labour for the Province of Ontario to appoint a single Arbitrator.
- 7.02 The Union's request for a Board of Arbitration shall name that party's appointee to the Board of Arbitration. Upon receipt of the notice, the Employer shall, within forty-five days, advise the union of the name of its appointee to the Board of Arbitration. If the Employer fails to respond within forty-five working days, the grievance shall be deemed to be upheld on the basis of the redress sought by the Union.
- 7.03 The appointees to the Board of Arbitration shall then meet to decide upon the selection of the Chair of the Board. If the parties cannot agree upon the selection of the Chair within twenty-one days, either party may request the Minister of Labour for the Province of Ontario to appoint an impartial third member as Chair.
- 7.04 Each party shall bear the expenses of its representatives, participants, and witnesses and of the preparation and presentation of its own case. The fees and expenses of the Chair or single Arbitrator, the hearing room and any other expenses incidental to the Arbitration hearing shall be borne equally by the Parties. The Parties agree to use University facilities at no cost wherever possible.
- 7.05 The Board of Arbitration or single Arbitrator shall have no authority to add to, subtract from, modify, change, alter or ignore in any way the provisions of this agreement or any expressly written amendment or supplement thereto or to extend its duration, unless the Parties have expressly agreed, in writing, to give it or their specific authority to do so or to make an award which has such effect.
- 7.06 Notwithstanding Articles 6.08 and 6.14, both Parties agree that if an Arbitrator determines that the Union has shown reasonable cause for a violation of time limits, the Arbitrator may hear the grievance.
- 7.07 The Arbitration Board or single Arbitrator shall have the authority to fashion a remedy appropriate in the circumstances to resolve the grievance regardless of the form in which the grievance was filed, except as provided in Article 12.17.4.
- 7.08 Should the parties disagree as to the meaning of the Board's decision, either party may apply to the Chair of the Board of Arbitration or single Arbitrator to reconvene to clarify the decision, which they shall do within five days.
- 7.09 Any of the time allowances set out in this article may be extended by mutual

agreement. The parties agree that such agreement shall not be unreasonably withheld.

- 7.10 The parties agree that a Board of Arbitration or single Arbitrator shall have the authority to resolve any matter referred pursuant to Article 10.04.2.

ARTICLE 8 – DISCIPLINE

8.01.1 JUST CAUSE

The employer shall not discipline, suspend or discharge an employee unless there is just cause. In any grievance over disciplinary action, the burden of proof of just cause lies with the employer.

- 8.01.2 The employer agrees that an employee shall not be disciplined solely for failure to perform their duties because they are arrested and/or incarcerated provided that the employee notifies their Supervisor of the arrest and/or incarceration and the expected duration thereof as soon as possible. Further, it is understood that loss of salary for failure to perform scheduled duties shall not constitute discipline in the context of this article.

8.02.1 PROGRESSIVE DISCIPLINE

The employer accepts and gives effect to the concept of progressive discipline by adopting the procedures set forth below.

- 8.02.2 The employer may impose discipline only in accordance with the provisions of this article, and any discipline imposed which does not accord with this article shall be null and void.

8.02.3 CONFIDENTIALITY

The fact and substance of disciplinary investigations shall be treated as confidential by the employer and the union. It is a violation of confidentiality for the employer to disclose the fact and/or substance of a disciplinary investigation to people being interviewed as part of that investigation. It is no violation of confidentiality to divulge pertinent information to those necessarily involved in the investigation and the processing of the complaint.

- 8.03.1 Subject to 8.03.3:

STEP ONE: NOTICE OF MEETING

- (i) Prior to any consideration of discipline, the Chair or Dean or designate, who has received a Formal Complaint under the University's Draft Procedures for Dealing With Complaints of Harassment or Discrimination, or a complaint concerning the professional performance and/or conduct of an employee which is inappropriate to the employment relationship, including sexual and/or gender or racial and/or ethnic harassment, shall, within twenty-one calendar days of receiving the complaint, notify the employee and the union and schedule a meeting to discuss the subject matter of the complaint informally. (Where there has been a Formal Complaint under the University's Draft Procedures for Dealing With Complaints of Harassment or Discrimination, it is understood that an investigation into such a complaint can require a longer process. It is agreed that any such investigation shall be conducted as expeditiously as possible so as to be completed within 90 calendar days of the initial Step One Meeting, or

such longer time as the parties may mutually agree.) Such Notice of Meeting shall be in writing using a letter or letters similar to the form contained in Appendix C and shall contain a brief but clear statement of the allegations which form the basis of the complaint, of the employee's right to union representation at the meeting, as well as the time, place and date of the meeting, and shall inform the employee that they may request an alternative meeting time.

- (ii) If the complaint is not dismissed or otherwise resolved as a result of the meeting referred to in 8.03.1(i), or where the employee waives explicitly, or implicitly by not attending, their opportunity for such meeting, and the Chair, Dean, Director or designate determines that further action is warranted, they shall do one of the following:
 - (a) where the employee concerned is within two years of the start date of their first appointment in Unit 2, establish a Competence and Ability Review Period (CARP) subject to Article 12.09.2 of the Unit 2 collective agreement;
 - (b) initiate a formal evaluation pursuant to Article 13;
 - (c) send a Letter of Warning to the employee.

NOTE: If an employee, who by not attending implicitly waives their opportunity for such meeting, notifies the Chair, Dean, Director or designate as soon as possible of reasonable cause for non-attendance, the action per (a), (b), or (c) shall not apply unless and until the opportunity for a second meeting is provided.

- (iii) The decision to establish a CARP or to initiate a formal evaluation (per (a) or (b) above) shall be communicated in writing to the employee within fourteen (14) calendar days of the meeting date or the date scheduled for the meeting. Where a letter respecting establishment of a CARP or initiation of a formal evaluation is sent to an employee, the union, the hiring unit, the Office of the Dean, and the Office of the Executive Director, Faculty Relations shall be the only parties to receive a copy.
- (iv) The decision to establish a CARP or to initiate a formal evaluation (taken per (a) or (b) above) shall not be construed as discipline and shall not form part of the employee's disciplinary record, and cannot be used against an employee in any decision made with respect to their present or future employment, other than as specified in Article 8.03.1(i) and Article 8.03.4.

8.03.2 STEP TWO: LETTER OF WARNING

- (i) The decision to send a Letter of Warning (per above) shall be communicated in writing to the employee within fourteen (14) calendar days of the meeting date or the date scheduled for the meeting. Where a Letter of Warning is sent to an employee, the union, the hiring unit, the Office of the Dean, and the Office of the Executive Director, Faculty Relations shall be the only parties to receive a copy.
- (ii) The Letter of Warning shall state that discipline may be considered, in accordance with the procedures herein contained, following a repetition of the act or omission which is the subject matter of the complaint and/or, where the complaint concerns the standard of the employee's work, if the employee fails to bring their work up to a reasonable standard by a given date. Such date shall give the employee reasonable opportunity to correct the problem(s) referred to in the Letter of Warning.

(iii) The decision to send a Letter of Warning [taken per 8.03.1(ii)(c)] shall not be construed as discipline and shall not form part of the employee's disciplinary record, and cannot be used against an employee in any decision made with respect to their present or future employment, other than as specified in Article 8.03.1(i) and Article 8.03.4.

8.03.3 Notwithstanding 8.02.1, 8.03.1, and 8.03.2, it is understood that the employer retains the right, in exceptional circumstances, to discipline an employee for just cause without having first issued such a written warning, subject to Articles 6 and 7 and to the procedures outlined below.

8.03.4 It is further understood that the employer is not precluded by this article from relying on and introducing as evidence at any stage of the grievance and arbitration procedure the employee's previous disciplinary record. Any relevant warnings previously issued can only be introduced as evidence that the employee has received Notice as specified in 8.03.1 (ii).

8.04.1 STEP THREE: DISCIPLINE MEETING

Prior to imposing discipline, and within fourteen days of becoming aware of circumstances which, in their opinion, provide prima facie grounds for disciplinary action, the Dean or their designate shall notify the employee and the union in writing of the time and place of a meeting to discuss the matter and shall advise the employee of their right to union representation. Such notice shall contain sufficient information and details of the complaint to enable the employee to make adequate response to the allegations.

8.04.2 NOTIFICATION OF ACTION

The Dean or designate: (i) shall within fourteen days of such meeting advise the employee in writing, with a copy to the union, of their decision, and shall include the reasons for such decision if disciplinary action is to be taken; (ii) shall, where the discharge or the suspension without pay of the employee is being considered, delay the imposition of discipline for seven calendar days (pro-rated for the sessions other than fall/winter, but not fewer than three working days), on request from the union and/or the employee.

8.05 It is agreed that the employer has the right in exceptional circumstances to suspend an employee during the period of its consideration of the matter, including the delay in 8.04.2 (ii), and prior to the imposition of any other discipline. In all such cases the suspensions shall be with pay.

8.06 Notwithstanding 8.03.4, any discipline or warning shall not be used against an employee after a period of twenty-four months from the date of the warning or discipline.

8.07 If the employee wishes to grieve their discipline, when the disciplinary action is not a discharge, the grievance may be initiated at Step Three. If they wish to grieve their discharge, it may be initiated directly at Step Four. In either case, the grievance shall be presented within fourteen calendar days of the date of the letter provided for in 8.04.2 (i).

8.08 Any of the time allowances set out in this article may be extended if mutually agreed to in writing by the employer and the union. Such agreement shall not be

unreasonably withheld by either party.

- 8.09
- (i) No bargaining unit member in a supervisory capacity will invoke the disciplinary provisions of this collective agreement on any other bargaining unit member employee. The member in a supervisory capacity shall refer all complaints in which discipline may be indicated to their immediate supervisor (e.g., the Chair). The employer retains the right to interview the member prior to proceeding further.
 - (ii) No bargaining unit member in a supervisory capacity shall be required to attend pre-disciplinary (per 8.03.1) or disciplinary (per 8.04.1) hearings.
 - (iii) No bargaining unit member in a supervisory capacity shall be held responsible for the act or omission that is the subject of a complaint or discipline, or any consequences deriving there from, of any other employee. This in no way relieves the bargaining unit member of any of their supervisory duties and responsibilities.
 - (iv) No bargaining unit member in a supervisory capacity shall suffer any penalty in their employment or academic standing for exercising their rights under this article.

ARTICLE 9 – NO STRIKES/NO LOCKOUTS

- 9.01 The union undertakes there will be no strike and the employer undertakes there will be no lockout so long as this agreement continues to operate. The meaning of the words “strike” and “lockout” shall be as defined in the Ontario Labour Relations Act.
- 9.02 In the event that any employee of York University, other than those covered by this agreement, engages in a lawful strike and maintains picket lines, employees covered by this agreement shall not be required to perform work normally done by that employee.

ARTICLE 10 – POSITIONS AND RATES OF PAY

- 10.01 The Parties recognize that many variables are associated with identifying and defining the requirements for preparing and teaching in a course. Nevertheless, the under noted position titles and minimum salary or hourly rates shall apply and, so far as practicable, the duties and responsibilities of a particular appointment shall be discussed and agreed upon prior to the start of that appointment.
- 10.02 Members of the bargaining unit appointed to any of the under noted positions shall normally be appointed for a full academic session. However, if a fractional appointment is made, the salary shall be pro-rated.
- 10.03.1 Salaries shall be paid in equal monthly instalments over the period of the appointment, and a statement of earnings and deductions will be provided, also on a monthly basis. When an appointment has not been processed in time to effect payment on the normal payday of the first month, the employer shall make that payment as soon as practicable. An employee shall have the right to complete a Revenue Canada TD form.
- 10.03.2 For employment insurance purposes only a course instructor for a 6- credit course

will be deemed to have worked 535 hours. Other assignments will be pro-rated.

10.04.2 DEFINITIONS

“CLINICAL COURSE DIRECTOR (School of Nursing)” shall be defined as an individual with current registration to practice as a Registered Nurse (RN) and whose primary activity is to provide practical instruction to students in clinical, lab and virtual space settings [“experiential learning settings”] on the application of practical knowledge. The CCD’s responsibilities include the teaching, supervising (direct and

indirect), and mentoring of students in respect of nursing practice in the experiential learning settings, and associated duties that are directly related to the practicum such as: assessment/evaluation, communication with students, communication and coordination with placement contacts and management or oversight of the learning environment to facilitate consistent learning opportunities.

“COURSE DIRECTOR” shall be defined as an individual assigned sole or principal responsibility for the design and/or presentation of a course (except where the course is a 1000-level College Course) or an individual assigned these responsibilities in a team-taught course. For the purposes of calculating salary and experience, it is recognized that one course director position normally consists of three contact teaching hours per week in the fall/winter session, or the pro-rated equivalent in other sessions. It is also recognized, however, that there are anomalies which deviate from this norm for a variety of reasons which may include but are not limited to: the nature and level of the course and pedagogy involved; the amount of out-of-class preparation time; the size of the class; the number of weeks in the session and/or reasonable Faculty/Unit practices. The Parties agree that the identification of a position as an anomaly may justify remunerating that position at a salary higher or lower than specified in Article 10.04.1. In such cases, the parties shall negotiate and agree upon the remuneration for such positions. This provision applies to the identification of any position with anomalous contact hours created after June 23, 1994, or to any proposed changes to any existing position with anomalous contact hours effective after June 23, 1994. Where the parties fail to agree upon the remuneration for any such position, the question may be referred directly to Arbitration in accordance with Article 7.10.

“TEAM LECTURER” shall be defined as an individual responsible for a portion of a course as part of a team in a team-taught course.

“TUTORIAL LEADER” shall normally be defined as an individual who prepares for and conducts a tutorial, evaluates work of the students within the tutorial and performs related duties as directed by the course supervisor, but who is not assigned principal responsibility for the design and/or presentation of a course. For the purposes of calculating salary and experience, it is recognized that one tutorial Leader (tutor 1) position normally consists of one (1) one-hour tutorial group per week in the fall/winter session, or the pro-rated equivalent in other sessions. It is also recognized, however, that there are anomalies which deviate from this norm for a variety of reasons which may include but are not limited to: the nature and level of the course and pedagogy involved; the amount of out-of-class preparation time; the size of the class; the number of weeks in the session and/or reasonable faculty/unit practices. The parties agree that the identification of a position as an anomaly may justify remunerating that position at a salary higher or lower than specified in Article 10.04.1. In such cases, the parties shall negotiate and agree upon the remuneration for such positions. This provision applies to the identification of any position with anomalous contact hours created after June 23, 1994, or to any proposed changes to any existing position with anomalous contact hours effective after June 23, 1994. Where the parties fail to agree upon the remuneration for any such position, the question may be referred directly to Arbitration in accordance with Article 7.10.

“INSTRUCTOR (FACULTY OF EDUCATION)” shall be defined as an individual in the Faculty of Education who is assigned secondary responsibility for the

presentation of a course in which a course director is also appointed and for which the team lecturer model is not applicable. It is understood that the workload entailed in an instructor assignment shall constitute no more than one-third of the workload in that course.

“TUTOR 3” shall be defined as an individual who marks and grades students’ work, and who may perform related duties such as consultation with students and invigilation, but who is not assigned principal responsibility for the design and/or presentation of a course or for the conduct of tutorial groups.

“MUSIC TUTOR” shall be defined as a professional-level musician/teacher who is contracted by the Department of Music to teach private instrumental/vocal lessons in performance and/or to coach/lead/conduct music performance sectionals in courses (i.e. chamber music ensembles, jazz combos, world music ensembles, choirs, workshops, repertoire choirs etc.) and other related duties as assigned by the course director. Music Tutor appointees are not responsible for recitals, performance juries or concerts. However, the duties may include marking in the individual sessions, including attendance, performance levels and written work associated with those sessions. For the purpose of calculating experience it is recognized that 70 hours of Music Tutor is equivalent to one type 2 unit of applicable prior experience.

“OTHER POSITIONS” In all cases of positions not classifiable under the above titles, the employer shall inform the union and supply a description of the duties of the position, the type assigned to the position on the basis of such duties, and the rate of pay, whereupon the union and the employer shall review the appointment if the union so desires.

- 10.04.3 The parties agree that the identification of a position as an anomaly may justify remunerating that position at a salary higher or lower than specified in Article
- 10.04.1. It is recognized that the introduction of technology may result in the creation of an anomaly. In such cases the parties shall negotiate and agree upon the remuneration for such positions. This provision applies to the identification of any position as a technological anomaly created after November 22, 1996. Where the parties fail to agree upon the remuneration for any such position, the question may be referred directly to Arbitration in accordance with Article 7.10.
- 10.04.4 The Labour/Management Committee shall be responsible for reviewing contact hours anomalies. Hiring units which have anomalies shall, upon request, provide the Committee with a written rationale for these anomalies. The Committee shall, taking into consideration all of the information it has before it, develop criteria defining such anomalies and establish procedures whereby these anomalies may be approved by agreement of the Parties.
- 10.04.5 Any employer-provided training or orientation for a bargaining unit position shall be considered part of the duties and responsibilities of that position and shall normally be scheduled during the period of that position. Any employer-required training or orientation scheduled outside the period of the position shall be paid at the tutor 3 rate. Where the employer is requiring that an employee attend training or orientation the employee will be provided with timely, advance notice. The provisions of this

article apply where the training required is occasioned by technological change.

- 10.04.6 Music tutors who ultimately end up having no one to tutor because the students(s) auditioned fail to be accepted into the program will be compensated at the hourly rate for the time they have spent auditioning. Further, unless otherwise compensated for in their contract, music tutors will be compensated for non-contact hours required by the hiring unit and approved in advance by the Chair. Examples of non- contact hours include, but are not limited to, participation in examinations, exam preparation and recital preparation.

10.05 TECHNOLOGY AND INSTRUCTION

- 10.05.1 Where email communications take place, the employee shall provide students with an email contact address and may, acting reasonably, determine not if but when and to what extent email responses are to be provided.
- 10.05.2 Once an employee has been appointed to a course director position for a particular session, they will not be required to convert that course to an alternate mode of delivery.
- 10.05.3 No member shall be denied a teaching position where technology is required for the proper instruction of the course owing to a lack of technological knowledge or skill without being provided the opportunity to a) access training to upgrade their skills or b) demonstrate their technological competency.
- 10.05.4 Where technology is not required for the proper instruction of the course, no member shall be denied a teaching position owing to lack of technological knowledge or skill.
- 10.05.5 Where technology is required for the proper instruction of the course, the employer shall ensure that the appropriate equipment is readily accessible.

10.05.6 TRAINING OPPORTUNITIES

The employer shall inform employees of available resources for training and shall not unreasonably deny employees opportunities to participate or access such resources.

- 10.05.7 University-provided orientation for a clinical course directorship (CCD) will be expected to be no more than 16 hours in the academic year in which it is offered where an individual has taught the CCD within the previous three years. Orientation otherwise will be expected to be no more than 24 hours in the academic year in which the CCD is offered.

11.01.3 The qualifications posted for all positions in the bargaining unit must be reasonable and demonstrably relevant to the posted position, including in cases where tutor

positions are posted in Unit 1 and Unit 2. In the Department of Nursing, qualifications set with respect to current practice will be reasonably connected to the duties of the position.

- 11.01.4 Effective summer 1999, postings shall state that “equivalencies shall be recognized as per Article 12.04 of the Unit 2 collective agreement”.
- 11.02 Positions shall be posted and archived electronically by the hiring unit in a location accessible to employees and the union. All postings shall contain the following statement: “York University encourages applications from Aboriginal peoples, persons with disabilities, members of visible minorities, and women and invites applicants to review the University’s Employment Equity Plan for employees in CUPE 3903, a copy of which is at <http://fr.info.yorku.ca/>. Each hiring unit will number its postings sequentially as a given number within a series. Hiring units will continue to maintain a bulletin board for information directed to employees in the bargaining unit.
- 11.02.1 (i) Except as otherwise provided, all positions in Unit 2 shall be posted as they arise, clearly identified as Unit 2, and shall identify to the extent possible the course, the classification and reasonable qualifications of the position, the salary, the projected class enrolment (where relevant), and the application deadline. The qualifications for a position shall be stated as “required”, “preferred” and “desirable.” Projected class enrolments identified in postings may not exceed marker/grader assistance levels (“triggers”) specified in Article 16.05.1.
- (ii) Training or orientation for a bargaining unit position, including training required as the result of the introduction of technological change, if required by the employer, shall be considered part of the duties and responsibilities of the position and shall not be considered a qualification for the position.
- (iii) In posting course director positions, specific texts or materials shall only be included in the Responsibilities section. The list of texts or materials shall not be so exhaustive as to infringe on academic freedom by preventing the course director from supplementing the text or materials or from presenting alternative perspectives or approaches.
- (iv) Where different types of positions in one course are posted together, the qualifications for those positions shall be listed separately, with the exception of team taught (team lecturers) courses.
- 11.03 The Employer shall designate a Postings Officer who shall be available to consult with the Union.
- 11.04.1 The Union may notify the Employer’s Postings Officer of postings which in its view do not comply with the technical requirements of this article. The Postings Officer shall consult with the responsible union representative(s) within two working days of receipt of such notice, and if they have not already requested the appropriate hiring unit(s) to amend or re-post the particular posting(s) to the union’s satisfaction, the Union may meet with the Chair or Dean to discuss the problems with the particular posting(s). At the Union’s request, the Postings Officer shall attend such a meeting, where practicable

11.04.2 A Joint Subcommittee of the Joint Labour Management Committee will be established following ratification of the 2014-2017 collective agreement to address issues and concerns related to postings.

11.05 **NEW OR REVISED POSTINGS**

11.05.1 Where a hiring unit has made substantive changes in the qualifications to a posting since the last posting for the position in question, or where a position is being posted in the hiring unit for the first time, the posting notice shall be designated as NEW in large, bold type and the changes will be highlighted in the posting. Where a hiring unit has made other changes to a posting since the last posting for the position in question a posting notice shall be designated as REVISED in large, bold type and the changes will be highlighted in the posting.

11.05.2 Both the union and the employer's postings officer will be provided with copies of NEW postings as soon as practicable and, in any event, no later than two weeks in advance of the Common Posting Date. The union will notify the employer's Postings Officer as soon as practicable regarding postings which, in its view, contain unreasonable Qualifications language. The Postings Officer shall meet with the responsible union representative in order to review challenged postings. If possible they will agree to existing or amended language, but regardless of their agreement or lack of, the review will be concluded no later than two working days before the Common Posting Date and the posting will be posted. Subsequent to the Common Posting Date, postings which remain under challenge will either be the subject of continued discussion or subject to the normal grievance procedure.

11.05.3 Any agreement or discussion over NEW postings is without prejudice to either party should the union file an individual grievance for an employee in which the reasonableness of the qualifications, as they apply to the grievor's application and/or qualifications for the position, are at issue.

11.05.4 The union is estopped from filing a policy grievance over NEW postings which have been signed off per 11.05.2.

11.06 Notwithstanding Article 11.05.2, where a posting is not NEW, within five days of the receipt of a written request, the employer shall provide the union with a written rationale for any qualification.

11.07 Upon application by the union, the employer shall expedite the processing of any grievances respecting postings, in accordance with Article 6.15.1.

11.08 Each position shall be posted for at least two weeks before being filled, except where a position arises after August 1, or is otherwise unfilled three weeks or less prior to the commencement of the appointment. In no event shall a position be posted for fewer than 48 hours between 9:00 a.m. Monday and 5:00 p.m. Friday (for example 11:00 a.m. Monday to 11:00 a.m. Wednesday or 11:00 a.m. Friday to 11:00 a.m. Tuesday). Unless otherwise addressed in this collective agreement, it is understood that, in the absence of exceptional circumstances, course directors shall be advised in writing of their appointments at least six weeks in advance of the beginning of classes for the term in which the course will be offered in order to allow for adequate preparation time.

11.09 COMMON POSTING DATES

11.09.1 Except in exceptional circumstances, all postings for positions in the bargaining unit will be posted per the following schedule:

- (i) for the fall/winter session, all but tutor 1 positions will be posted by April 22; and applications accepted up to May 6; and
- (ii) for the fall/winter session tutor 1 positions will be posted no later than May 31; and applications will be accepted up to June 15; and
- (iii) for the summer session, the positions will be posted by January 31 and applications accepted up to February 14.

11.09.2 It is understood that “exceptional circumstances” per 11.09.1 may include, but are not limited to, events such as unexpected resignations, retirements, leaves, illness or rejection of a full-time offer, or a bargaining unit employee unexpectedly declining an offer or withdrawing from a position. Where possible, such positions will be posted on August 1 for the fall and fall/winter sessions, April 1 for the summer session and December 1 for the winter session, per the Late Appointments procedures.

11.10 LATE POSTINGS

If exceptional circumstances per 11.09.2 require a position to be posted on or after August 1, the position will be posted for no fewer than 48 hours between 9:00 a.m. Monday and 5:00 p.m. Friday (for example 11:00 a.m. Monday to 11:00 a.m. Wednesday or 11:00 a.m. Friday to 11:00 a.m. Tuesday). However, where a position for the winter term, and despite Article 11.08, unless the position will commence in 3 weeks or less it shall be posted for at least two weeks (for example, a position posted on November 15 for January 2 in the winter term would still be posted for at least two weeks from November 15).

11.11 Positions for Computer Lab Monitors (formerly “Computer Centre Advisors”) shall normally be posted as a total number of hours available for the fall session or the winter session. Such positions shall normally be for at least six hours per week, but shall not be for more than twenty hours per week throughout either session. Positions shall be subject to the scheduling needs of the hiring unit.

11.12 The Employer may withdraw a posting for which there are no qualified applicants at any time after the period of obligatory posting. Where a position has been posted in both units, and a query or grievance has been filed against a recommended appointee in Unit 2, and there remains at least one Unit 2 applicant for the position with the required qualifications, that position shall remain in Unit 2. Where there are qualified applicants and no grievance has been filed, the employer may withdraw a posted position before a written offer of appointment is made up to:

- (a) for course directors, team lecturer, writing instructor and instructor (Faculty of Education) four weeks prior to the commencement of classes;
- (b) for tutor 1, tutor 2, tutor 6 and coach (Fine Arts) three weeks prior to the commencement of classes;
- (c) for tutor 3, tutor 4 and computer centre advisors two weeks prior to the commencement of classes;

11.13 Subject to the limitations arising out of the confirmation of a practicum arrangement with a third party, placement confirmations for clinical course directors (CCDs) in the School of Nursing shall be posted at least four weeks in advance of the start date.

- (ii) The contract year (September 1 to August 31) will be used for the purposes of determining whether the eligibility criteria for Continuing Sessional Standing have been met.

12.01.3 Continuing Sessional Standing Program Guarantee

Employees with Continuing Sessional Standing who have a minimum average annual teaching intensity of 2 Type 1 or equivalent positions over the previous 5 contract years and who are offered 2/3 or less of their average number of Type 1 or equivalent positions based on the previous 5 contract year period will, upon application, receive as a one-time payment of 1/4 of the rate for each position less than their average number of Type 1 or equivalent positions. For example, if an employee with Continuing Sessional Standing has an average annual teaching intensity of 3 Type 1 or equivalent positions over the previous 5 contract years and is offered 2 Type 1 or equivalent positions, then upon application the employee will receive 1/4 of the rate for 1 Type 1 or equivalent position. If the employee is for a second time offered 2/3 or less of their average annual number of Type 1 or equivalent positions based on the previous 5 contract years, the employee will receive a one-time payment of 1/8th the rate for each position less than their average number of Type 1 or equivalent positions.

To qualify for the payment described in the paragraph above an employee must have:

- (a) provided notice of participation in the Continuing Sessional Standing exercise to all applicable hiring units (i.e., all hiring units whose curriculum includes courses for which, if offered as Unit 2 bargaining unit work, they would be the most senior incumbent candidate); and

An employee who is twice offered 2/3 or less of their average number of Type 1 or equivalent positions based on the previous 5 contract years and has received the two one-time payments described above may either elect to opt out of the program or accept the number of positions offered. 12.01.4 Cessation of Continuing Sessional Standing

Employees who meet the eligibility criteria for Continuing Sessional Standing shall maintain this status for a minimum of five contract years and shall continue in this status for successive five contract year periods provided that as of the September 1 at the end of each five contract year period, they have a minimum average annual teaching intensity of 2 Type 1 or equivalent positions over the five contract year period just completed. In the event that the employee's average annual teaching

intensity is lower than 2 Type 1 or equivalent positions at the end of a five contract year period, they will no longer have Continuing Sessional Standing.

Employees whose Continuing Sessional Standing is renewed will be advised of such by the Employer by October first of the academic year in which the renewal occurs.

12.02 APPLICATIONS

12.02.1 (i) All applicants for positions must apply directly and in writing, providing an updated application (specific or general, see Appendix F) and current curriculum vitae, unless a current curriculum vitae is already on file, to each of the hiring units in which they seek employment. In the School of Nursing, applicants will be responsible for highlighting in a separate section of their current curriculum vitae any required current practice qualifications.³ A general application shall be submitted between 15 November and 31 January, and shall apply to all positions in the hiring unit for all academic sessions that commence during the twelve months following 31 January. The employer agrees to notify all employees of the dates for submitting general applications. The employer undertakes that no appointments shall be made prior to 31 January. Any applications submitted outside of these dates shall be specific to a particular position(s).

(ii) During the month of June, employees whose qualifications have changed substantively may submit new or revised replacement blanket applications to a hiring unit(s) which shall apply and be considered for all positions posted in that hiring unit(s) on or after August 1.

12.02.2 The Employer will provide the applicant with a dated receipt of application signed by the person(s) in the hiring unit designated to receive CUPE 3903 applications. If the application is delivered by the applicant, the receipt will be returned immediately and by hand to the applicant. If the application is delivered by mail, the receipt will be returned by mail to the applicant's home address provided the applicant supplies the hiring unit with a self-addressed, stamped envelope.

12.03.1 The Union acknowledges that the criteria the Employer must use in selecting a candidate for a position the Employer decides to fill are the candidate's competence and ability to perform the various duties of the position.

12.03.2 "Applicable prior experience" is defined as previously gained experience in the same discipline or in a discipline which is not academically remote from that in which the appointment occurs. Applicable prior experience shall be calculated in keeping with the formulae set forth in this article respecting types of positions and their

³ For information and illustrative purposes: Starting with the 2021-22 posting exercises the School of Nursing would revise its postings for Clinical Course Director positions to substitute the current phrasing regarding Proof of Practice with new phrasing regarding the documentation of any required current practice (144 hours over the last 12 months prior to the submission of this application) qualifications. That phrasing would indicate that applicants are required to highlight this required current practice qualification in a separate section of their current CV submitted with their application. This information will include

- the type of work (i.e., specific nature of the clinical practice)
- the location(s) where it was performed
- the number of hours completed

equivalencies.

12.03.3 The Employer shall establish and maintain a computerized applicable prior experience database.

12.04.1

Preamble: For the purposes of the 2020-2023 collective agreement, recognizing the shared goal of increasing representation in appointments of candidates who self-identify as Indigenous or Racialized the parties have agreed to prioritize appointment of such candidates as set out in 12.04.1(ii).

Appointments shall be made as follows:

- (i) In the exceptional circumstances in which a candidate for a position as course director or team lecturer is adjudged by the appropriate Dean or designate to be substantially and demonstrably more qualified, able and competent to perform the duties and responsibilities of the position than all other candidates for the position, that candidate may be appointed to the position. Where such a candidate is appointed, the hiring unit shall forward to the union the name of the successful candidate, their curriculum vitae, and any other non-confidential information that formed the basis of the hiring, with a copy to the candidate who otherwise would have received the position.
- (ii) Pool of Candidates with Required and Preferred Qualifications:
 - (a) Where no appointment is made under (i), then the appointment shall be made from among the candidates with the required and preferred qualifications, according to the provisions of 12.04.1(iv) and, for appointment processes commencing subsequent to September 1, 2021, according to the provisions of 12.04.1(ii)(b-g):
 - (b) Where there is one or more candidates who as per Article 12.06.1 holds incumbency in respect of the course and are in the pool of candidates with required and preferred qualifications and who self-identify as Indigenous or racialized, and
 - (c) Where the data indicates that the Academic Unit in which the appointment is occurring has not met the threshold targets for representation of Indigenous or racialized as per Article 5.03.4;
 - (d) Then the appointment to the position shall be made to an Indigenous or racialized candidate; and if there is more than one such candidate the appointment shall be made according to the provisions in Article 12.04.1(iv);
 - (e) Where such an appointment is made as per (d) and there is a candidate who does not self-identify as Indigenous or racialized and who would have otherwise been appointed to the position by virtue of their seniority and who has incumbency under Article 12.06(1) then such a candidate shall be dealt with under the Letter of Understanding re "Priority for Indigenous or racialized Candidates - Article 12.04.1".
 - (f) No grievance will be filed challenging an appointment made under (d).

- (iii) Pool of Candidates with Required Qualifications:
Where no appointment is made under Article 12.04(ii) because no candidate has the required and preferred qualifications, then the appointment shall be made from among the candidates with the required qualifications and according to the provisions in Article 12.04.(iv).
- (iv) (a) The candidate with the most experience gained in applicable teaching, demonstrating, tutoring and marking within the University, subject to Articles 12.09 and 12.10, shall be appointed and, where applicable prior experience is equal, the candidate with the desirable qualifications shall be appointed, except in the case of:

LONG-SERVICE OVERRIDE:

- (b) Where a candidate has a total of at least five years of service in the bargaining unit in each of which they have accrued applicable prior experience for one Type 1 position or its equivalent as provided by 12.06 (ii), and have at least three more years of such service than the number of years of such service of the candidate otherwise entitled to the position as per (iv)(a), they shall be appointed;
- (c) Where there is more than one candidate in (b), the candidate with the most years of such service shall be appointed except as follows;
- (d) Where two or more candidates per (c) have equal years of such service, the candidate with the most applicable prior experience shall be appointed;
- (e) Where two or more candidates have equal years of such service and equal applicable prior experience, then the candidate with the desirable qualifications shall be appointed.
- (f) Long Service Override (LSO) shall not apply to appointments that would result in a displacement of a person who is a member of an employment equity group for bargaining unit work. The LSO shall apply if the appointment would be made to a person who is themselves a member of an employment equity group for bargaining unit work.

For the purposes of the Long Service Override, service in Unit 1, including service accrued per Article 15.08.3, or as a full-time faculty contractually limited appointment at York, or per Article 17.06.1, shall count as bargaining unit experience.

- (i) Employees will have a cap on the number of appointments they are permitted to accept. The cap will be 5.5 type 1 or equivalent positions in the 12-month period beginning May 1 and 4.5 type 1 or equivalent positions in the fall/winter term. Fractional appointments shall count towards the cap. The Employer will take reasonable steps to identify and remedy breaches of this Article which could include cancelling appointments that put the member over the cap – see Appendix B. The Employer will provide a report on the performance of the cap to the Labour Management Committee in March and June of each year.

12.04.2

- (i) Where the applicants for a position have no previous applicable prior experience or have equivalent applicable prior experience and meet the Required and Preferred qualifications (or Required qualifications where no applicant has the

Required and Preferred qualifications) as posted, the position shall be awarded to such an applicant who has self-identified as a member of one or more Equity Groups, using the process for the application of underrepresentation of intersectional thresholds as set out in Article 5.03.5.

- (ii) Save and except for courses taught under 12.22, when a position is being posted in a Hiring Unit for the first time, priority will be given to applicants with the most applicable prior experience that meet the Required and Preferred qualifications (or Required qualifications where no applicant has the Required and Preferred qualifications) as posted and who have self-identified as members of one or more Equity Groups, using the process for the application of underrepresentation of intersectional thresholds as set out in Article 5.03.5.

EQUIVALENT QUALIFICATIONS

12.04.3 In keeping with the principle that the posting/application process be as fair and expeditious as is reasonably possible, and in consideration of the previous decisions between the parties, it is understood that it is primarily the responsibility of the applicant to demonstrate that they meet (but not necessarily have) the posted qualifications by providing the hiring unit with clear and sufficient information/evidence to make an informed judgement as to the kind, degree and appropriateness of qualification.

12.04.4 It is understood that, where an employee seeks to be appointed to a position on the basis of qualifications that are distinct from those posted for a position, it is the sole responsibility of the employee to bring these to the attention of the hiring unit unless in the past the applicant has successfully demonstrated to that hiring unit as per

12.04.4 below, that they have the academic qualifications equivalent to those posted or they have submitted materials which in their reasonable expectations make such equivalency sufficiently clear. The parties agree to charge the Labour/Management committee with the task of working out the details around the notification of equivalency in the application process.

12.05.3 In keeping with the principle articulated in 12.04.1, it is understood that if a degree differs in name only from the posted qualification it is deemed to be equivalent.

12.05.4 A hiring unit will accept academic qualifications as being equivalent to those that have been posted for under the Required and Preferred qualifications, provided that there is a clear relationship between such qualifications and the reasonable and relevant requirements of the position that is being posted by the employer; and provided that:

- (a) the qualification, at the time of application, must either have been conferred, assessed, or evaluated by academic(s)/professional(s) who are acknowledged experts in the field;
- (b) in the case of publications, have been published in a refereed journal or by a known publisher of academic works, or both;
- (c) where the academic qualification being sought is not a degree, the volume or intensity of the work must be sufficient to warrant equivalence to a degree (for example, a 3-page co-authored article is not equivalent to a specialization in the area at the graduate level).

It is further understood that the hiring unit is not required to accept non- academic life experience as being an equivalent qualification.

The employer agrees that it would not normally be reasonable to require Unit 2 candidates for 1st and 2nd year courses to meet qualifications exceeding those of members of the full-time faculty in the same area and with similar length of service to the University.

12.06 INCUMBENCY

12.06.1 Notwithstanding the required and preferred qualifications, a candidate who has held a given position within the past 36 months shall be deemed to meet both the required and preferred qualifications for the position provided that the nature and/or substance of the course have not been substantially altered. For candidates who are members of the Affirmative Action Pool the latter time will be increased to 42 months. Similarly, on the occasion of an employee returning to the bargaining unit from a contractually limited appointment of more than 36 months, the latter time limit will be increased to 42 months.

12.06.2 A candidate who has had a grievance upheld per 12.17.3, provided that the posting for the appointment grieved did not contain an error and that the successful grievor possesses reasonable qualifications required for the position, shall be deemed incumbent.

12.07 APPLICABLE PRIOR EXPERIENCE

In calculating the applicable prior experience of candidates for an appointment, the following formulae shall be applied:

(i) Type 1 appointments shall be counted as applicable prior experience for one another on a 1:1 ratio. In the case of Type 1 appointments to Team Lecturer or Administrative positions, such appointments shall be counted 1:1 on a pro-rated basis in relation to a full course director appointment.

Type 1 appointments shall count as applicable prior experience for Type 2 appointments, on the basis of 1 Type 1 appointment = 3 Type 2 appointments.

(ii) Type 2 appointments shall be counted as applicable prior experience for one another on a 1:1 ratio.

Type 2 appointments shall be counted as applicable prior experience for Type 1 appointments on the basis of 3 Type 2 appointments = 1 Type 1 appointment.

Employees who have not previously held a Type 1 position, upon being appointed to a course directorship, team lecturer or writing instructor position, may be required to upgrade their teaching/lecturing skills by attending the Centre for Support of Teaching.

In making appointments to Type 1 positions, applicable prior experience in Type 3 appointments shall be used as a tie-breaker provided that the competing candidates are equal in applicable prior experience, which must include experience in a Type 1 appointment, and have the “desirable” qualifications pursuant to 12.03.1(iv)(a).

In making appointments to Type 2 positions, applicable prior experience in Type 3 positions shall be used as a tie-breaker provided that the competing candidates are

equal in applicable prior experience and have the “desirable” qualifications pursuant to 12.03.1(iv)(a).

- (iii) In making appointments to Type 3 positions, applicable prior experience in Type 1, Type 2 and Type 3 positions shall be counted on a 1:1:1 ratio. It is understood that, in applying the 1:1:1 ratio (and that ratio only), each Type 1 and Type 2 applicable prior experience credit counts as one full Type 3 credit regardless of whether the experience accrued was in full or partial courses. All Type 3 applicable prior experience credit counts shall remain as they were prior to 1 September 1989. Effective 1 September 1989, for Type 3 positions, each block of 150 hours of Type 3 work, or portion thereof, in any given academic session, shall count as one full Type 3 applicable prior experience credit.
- (iv) Effective September 1, 1997 no employee shall accrue applicable prior experience credits of more than three Type 1 or equivalent positions in any academic year (1 September to 31 August). During the period 1 September 1988 to 1 September 1997 that limit is four. Prior to 1 September 1988 there is no limit.

NOTE: A possible exception will be the addition of Participation credits, depending upon the agreement of the parties.

12.08 To be considered as applicable prior experience within the bargaining unit, experience gained as a full-time faculty member at York University or experience otherwise gained outside the bargaining unit at York University shall be subject to all of the following stipulations:

- (i) One Type 1 equivalent non-bargaining unit position (or portion thereof) shall be counted for each Type 1 or equivalent (or portion thereof) of bargaining unit experience;
- (ii) No more than three Type 1 equivalent non-bargaining unit positions may be counted for any year in which experience is gained outside the bargaining unit;
- (iii) The total non-bargaining unit experience to be counted at any time cannot exceed the total accrued bargaining unit experience;
- (iv) Each unit of applicable prior experience accrued within the bargaining unit may only be used once for the purposes of counting experience gained outside the bargaining unit as prior experience within the meaning of Article 12.
- (v) It is understood that the above refers to degree-credit courses only. However, where applicable prior experience has included non-degree credit courses which have been counted as applicable prior experience prior to September 2005, members may continue to count that experience but no further non-degree credit courses may be counted as applicable prior experience.

12.09.1 No bargaining unit member shall have their 31 August 1981 applicable prior experience count reduced by the provisions of this collective agreement.

12.09.2 Beginning March 1, 2013 a seniority list (including all members who have submitted blanket applications for Unit 2 employment) will be publicly posted at <http://fr.info.yorku.ca/> on March 1 for summer and fall/winter hires. The posted seniority list shall be updated on October 1 and June 1 to include the seniority of those making specific applications.

12.09.3 The University will develop during the life of the 2017-2020 Collective Agreement, a system to allow members online access to their individual work histories.

12.10 BRIDGE

12.10.1 Experience gained for appointments held while a full-time graduate student employee in Unit 1 shall count as applicable prior experience as defined in Article 12.02.2, including executive service, per Article 15.08.3. Except where provisions of Article 12.05.2 apply, a candidate for their first appointment to a position in Unit 2 must clearly establish, per Article 12.02.1, their competence and ability to perform the duties and responsibilities of the position. An employee's Unit 1 Professional Performance and Service File may be used as a source of information in determining competence and ability, in accordance with Articles 8, 12 and 13.

12.10.2 Employees within two years of the start of their first appointment in Unit 2 may be required to serve a Competence and Ability Review Period (CARP), for cause, of up to two years in duration (to be determined by hiring unit) in a particular hiring unit if one of the following conditions is met:

- (i) where the Chair/Dean/Director or designate following an Article 8 complaint, pursuant to 8.03.1 (ii) determines that such action is warranted;
- (ii) where an informal or formal evaluation identifies a significant problem.

12.10.3 (i) Prior to the commencement of a Competence and Ability Review Period or any evaluation pursuant thereto, a hiring unit shall send a letter to the employee informing them of the requirement to serve a CARP, the reason(s) therefore, and the expected duration of the review period.

- (ii) During the CARP, the hiring unit shall formally evaluate the employee in all positions held in that Unit, in accordance with the relevant provisions of Article 13.

12.10.4 (i) If at the expiry of their CARP, no outstanding formal evaluation exists in the employee's professional performance and service file in the particular hiring unit which demonstrates incompetence, inability or negligence, the employee shall be deemed to still be competent and able in that hiring unit.

- (ii) If at the expiry of their CARP, one or more outstanding formal evaluations exist in the employee's professional performance and service file in the particular hiring unit which demonstrates incompetence, inability or negligence, the employee shall be deemed not competent and able in that hiring unit and shall not be entitled to count any applicable prior experience accrued for positions held in that hiring unit during the Competence and Ability Review Period.

- (iii) A formal evaluation placed in an employee's professional performance and service file during the period of a CARP which demonstrates incompetence, inability or negligence shall be superseded by a subsequent formal evaluation obtained for the same position in the same session, or for a similar position in the same hiring unit in a subsequent session, within the Competence and Ability Review Period, which fails to demonstrate incompetence, inability or negligence.

- (iv) The hiring unit shall consider that a formal evaluation which demonstrates

incompetence, inability or negligence is outstanding only in cases where such has been conducted in accordance with all the relevant provisions of Article 13 and has not been superseded by a formal evaluation per (iii) above.

12.11 NON-TEACHING EXPERIENCE

In order to accrue applicable prior experience under the provisions of Articles 15.09.3, 15.15, 15.16 and 15.18, an individual shall designate the position(s) previously held to which they wish the prior experience to be attributed.

Such experience may only be Type 1 experience if the individual has already accrued Type 1 credit. Where the individual has no Type 1 experience, they may accrue Type 2 credits.

The Labour/Management Committee shall determine the prior experience to be awarded for any other non-teaching service. In such cases, the employee shall designate the position(s) previously held to which they wish the prior experience to be attributed.

12.12 NOTIFICATION OF APPLICANTS FOR POSITIONS

12.12.1 Each hiring unit shall notify all applicants for each position in the unit of the candidate(s) recommended for appointment to the position by a "Notice of Recommended Appointment" in the form contained in Appendix A.

12.12.2 (i) Except in exceptional circumstances, the Notice of Recommended Appointment for all but tutor 1 positions in the fall/winter session will be issued by May 31.

(ii) Except in exceptional circumstances, the Notice of Recommended Appointment for Tutor 1 positions in the fall/winter session will be issued by June 30, in order to minimize Late Postings under Article 11.10.

12.12.3 Except in exceptional circumstances, the Notice of Recommended Appointment for positions in the summer session will be issued by March 7. Where a recommended appointment is queried and/or grieved, the hiring unit shall notify the recommended appointee in writing immediately upon receipt of the query/grievance using the form in Appendix D.

12.12.4 A copy of the "Notice of Recommended Appointment" shall be made available for review by the union.

12.13 WRITTEN OFFER OF APPOINTMENT

12.13.1 Appointments shall be made in writing by a letter or letters similar to the "Offer of Appointment" form contained in Appendix B. The employer shall send the appointee two copies of the "Offer of Appointment." If the appointee accepts the offer, one copy shall be signed and returned to the hiring unit, and the other will be retained by the appointee. A Revenue Canada TD form shall be included with the first "Offer of Appointment" sent to an employee for each academic session.

12.13.2 (i) Except in exceptional circumstances, and in the absence of queries or grievances, Offers of Appointment for the fall/winter session will be issued by July 7.

- (ii) Except in exceptional circumstances, and in the absence of queries or grievances, Offers of Appointment for the summer session will be issued by April 1.

12.13.3 Further, after the dates specified in Article 11.12 (and where there are qualified applicants), and no query or grievance has been received, an "Offer of Appointment" shall be made forthwith. Applicants for such positions, if not already notified of the recommended appointee(s), shall be sent a "Notice of Recommended Appointment." The requirement for posting of a position shall delay the appointment dates specified in Article 11.12 only to the extent necessary to comply with the posting requirements.

12.13.4 Where practicable, a hiring unit shall prepare a "Part-Time Academic (Contract Faculty) Employee Transaction Form" for each appointment no later than five working days after receipt of a signed "Offer of Appointment." Once prepared, such forms shall be immediately forwarded for processing so as to ensure payment of the employee on the first regular payday of their appointment period, where practicable.

12.13.5 Where a recommended appointee named in a "Notice of Recommended Appointment" does not receive an "Offer of Appointment" because of a grievance respecting the recommended appointment, and no equivalent position is found for the employee, the employer agrees to waive the time limits for grieving/querying other appointments for which that employee applied and was not recommended.

12.14 ACCEPTANCE OF OFFERS

12.14.1 Where the foregoing deadline per 12.12.2(i) is observed, said Offer for an appointment in the fall/winter session must normally be accepted or declined by July 28.

12.14.2 Where the foregoing deadline per 12.12.2(ii) is observed, said Offer for an appointment in the summer session must normally be accepted or declined by April 15.

12.14.3 It is understood that normally the response per 12.13.1 or 12.13.2 will be in writing.

12.14.4 Where an employee fails to respond by these dates, the hiring unit shall call the employee at the phone number listed on the application form to clarify whether or not the position is accepted or declined. The hiring unit shall make best efforts to contact the recommended employee in the three-day grace period between July 28 until August 1, at which time Article 12.14.1 shall pertain.

12.14.5 It is also understood that in exceptional circumstances an employee may delay accepting or declining an Offer of Appointment and that "exceptional circumstances" pertain when an employee has reasonable grounds to believe that they will be offered another position and that offer is late; e.g., the person is named in an NRA for a different position in another hiring unit.

12.14.6 Where a member declines a position, or fails to respond to an Offer and the hiring unit is unable to contact the member the Late Appointments provisions per Article 12.14 shall pertain.

12.15 LATE APPOINTMENTS

- 12.15.1 Where a fall/winter position arises as a result of a CUPE 3903 employee resigning a position, declining or rejecting an offer, or failing to respond to an offer by or after August 1, a new Notice of Recommended Appointment shall be issued recommending the individual who was the next most senior, qualified applicant for the position. The hiring unit shall automatically deem that the recommendation has been queried and will supply the union office and the Department of Faculty Relations each with the non- confidential information used to select the recommended candidate. If no grievance has been received within eighteen days of the date of issue of the Notice of Recommended Appointment, an offer of appointment will be sent. If a grievance is filed, it will be referred directly to Step Three.
- 12.15.2 If exceptional circumstances per 11.09.2 require a position to be posted which was not previously posted, the position will be posted on or after August 1 for 48 hours between 9.00 a.m. Monday and 5:00 p.m. Friday (for example, 11:00 a.m. Monday to 11:00 a.m. Wednesday or 11:00 a.m. Friday to 11:00 a.m. Tuesday) per 11.10.1. Following the posting, a Notice of Recommended Appointment will be issued. The hiring unit shall automatically deem that the recommendation has been queried and will supply the union office and the Office of Faculty Relations each with the non-confidential information used to select the recommended candidate. If no grievance has been received within eighteen days of the date of issue of the Notice of Recommended Appointment, an offer of appointment will be sent. If a grievance is filed, it will be referred directly to Step Three.
- 12.15.3 Where an employee expects to be absent or otherwise not available to respond to a Notice of Recommended Appointment issued in August per 12.14.1 or 12.14.2, s/he may advise a hiring unit that, should any late appointments be processed, a Notice of Recommended Appointment should be sent to a designated address. The employee may then contact the union office in order to have an inquiry or grievance processed on their behalf.
- 12.15.4 The parties agree to use their best offices to ensure that these processes are completed by the end of August or, for postings other than the fall/winter session, by a date in advance of the start of the session.
- 12.15.5 Notwithstanding Article 12.14.4, this provision (Article 12.14) will be in effect until September 30 for fall/winter courses, December 1 to January 31 for winter courses and April 1 to May 15 for summer courses.

12.16 FOUNDATIONS COURSE DESIGN POSITIONS

- 12.16.1 Employees who hold an initial Type 1 Designer position in a Foundations course will have the right of first refusal for the position in the subsequent academic session, after which the position will be subject to the normal appointments provisions of Article 11 and 12.
- 12.16.2 No employee may hold more than six Type 2 tutorial positions in the Foundations Program.
- 12.16.3 Employees may not hold more than 1 type 1 Design position per contract year

- 12.16.4 Hiring units may post no more than 1 type 1 Design position per course per contract year
- 12.16.5 Effective September 1, 1999 1000-level Foundations tutorials will have a trigger set at 25 and an upper class size limit of 28. 2000-level Foundations tutorials will have a trigger set at 28 and an upper class size limit of 31.
- 12.16.6 Normally, the size of 1000-level Foundations tutorials shall not exceed 25 at the November 1 count, and the size of 2000-level Foundations tutorials shall not exceed 28 at the November 1 count.
- 12.16.7 The employer will provide a Foundations Coordinator for the Division of Humanities and a Foundations Coordinator for the Division of Social Science. Each Coordinator will receive release time, contingent on the amount of work involved. The Coordinators will be responsible for coordinating the critical skills components of Foundations courses, organizing training sessions and assisting with Foundations training sessions. The Coordinators will help to ensure that work plans in Foundations courses are realistic. In consultation with CUPE 3903, the Foundations Coordinators shall develop a workload form specifically for Foundations courses. This form will be distributed to all Foundations tutorial leaders during the first two weeks of classes, and will be completed by tutorial leaders pursuant to Article 10.02 of the collective agreement. A note will be attached to the workload forms informing tutorial leaders that they may bring workload concerns to the attention of the appropriate Foundations Coordinator. Employees are entitled to union representation at workload meetings.

12.17 CANCELLATION OF APPOINTMENTS

- 12.17.1 When an appointment which has been offered in writing is cancelled for reasons of insufficient enrolment in the course in question, and no reasonable and equivalent alternative position is found for the employee, they shall receive one-eighth of the salary for the position as severance pay. When an appointment which has been offered in writing is cancelled for any other reason, and no reasonable and equivalent alternative position is found for the employee, they shall receive two-fifths of the salary for the position as severance pay. If an appointment is cancelled and no reasonable and equivalent alternative position is found for the employee, that employee shall accrue experience provided they already had applicable prior experience when the offer of employment was made. Further, the employer shall not cancel an appointment in order to have the duties performed by another employee in the bargaining unit or otherwise. When an appointment is cancelled the Union shall be advised.
- 12.17.2 The employer agrees that no appointment shall be cancelled for low enrolment after the beginning of classes, and that no appointment shall be cancelled for any other reason after it commences, except in the case of off-campus courses where no appointment shall be cancelled after the second meeting of the class. Where the appointment has commenced and cannot be cancelled, the individual appointed shall receive the appropriate salary and accumulate applicable prior experience for the position.
- 12.17.3 In the first week of classes in each session, a list of the individuals appointed and

the positions and courses to which they are appointed shall be posted by the hiring unit on one of its bulletin boards, with a copy to the union.

- 12.18.1 Notwithstanding Article 12.17, the employer may cancel an appointment which has been offered in writing before it commences, where the appointment is in violation of other provisions of this agreement. On cancellation, the individual wrongly appointed shall receive one-fifth of the salary for the position, but normally shall not accumulate applicable prior experience in respect of the cancelled appointment.
- 12.18.2 Where the individual whose appointment is cancelled as per 12.18.1 demonstrates that they refused another offer of appointment at the University in order to accept the appointment which was then cancelled as per 12.18.1 they shall accrue applicable prior experience in respect of the appointment unless subsequent to the cancellation as per 12.18.1 they are offered an equivalent appointment which could not have been accepted unless the original appointment had been cancelled as per 12.18.1.
- 12.18.3 It is further agreed that, where the appointment cannot be cancelled because it has commenced as per 12.17.2, the individual who should have been appointed to the position under the provisions of this agreement shall, if the grievance is upheld without recourse to arbitration, receive the salary and accumulate applicable prior experience and gain incumbency protection per 12.06.2 for the position or, if the grievance is upheld at arbitration, shall be awarded the salary and applicable prior experience and gain incumbency protection per 12.06.2 for the position by the Arbitrator.
- 12.18.4 It is understood that where the grieved position would put the employee in excess of the cap, or where the employee is already in excess of the cap, the foregoing provision, Article 12.18.3, does not apply.

12.19 APPOINTMENT INFORMATION

If a candidate for a position grieves a decision not to appoint or recommend them for that position, or the union grieves or queries an appointment or recommended appointment, the employer shall provide the union with the name of the appointee, a copy of their curriculum vitae, a copy of their application, and any other non-confidential information that was the basis of the appointment or recommended appointment. The Employer will respond to the query within ten calendar days of the receipt of the query.

- 12.20** Upon request, an applicant who holds the required qualifications for a particular position shall be given by the employer the hiring unit's assessment of their applicable prior experience for that position.

12.21 APPOINTMENT DATES

The appointment dates for contracts in the fall/winter session shall normally be 1 September to 30 April. Where an employee is required to work after the formal termination date, the employee shall receive individual notice of this work requirement as soon as possible and not later than 15 March. In the event of grade appeals or academic dishonesty cases, such notice is not required. Whenever such work exceeds two hours, it shall be compensated at the marker/grader rate. For required attendance at Academic Dishonesty meetings following the expiry of the contract, such notice will also not be required. This work will be compensated at the

marker/grader rate. Such individual notice shall detail the specific duties to be performed and their expected date of completion. Where an employee is required to work after the formal termination date, the period of such work shall not be unreasonably extended.

12.22 REQUEST TO DESIGN COURSE

The parties agree that, in any department, there will be circumstances where it is desirable that the department request an individual to design a new course (including particular "special options" courses) to be approved by the appropriate University bodies or to re-engineer or transform an existing course into an on-line or blended course. Where a request by the Employer to design a new course or to transform an existing course into a blended or on-line course is made under this Article, the course designer will be provided with a one-time course designer payment equivalent to 1/8 the rate of a Type 1 position for a 3 credit course and 1/4 the rate of a Type 1 position for a 6 credit course and may be provided the opportunity to teach the newly designed or transformed course subject to the terms in (ii) below:

- (i) The department will provide the union with copies of all the relevant documentation as soon as is practicable and before the commencement of the appointment.
- (ii) If the course is new and is offered within 36 months of the approval required by Senate or if the course has been transformed and is offered within 36 months of completion of the transformation of the course into an on-line or blended course, the course designer will be appointed as the course director the first two times the course is offered within this period if the course is a full course and the first three times the course is offered within this period if the course is a half course, regardless of the provisions of Articles 11 and 12.

If the individual declines an offer of appointment in 12.21(i) and is not otherwise prevented from teaching the course for reasons beyond his or their control, in subsequent sessions in which the course is offered the provisions of Article 11 and 12 regarding posting and hiring will apply.

No employee's incumbency in respect of a course will be adversely affected by the teaching of the course pursuant to (ii) above by another employee.

12.23 SCHEDULING CONFLICTS

- (i) Where there is more than one section or group in a course and an individual is unable to accept a position in the course because the appointment is so scheduled as to conflict with another position they have accepted within the University, the employer shall make reasonable efforts to resolve such a conflict to enable the individual to accept both positions.
- (ii) Employees who have taught at least four years in a hiring unit(s) and are interested in teaching in that hiring unit(s) in the following academic year and wish to have input into the scheduling of courses shall indicate in writing to the hiring unit(s) the areas of their interest and days and times during which they expect to be available. To be considered, this information must be received before the date by which time-tables must be submitted to the Room Allocation Centre
- (iii) Any and all exchanges of positions between or among appointees or

recommended appointees require approval of the employer.

12.24 WORKLOAD

Where not in conflict with centralized administrative deadlines, such as the final date for submitting grades, hiring units will provide reasonable accommodation to Unit 2 employees who encounter significant conflicting marking/grading obligations.

12.25 PROFESSIONAL PERFORMANCE AND SERVICE FILE

- (i) A professional performance and service file shall be kept for an employee in each hiring unit where they have an appointment.
- (ii) Only material from this file shall be used as the basis for hiring decisions respecting competence and ability per Article 12.02.1. This file shall contain only materials relevant to the issue of competence and ability, and/or the employee's professional performance, and shall include, if available, a current curriculum vitae, a current application form, previous Personnel Action Forms, Offer of Appointment forms, evaluations generated under Article 13, and relevant documents generated under Article 8. Where any relevant materials other than those herein identified are added to the file they shall be date stamped, and the employee shall be notified of their inclusion within fourteen (14) days of that date. If such additional material does not lead to discipline under Article 8 or formal evaluation per Article 13, then, after two years of its inclusion in the file, exclusive of leaves, it shall be returned to the employee by registered mail. If it cannot be delivered, upon return to the employer it shall be destroyed. With the exception of student evaluations or summaries of student evaluations, no anonymous material shall be included in the file.
- (iii) An employee, upon written notice to the hiring unit, shall be entitled to add any material relevant to professional performance, achievement or progress to their professional performance and service file.
- (iv) Upon reasonable notice in writing to the Chair, an employee and/or their authorized representative shall be able to inspect the contents of the file, and add, if the employee so wishes, any relevant comments. The file shall be available to the employer only to provide a source of information in reaching decisions on hiring in accordance with Articles 8, 12 and 13. No documents therein shall be released physically or orally for any other reason without the employee's prior consent in writing.

ARTICLE 13 – EVALUATIONS

13.01.1 The employer and the union agree that a primary purpose of evaluations is to improve the quality of teaching by assisting the employee to develop their teaching skills. An evaluation of an employee's work and/or performance which does not conform to the provisions of this article shall be null and void.

13.01.2 INFORMAL EVALUATIONS

- (i) Normally, the employer will evaluate informally, such evaluations to be assessments of performance by someone of the employee's choice in the hiring unit or another hiring unit who is acceptable to the hiring unit, of the various duties and responsibilities of the position based on reasonable academic criteria

consistent with Article 12.02.1. Such assessments will not normally be done for a person more than once per fall/winter session (September to April) and once per summer session (May to August).

- (ii) Prior to an informal evaluation of an employee in a teaching situation, the employer shall consult with the employee concerning the time and criteria for such evaluation.
- (iii) The result of the informal evaluation shall be discussed with the employee after appropriate notice.
- (iv) An informal evaluation may result in recommendations to the employee for improvement of teaching skills/professional development, or may result in a recommendation to the hiring unit that a formal evaluation be conducted, or where permitted by Article 12.09.2 of the Unit 2 agreement, may result in establishment of a Competence and Ability Review Period for cause. Where informal evaluation results in recommendations, those shall be made in writing and dated with a copy to the employee and placed in their professional performance and service file. Such recommendations shall be removed from the file after two years, except where a Competence and Ability Review Period is established in the interim, in which case the recommendations shall be retained in the file until the review period is completed.
- (v) An informal evaluation shall not be used as a source of information in hiring decisions.

13.02.1 FORMAL EVALUATIONS

The employer shall undertake formal evaluations of an employee's performance of the various duties and responsibilities of a position only if one or more of the following conditions is present:

- employee request
- mutual agreement of hiring unit and employee
- recommendation arising from informal evaluation
- decision of Chair, Dean, Director or designate resulting from the processing of a complaint in accordance with Article 8.

13.02.2 All formal evaluations of an employee's performance of the various duties and responsibilities of a position shall:

- (i) use reasonable methods and criteria of evaluation appropriate to the hiring unit and to the position in question; and
- (ii) be in writing.

13.02.3 All formal evaluations must comply with the following procedures.

- (i) The evaluator will be someone of the employee's choice in the hiring unit or another hiring unit at York University who is acceptable to the hiring unit.
- (ii) The hiring unit shall inform the employee in writing of the pending evaluation and of the methods and criteria to be used at least 14 days (pro-rated for sessions other than fall/winter but not fewer than 3 working days) in advance of the start of a formal evaluation period.
- (iii) Where there is to be a formal evaluation of classroom teaching, the hiring unit shall give at least 14 days' notice (pro-rated for sessions other than fall/winter but not fewer than 3 working days) of class visitation. (Such notice may be

coincident with (ii) above.)

- (iv) Any formal evaluation shall be discussed between the employee and their immediate supervisor, with a union representative present if the employee so wishes, and shall be given to the employee at least three working days before that discussion. The employee shall sign the evaluation to acknowledge the fact that such a discussion took place, and the employee may add their written comments to the evaluation within three weeks of the discussion if they so wish.

13.03 A grievance over the contents of an evaluation shall not be processed past Step Three. In the event that such a grievance reaches Step Three, it shall be deemed settled by the Dean's reply, and Step Four and/or Article 7 (Arbitration) shall not be invoked. This does not limit the right to grieve the reasonableness of the methods and criteria of evaluation. Such a grievance shall not operate to halt or interfere with the evaluation process unless otherwise agreed by the Parties or ordered by an Arbitrator or Arbitration Board.

13.04 Written formal evaluations may be kept only in an employee's professional performance and service file and shall provide a source of information in reaching decisions on hiring in accordance with this article.

13.05 All copies of any formal evaluation demonstrating incompetence, inability or negligence shall be destroyed after the employee in question has received a formal evaluation in the same or a subsequent session in a similar position in the same hiring unit which fails to demonstrate incompetence, inability or negligence.

13.06 Except for evaluations conducted during a Competence and Ability Review Period for cause, or evaluations conducted as a result of action taken per Article 8.03.1, an employee shall not be formally evaluated without their consent in a position by a hiring unit for a period of two years after they have received two formal evaluations which fail to demonstrate incompetence, inability or negligence in positions of the same type in consecutive years in the same hiring unit.

13.07 STUDENT EVALUATIONS

13.07.1 The results of any student evaluations conducted by the employer and over which the employer retains sole jurisdiction, shall not be made available to third parties except in the performance of their duties and in accordance with the terms of this collective agreement. Per Article 12.24 such evaluations, or a summary of, may also be placed in an employee's Professional Performance and Service File with the employee's written agreement.

13.07.2 Hiring units may not use summaries of student evaluations as a source of information in reaching decisions on hiring where no relevant formal evaluations are available. Notwithstanding the above, where it is not practicable for the unit to conduct a formal evaluation before reaching a decision on hiring, it may use a summary of student evaluations, but only with the written agreement of the employee in question.

ARTICLE 14 – ACADEMIC FREEDOM

14.01 (i) All employees who are primarily responsible for the content and/or presentation

of a course shall be accorded academic freedom in the design, shaping of course content, methodology, and/or presentation of that course. All other employees shall be accorded academic freedom as appropriate to the position held and its duties and responsibilities.

- (ii) Academic freedom includes the freedom to examine, question, teach and learn and to disseminate opinion(s) on questions related to the teaching of the course, its content and organization and the larger political, cultural and philosophical context in which teaching and research take place.
- (iii) Without limiting their academic freedom, employees are required to discharge their responsibilities in accordance with the rightful expectations of the employer, the needs of the students and the legitimate claims of the community.
- (iv) No electronic monitoring of employees or their work shall be undertaken unless there is written consent. Such consent shall be subject to withdrawal at any time and must be renewed for each contract year. It shall be understood that signing up for a York University email account does not constitute written consent under this article 14.01(iv). The employer agrees that employees shall be notified of the purpose of such monitoring and any occasions under which it has occurred. Employees who as part of their employment related duties and responsibilities are to be required to participate in a pedagogical or other study of a method of teaching are to be clearly informed of this fact both in the Notice of Recommended Appointment and in the Letter of Offer. By accepting the Letter of Offer the employee will be providing their consent to participate. Wherever practicable the results of any such study shall be recorded in such a manner that the employees' work cannot be identified with them. If this is not practicable, both the Notice of Recommended Appointment and the Letter of Offer shall clearly indicate this. By accepting the appointment the employee will have accepted this as a term and condition of the position. In any event such a study shall not be used for purposes set forth in Article 13.
- (v) When exercising their rights of action and expression as citizens, employees shall endeavour to ensure that their private actions and expressions are not interpreted as representing the position of York University.

ARTICLE 15 – GENERAL

15.01 OFFICE SPACE & FACILITIES

- 15.01.1 The employer shall ensure that hiring units allocate to employees appropriate and reasonably uniform space (where such space is controlled by the hiring unit), and the use of other facilities, services and equipment as required for the performance of their duties and responsibilities. The employer shall also provide such other reasonable services needed for the performance of professional duties and responsibilities as are offered to other members of the University and can be provided at no additional cost to the employer.
- 15.01.2 Best efforts will be made to provide office space for any employee who holds a position at Atkinson and who does not have access to other office space. In addition, all employees will be provided with a mailbox in the department office in which they hold such position.
- 15.01.3 Best efforts will be made to provide office space for any employee who holds a

position at Glendon College and who does not have access to other office space. In addition, best efforts will be made to ensure that employees at Glendon College will be provided with a mailbox in their department at Glendon, as well as ready access to photocopying services.

- 15.01.4 For both new office space in existing buildings and existing office space which becomes available, CUPE 3903 employees with at least five years of service in the bargaining unit and an average of 2.5 type 1 or equivalents positions over the last 5 years will have priority in the allocation of such space after the existing contractual entitlements of full time faculty have been met.
- 15.01.5 The York University Policy on campus office space continues to be that the occupants of office space are “tenants”, in that no individual group/unit owns or has final determination over its allotted space. However, whenever a new building is approved a “user committee” is struck by the relevant Dean of the projected main occupants and this user committee consults widely regarding space allocation before making its final recommendations. The Office of Faculty Relations will use our best offices to recommend to the relevant Dean that at least one seat on this committee be reserved for a member of CUPE 3903.
- 15.01.6 Best efforts will be made to provide employees who have at least three years of consecutive service in the bargaining unit, in each of which they have held at least one type one position or equivalent, office space between contracts, provided that they have applied for and can reasonably expect to be appointed in the subsequent academic term.
- 15.01.7 The employer shall ensure that employees are provided with adequate access to and use of available libraries, laboratories, duplicating services, office supplies, computing facilities, audio-visual equipment and any other existing University facilities required for the performance of their contractual responsibilities.
- 15.01.8 RESOURCES FOR PERSONS WITH DISABILITIES**
Persons with disabilities, per the York University Occupational Health and Safety Policy, shall be accommodated and have access to the DOHS funds designated for the purchase of special equipment or required resources to assist employees in the performance of their teaching, demonstrating, tutoring or marking, on the same basis as other York University employees. The Office of the Disabilities Coordination Manager will act as liaison between the employer and employees with disabilities on these issues.
- 15.01.9 Employees shall have access to a telephone to conduct University business. Telephone messages shall be taken for employees. An employee’s home telephone number shall not be given to anyone outside the department or University administration and the union without the permission of the employee. Employees shall have University mail sent to their home addresses unless an employee requests that it be sent to their University address.
- 15.01.10 The Administration agrees to absorb the cost of maintaining the CUPE 3903 “Safety” telephones installed per the 1991-92 collective agreement. The \$25,000 allocated to provide and maintain additional telephones pursuant to the 1992-93 collective agreement will be used to install and maintain telephones in 1994-95. In 1995-96, the amount available to install and maintain telephones shall be \$25,000 reduced by

the (yearly) cost of maintaining the telephones installed the previous year. The safety and security priorities for these telephones will be decided by the union.

15.01.11 In 1999-2000 the Faculty of Arts will convert existing CUPE 3903 phones from digital to analog with the aim of installing analogue phones in the 31 offices currently without a telephone. It is understood that these telephones will not have the automated features of digital phones. The faculty will consider carefully the number of individuals in each office when planning the various phone/office permutations which will maximize the number of offices receiving phones. It is expected that this exercise will be completed by the end of the current academic year (1999-2000). The subject of the feasibility of exercising this option in other faculties will be taken up by the Labour/Management Committee.

15.01.12 Where practicable, upon request to the Office of the Assistant Vice- President (HR&ER), employees who have a mobility impairment will have the location of their classes and/or office space re-assigned and/or receive such other accommodation as is reasonable and appropriate. The identity of the employee making the request and the fact and nature of the request shall remain confidential and shall only be released on a need to know basis or with the express consent of the employee concerned. The Office of the Disabilities Coordination Manager will act as liaison between the employer and employees with disabilities on these issues.

15.01.13 In addition to its existing ASL interpretation services, the University is piloting the use of Video Remote Interpreting (VRI) services for use by employees who require ASL interpreter support for work activities which are impromptu or arranged on short notice. Members of CUPE 3903 will be advised as to how to access this VRI service.

15.01.14 OFFICE STANDARDS

Upon request, the Employer also agrees to make reasonable provisions that will permit any member of CUPE 3903 to attend the Annual General Meeting of CUPE 3903 or any meeting of the Local which deals with a strike vote or ratification vote. 15.10 PARTICIPATION

15.10.1 The Parties agree that the valuable contributions made by CUPE 3903 members be recognized by incorporating them as fully as possible into the decision-making processes of the University.

15.10.2 The Employer agrees to recommend (and to use its best offices to persuade) Senate and the Faculty Councils in which CUPE 3903 Unit 2 members are employed to:

- (i) Amend the relevant Senate document(s) to clearly state that part-time faculty are eligible for election to Senate; and
- (ii) Establish a process whereby a guaranteed minimum number of Senate seats elected by Faculty Councils will be filled by part-time faculty members. Such minimum will provide significantly greater representation than is the case at present. It will take into account the variation among faculties of their share of elected seats, and the proportion of teaching done by part-time faculty members in the faculty. The recommended minimum will be 25% of elected Faculty Council seats. It is intended that this process will produce its first Senators by August 31, 1993.

15.10.3 The Employer agrees to recommend to (and to use its best efforts to persuade) the appropriate bodies that hiring units in which CUPE 3903 members work include in their Rules of Procedure provisions respecting the participation and privileges of Teaching Assistants and Contract Faculty including, but not limited to:

- attendance as voting members at meetings of the departments in which they are employed;
- service on the appropriate committees of the employing departments.

The employer also agrees to recommend to (and to use its best efforts to persuade) the relevant bodies that consistent rules respecting participation be developed across hiring units (in which CUPE 3903 members have historically done a significant proportion of the work) within a Faculty. It is understood that, in seeking consistency, it is not the intention to reduce the level of participation currently granted in some hiring units to a lowest common denominator.

Where the central administration establishes a Task Force, and the outcome of the deliberations of the Task Force could potentially or is likely to have a significant and direct impact on bargaining unit work, the employer agrees that at least one member of the Task Force will be a bargaining unit member selected from among the members of the bargaining unit who have been regularly employed in such work.

15.10.4 In the contract year 1998-99, The Vice-President (Academic Affairs) will send to each Faculty a copy of the letter attached as Appendix "I" recommending that they consider motions similar to those that were passed by the Faculty of Arts Council concerning the participation of contract faculty.

15.10.5 EXPERIENCE CREDIT FOR PARTICIPATION

- (i) The parties agree to develop a protocol for the awarding of APE credit for participation, taking into consideration the degree of such participation both in terms of time commitment involved and difficulty of the tasks performed.
- (ii) The parties will consider whether such credit is Cap-exempt in whole or in part.

15.10.6 Employees will not be removed from Listserves for faculty and graduate students for at least one year after their last contract.

15.11 DOSSIER SERVICE

In order to support employees' applications for research grants, scholarships and academic or other positions, the employer agrees to establish a Dossier Service for all employees and former employees who are within 24 months of their last CUPE 3903 appointment contract(s).

The Dossier Service shall keep a file for each employee who requests it. To open a file, an employee will be required to register with the Dossier Service and to pay a registration fee of no more than \$20.00.

Only information provided directly by the employee or sent directly to the Dossier Service at the employee's express request will be included in the file. The employee shall have access to all of the material in the file with the exception of confidential letters of reference requested as confidential by the employee. At their request, the employee shall be given the names of those persons who have written confidential letters of assessment.

On request, a copy of the file shall be sent to the address specified by the employee. Normally, files will not contain more than 25 pages. The service charge for each request will be \$2.50 (Canadian destinations) or \$3.00 (foreign destinations). Requests for files exceeding 25 pages may be subject to a surcharge.

The employer shall continue to support the Dossier Service at the level necessary to maintain the services offered to CUPE 3903 members.

By September 30 of each academic year the employer will allocate \$50,000 to the Student Centre Childcare to be used for subsidies for members of CUPE 3903 who use the services of the facility. 15.26 ACCOMMODATION

The parties acknowledge their duty to accommodate persons with disabilities in the manner and to the extent required by the *Ontario Human Rights Code*. The parties agree that this means accommodating disabled employees to the point of undue hardship if such accommodation will enable the employee to perform the essential duties of their position. An employee with whom an accommodation is being discussed may have a union representative present during any such discussions.

The University's process for accommodation of academic employees can be found at the following location: <http://fr.info.yorku.ca>.

15.27 POST-RETIREMENT BENEFITS

The Employer agrees to provide post-retirement benefits coverage for Unit 2 members retiring after December 31, 2008, and their dependents at the time of retirement, defined for the purposes of post-retirement benefits only as the voluntary severance of the employment relationship with the University at or following the date on which the employee first became eligible to receive a monthly pension from the York University Pension Plan, in the form of a retiree health care spending account as follows:

- a) each retiree's health care spending account will have an annual limit of \$1800 and \$2000 effective January 1, 2022;

15.29 FUND PROTECTION

There will be no diminution in the per employee amount in the funds listed below during the term of this collective agreement as a result of an increase in the number of employees in the bargaining unit as at October 1, 2020 and October 1, 2021 and October 1, 2022. Growth in the number of employees will be measured on the basis of a two collective agreement lag using October 1st as the date; for 2020-2023 collective agreement, growth in the number of employees will therefore be measured on the basis of the number of employees as of October 1, 2014. In the case of the funds below where such is indicated, the basis on which growth in the number of employees will be measured is the growth in the number of employees who are eligible to use the funds.

As an example of how this Article will apply, if the per employee amount available is \$10 based on 100 employees as of October 1, 2008 and the number of employees increases to 110 as of October 1, 2011, the fund will be supplemented by \$100 in the 2011-12 year of the Collective Agreement. If the number of employees is 90 as of October 1, 2012, no supplement will be required and the fund will be \$1000.

In cases where a fund is scheduled to be increased by an amount separate from the application of this Article, the fund protection provisions of the Article will be applied to the fund prior to the scheduled increase. For example, if a fund were scheduled to be increased to \$200 but would otherwise be supplemented by \$10 through the application of the fund protection provisions of this Article, the fund would first be increased by \$10 before the scheduled increase to take the fund to \$210.

The Employer will contribute to this fund \$132,072.07 effective September 1, 2020, \$183,514.87 effective September 1, 2021, and \$238,342.09 effective September 1, 2022.

Allocations from the Fund will be made by the Union. An annual report on the disbursement of monies shall be submitted in writing to the Labour Management Committee.

In addition, the University will commit to up to \$10,000 being provided to the Fund in each year of the collective agreement for the purpose of assisting any employee with a disability requiring work related accommodation (e.g., adaptive computer).

The employer shall provide the union with suitable

meeting rooms as required, free of charge and on the same basis as other voluntary associations within the University which shall include the ability to book available meeting rooms on campuses where the Union does not have a permanent office.

Should one be deemed required, any move from the union's current office space will be subject to the same terms, conditions, and negotiations as those enjoyed by any other bargaining unit. Further, the employer will make best efforts to ensure that any new office space is equal to or better than the current facilities.

21.02 UNION ELECTRONIC OFFICE SUPPLIES

Regarding the union electronic office supplies, the employer agrees to provide the union with the necessary equipment and software to integrate it into the CUPE 3903 appointments process as this is developed. Such consideration will include access to Netscape, the CUPE 3903 seniority database, email, etc. Further, the employer will maintain such equipment and software and will provide any required training.

Where significant changes are made to the Employer's online system for postings, which changes will not impact on the availability of the above, the Union will be advised and provided a review of the changes at a Labour Management Committee meeting.

ARTICLE 23 – AFFIRMATIVE ACTION

23.01 In recognition of the substantial contribution to the University community made by long-term employees, and of the obstacles that have faced these employees in their attempts to find academic employment, the parties have agreed to establish an Affirmative Action Program as outlined below. The parties agree that this Program is an ongoing commitment. In addition, in order to more fully expand opportunities for these employees, the employer and the bargaining agent of the full time faculty (YUFA) have agreed to Article 12.31(b) of the YUFA collective agreement

concerning Affirmative Action for Members of the CUPE 3903 Affirmative Action Pool.

23.02 AFFIRMATIVE ACTION POOL

23.02.1 Definition – All bargaining unit members at York University who meet the following criteria:

- (i) have at least five years of service to the University and who, from 1 May 1983 to 30 April in the year preceding the current contract year, held at least 1 Type 1 position in each of four years and a total of at least 12 Type 1 or equivalent positions over those four years; or
- (ii) have at least three years of service to the University and who, from 1 May 1983 to 30 April in the year preceding the current contract year, held at least 2 Type 1 positions in any three years and at least 7 type 1 or equivalent positions in any three years and who belong to at least one Equity Group shall be eligible for inclusion in the Affirmative Action Pool.

23.02.2 Identification – The criteria for inclusion in the Affirmative Action Pool shall be submitted to the Labour/Management Committee which will identify those individuals who qualify. The Committee shall afford to all those employees who believe that they meet the criteria an opportunity to satisfy the Committee as to their eligibility.

23.03 SEARCH AND SELECTION

23.03.1 Units wishing to appoint a particular eligible employee to a probationary-tenure position, either within a Unit or on a cross-appointed basis, may apply through the Dean to the Vice-President Academic for approval of a position and an allocation of monies from the Fund per Article 23.04(i).

23.03.2 Units wishing to have a special search directed to the pool of eligible employees may apply through the Dean to the Vice-President Academic for approval of a probationary-tenure position and an allocation of monies from the Fund per Article 23.04(i).

23.03.3 An individual may apply for a probationary tenure-stream position to a Dean/Principal. Where an application is submitted directly to a Dean/Principal the Dean/Principal will consult with the relevant hiring unit(s) concerning the application.

23.03.4 In all cases candidates will identify the stream (Alternate, Professorial or both) to which they are applying and hiring units will identify the stream(s) they are recommending.

23.04 FUNDING

- (i) The employer shall provide incentive funding to a hiring unit(s) recommending an affirmative action pool member to a tenure stream position. This funding will normally cover the differential between the starting salary of the appointment and the cost of three full course directorships. The employer shall make \$130,000 available in incentive funding in each year of the collective agreement.

- (ii) For appointments commencing on each of July 1, 2022 and July 1, 2023 the Office of the Vice-President Academic and Provost shall, make at least two (2) recommendations in 2021-22 and two (2) recommendations in 2022-23 of Affirmative Action Pool members for full-time faculty positions to the tenure stream. A minimum of one recommendation in each of the two years will be prioritized for candidates who self-identify as Aboriginal (Indigenous) or as a member of a visible minority (racialized group). Where in either of the two years, the Office of the Vice-President Academic and Provost is unable to make a recommendation with respect to a prioritized candidate who self-identifies as Aboriginal (Indigenous) or as a member of a visible minority (racialized group), the next priority will be to make a recommendation with respect to a candidate from one or more of the other Equity Groups.
- (iii) During this period, should any member of the Affirmative Action Pool be appointed to a tenure-stream position as a result of a normal search process, the hiring unit receiving the appointment will be entitled to receive incentive funding under Article 23.04(i).
- (iv) Normally, tenure-stream recommendations per 23.03.1 and 23.03.2 shall be made by January 15 for appointments commencing the following July 1.
- (vi) If an applicant is not recommended by the School or Department, an explanation will be provided to the applicant on request.

23.05 A dispute respecting the alleged violation of the provisions of Article 23 shall be submitted directly to the Office of the Vice-President Academic.

23.06 If a candidate grieves a decision not to appoint their for that position, or the union grieves an appointment, the employer shall provide the union with the name of the appointee, a copy of their curriculum vitae and application (provided the successful candidate agrees), and any other non-confidential information that was the basis of the appointment.

23.07 New full-time faculty who have prior service at the University as contract faculty shall be awarded credit toward sabbatical leave entitlement at the rate of one year of credit for each block of three Type 1 appointments (as defined by Article 12 of the CUPE 3903, Unit 2 collective agreement) to a maximum of one such block per year and to a maximum credit of six years.

23.08 Where an individual has accrued applicable prior experience in the University for any five years, including any leaves per Article 15.15 and/or years holding Contractually Limited Appointments as per Article 12.07 and has taught cumulatively at least the equivalent of a full-time teaching load for that period, the hiring unit shall grant that individual an interview for any full-time tenure-track or Contractually Limited Appointment position for which they have applied and holds the prima facie qualifications. For the purposes of this clause, full-time teaching load shall be defined as two and one-half full course directorships or the equivalent.

Upon application by the union the employer shall agree to expedite processing of any grievances respecting denial of interviews, in accordance with Article 6.15.

23.09 The employer agrees to provide the union with copies of all notifications of full-time

faculty positions submitted to external sources and to post such notifications on union bulletin boards in relevant hiring units, at time of submission. Further, the employer agrees to publish notification of full-time faculty positions in one internal publication.

ARTICLE 24 – LONG SERVICE TEACHING APPOINTMENTS (LSTAS)

24.01 ELIGIBILITY

Employees who effective September 1 preceding the date of the award of an LSTA, have been in the Unit 2 “Affirmative Action Pool” for a minimum of 5 years and who have taught at an intensity of an average of 2.5 FCEs over the three previous years (may include approved leaves) are eligible to apply for a Long Service Teaching Appointment.

24.02 TERM OF LSTAS AND COMPENSATION

24.02.1 LSTAs will be awarded for a three to five year period, depending on academic need and the recommendation of the hiring unit, and will consist of contract assignments comprising 3 full course equivalents and, subject to availability, up to 3.5 full course equivalents in each of the three to five years of the term, subject to the condition that the employee has incumbency in the additional 0.5 full course equivalent assignment or is qualified for and has taught the additional 0.5 FCE assignment 2 of the last 4 times it was offered. Effective September 1, 2014 compensation for these 3 or 3.5 full course equivalents will be the current applicable rate for the position plus an amount equivalent in value to 1/8th the rate of a type 1 position per full course equivalent.

24.02.2 In assigning teaching positions assignments will first consist of courses in which the employee has incumbency or, where the employee meets the qualifications, has held the courses 2 out of the last 4 times they were posted in unit 2.

24.02.3 Employees awarded an LSTA may, through applications for additional contracts, teach up to the applicable cap in each year of the LSTA.

24.02.4 Courses assigned as part of an LSTA are subject to the course cancellation provisions of article 12.16.1 – 12.16.2.

24.03 CROSS APPOINTMENT

LSTAs may be cross appointed between and/or among two or more hiring units. Hiring units may wish to discuss with cognate/sibling units, intra- or inter- Faculty, their needs and priorities and how they are currently met by the eligible employee.

24.04 APPLICATIONS

An individual may apply for an LSTA to a Dean/Principal or to a hiring unit or units. Applications are expected to address the quality of the applicant’s teaching and will be forwarded on or before March 1 for appointments commencing the following September 1.

24.05 LSTAs will be awarded on the basis of hiring unit teaching needs, quality of the applicants teaching file, and the applicant’s number of years in the Affirmative Action Pool.

- 24.06** Employees who are awarded an LSTA will have their teaching reviewed by a member of the full time faculty in the hiring unit(s), which review will encompass the course syllabus and teaching materials, over the term of the LSTA. The hiring unit will consult with the employee who may suggest one or more names for consideration in the selection of the reviewer. The employee's suggested names will not be unreasonably denied.
- 24.07** In the 2018-2019 contract year a minimum of 7 LSTAs will for be offered for September 1, 2019, in the 2019-2020 contract year a minimum of 7 LSTAs will be offered to eligible applicants for September 1, 2019. To the extent practicable a minimum of one third of the total number of LSTAs over the two-year period will be made from among those who belong to one or more of the five employment equity groups (ie, aboriginal people, persons with disabilities, visible minorities, women and LGBTQ).
- 24.08** On or before May 31, the University will advise the Union of the names of the persons who will have an LSTA and the employment equity status of the applicants who applied in that year.
- 24.09** If an applicant is not recommended by the School or Department, an explanation based on Article 24.05 will be provided to the applicant on request.
- 24.10** Employees holding an LSTA may submit a written application to renew the LSTA for another three-year term. Written applications must be submitted no later than January 31 of the third year of the LSTA (eg, no later than January 31, 2013 for an LSTA that expires August 31, 2013).

To be eligible for renewal applicants must have had their teaching reviewed by a member of the full-time faculty in the hiring unit(s) pursuant to Article 24.06 above over the course of their current LSTA.

Applications will be assessed on the basis of the quality of an applicant's teaching, evidence of which will include the review pursuant to Article 24.06 above. Applications will also be assessed on the basis of the unit's academic planning needs. All applications must also include a current CV. Applications shall not be unreasonably denied.

The total number of LSTAs in any contract year will not exceed eighty. Members who hold an LSTA and who do not have a summer contract shall maintain access to faculty IT services, email and library services and will be able to access any individual PER allocations and/or Research Grant funds, Conference Travel funds or Professional Development funds or other funds during this period as if an active member.

LETTERS OF INTENT

1. It is agreed that, if the employer publishes a posting circular indicating the positions in Unit 2, clearly identified as such, and identifying, to the extent possible, the course, the classification and reasonable qualifications of the position, the salary, the projected class enrolment (where relevant) and the application deadline, and copies of the circular are posted on bulletin boards by the hiring unit, corresponding hiring units and all relevant Graduate Programs within the University (and a copy is forwarded to the union), the provisions of Article 11 shall be deemed satisfied in respect to those positions included in the circular.

2. (i) It is agreed that the following guidelines determine whether positions which have administrative functions and/or functions of curriculum design shall be deemed to be in the CUPE 3903 bargaining unit, subject to paragraph (ii):
 - (a) Academic background as a required qualification essential for fulfilling the duties of the position;
 - (b) A direct relationship, i.e. coordinating, administering and/or facilitating a teaching, tutoring, demonstrating or marking function. The following positions are recognized as fulfilling these guidelines: ESL Academic Monitor (Atkinson College); Coordinator, English 1400 (Atkinson College); Coordinator of Women's Studies (Atkinson College and Glendon College); Coordinator, practicum placements (i.e. Arts Psychology and Education, if comparable); Assistant Director of the Centre for Academic Writing (Arts); Director of the Writing Workshop (Glendon College). This listing is not exhaustive but does indicate the context in which the guidelines are to be examined when determining whether other positions are comparable. The parties agree to consider the guidelines in respect of other positions on a case-by-case basis. (It is understood that these guidelines and this settlement are not applicable to administrative positions related to non-degree credit courses or Faculty seminars and colloquia.)
- (ii) In respect to positions which satisfy the guidelines, it is agreed that:
 - (a) such positions are not initially in the CUPE 3903 bargaining unit and, hence, the posting and hiring provisions of the collective agreement do not apply;
 - (b) where the individual appointed to the position is presently or has been a member of the CUPE 3903 Unit 2 bargaining unit by virtue of other positions held, the position is deemed to be in the bargaining unit and shall be classified as "Other" i.e. the position shall be a Type 1 appointment.
 - (c) individuals holding positions classified as "Other" pursuant to (b) above shall be entitled to all benefits of the Unit 2 collective agreement, including "experience" accrual, and have union dues deducted;
 - (d) it is understood that the union shall not grieve a hiring decision in respect of these positions and that the increase in salary for "Others" stipulated in Article 10.04 shall apply to such positions;
 - (e) it is understood that (a) and (b) apply only where the position is for a specific term and does not limit the right of the employer to create ongoing full- time administrative positions which do not include teaching, demonstrating, tutoring and marking functions.

(iii) It is agreed that no CUPE 3903 Unit 2 bargaining unit member holding a position classified as "Other" as of 30 April 1983 shall be prejudiced by this settlement. That is, such individuals shall retain all their rights under the CUPE 3903 Unit 2 collective agreement then in force if appointed to the same or a similar position.

3. In recognition of the importance of class sizes and formats conducive to sound pedagogy, the parties agree to discuss these issues at Labour/Management Committee with a view to making recommendations.

4. The parties acknowledge:

- (a) that a bargaining unit member's assigned work hours may extend beyond the usual hours when departmental supervisors and other management personnel are on site;
- (b) that during such a work period an employee may encounter a work situation which they judge to be unhealthy and/or unsafe; and
- (c) that, in such a situation, they may, despite their reasonable efforts, be unable to advise their departmental supervisor of their perception of unhealthy and/or unsafe work conditions and of their resultant decision not to fulfil their immediate employment obligations.

The parties therefore agree to develop, through the Health and Safety Committee, mutually agreeable guidelines for the actions of a bargaining unit member in such a situation.

5. **ATKINSON COLLEGE CORRESPONDENCE AND INTERNET COURSES**

The employer has agreed to equate distance education courses with regular courses and will henceforth remunerate the former at the regular course director and tutorial rates. It should be noted that "normal" course directorships include design (new courses as well as re-engineered existing courses) and the supervision of tutors: course directors are not paid extra for these functions. To make this change and regularize these distant education positions, the parties have agreed to eliminate the design grid and the supervision increments.

Compensation and Seniority:

Course Director -
Tutor 1 -

Group Size:

Course Director -
Tutor 1 -

Number of Contact and Office Hours (including phone and on-line):

No more than regular format type 1 and type 2 positions (specifically in regard to on-line contact instructors may designate specific blocks of time per week in which they will be available to respond to student email communications).

No individual teaching in a correspondence course will receive an appointment of less than one tutor 1 position.

The enrolment reporting date for both the fall/winter session and the summer session will be the last day of the first week of classes.

Course Designers (as opposed to Course Coordinators) will be appointed to the

Coordinator position, regardless of the provisions of Article 11 and 12, on the following basis:

- for a full course, the first two times the course is offered, after which the position will be posted and appointed per the provisions of Articles 11 and 12.
- for a half course, the first three times the course is offered, after which the position will be posted and appointed per the provisions of Articles 11 and 12.

All other Coordinator positions and all tutorial positions will be posted per the provisions of Article 11 and appointments made per the provisions of Article 12. Atkinson College will formally post procedures for submitting course proposals and contract language will be entered into Article 11 of the collective agreement.

6. **RESTRUCTURING – FOUNDATIONS COURSES**

The Administration has instituted the nine-credit Foundations Course Program. A principle of this is that although it is a nine-credit course for students, the workload and responsibility of the instructor is to be no more than that of a six-credit course. (For example, the amount of grading, reading, design of assignments, supervision, programming, etc. should be that of a six-credit course.) The purpose of this Letter of Intent is to ensure that the workload and responsibility of the nine-credit Foundation tutorial/course director work shall not exceed that of the six credit course.

The intention of this process is to determine and assign appropriate rates and responsibilities of positions and not to handle individual problems or disputes. The parties agree as follows:

POSTING:

As part of the posting for design and regular Foundation tutors/course directors/team lecturers (content and critical skills) it is stated that these courses are in pilot project form and are under review. The posting must also state and emphasize that the workload is equivalent to that of a six credit course and that the work shall not exceed that of a six credit course.

NOTIFICATION:

Notification letters stating the above will be sent to the Chairs of the divisions and all YUFA faculty teaching in Foundations Courses. Such a letter shall state that these are nine-credit courses and that the workload and responsibility of these courses must be that of a six-credit course.

REVIEW PROCEDURE:

The Foundations courses will be reviewed by a Foundations Courses Review Committee having equal representation from the Administration and the union. The union representatives will be selected from among those employees working in the area. From September 1997 to May 1998 the Review Committee will assess the workload/responsibility of all Unit 2 employees teaching in Foundations Courses. The employees will be encouraged to keep records of the workload, assignments and nature of work involved in these courses. This material will be collected by a Committee- designated individual and submitted to the Committee no later than May 30, 1998. In addition, the syllabi for each course will be forwarded to ASR by the end of the first month of classes for delivery to the Committee. The Review Committee will make recommendations to the parties based on all the submitted material in addition to their own research and investigation. If there is no agreement on the findings within a six week period the union may invoke an expedited grievance procedure beginning at Step 4, with a response due in no later than thirty days.

SCOPE OF ARBITRABLE REVIEW:

In the event a matter is referred to arbitration under this letter the arbitrator shall be entitled to alter rates assigned to a position and award retroactive pay. Such decision will be founded on a consideration of responsibilities and workload comparable to the proximate average in non-Foundations six-credit Arts Courses.

Without prejudice to the position of either party, until a resolution is reached with respect to duties, salaries, responsibilities, and workload, either by the agreement of the parties or by arbitration, a one-time-only fund of up to \$15,000 will be established to be allocated by Academic Employee Relations to underwrite on an interim basis a supplement of an additional \$500 for the design component of the three design positions (Critical Skills CD, Content CD and Critical Skills Team Lecturer). (To be clear, the fore noted interim supplement is in addition to the extra \$500 already proposed in the salary grid dated November 12, 1996 <Appendix "G">.)

7. RENEWABLE TEACHING CONTRACTS

The employer and the union agree to explore the viability of renewable multi-year teaching contracts (RTC's) within the jurisdiction of the CUPE 3903 collective agreement. The parties agree to the implementation of a pilot project involving one or more hiring units as agreed between the parties.

For appointments commencing Sept. 1, 1999

- Eligibility: Contract faculty who as of September 1999 have at least 15 years service at York (where a year of service is at least one Type 1 position) and who over any 15 years of service at York have held an average of 2.5 Type 1 or equivalent positions/year.

In deciding whether to apply for one of these renewable teaching position(s) departments should take into consideration whether and, if so, how reliance on contract faculty to meet their teaching needs may have affected their setting their academic priorities. Departments may wish to discuss with cognate/sibling units, intra- or inter-Faculty, their needs and priorities and how they are currently met by contract faculty.

- A department(s) wishing to receive a renewable teaching position(s) must apply through their Dean(s) to the Office of the Vice-President (Academic Affairs). The application must describe how a renewable teaching appointment of the recommend- ed candidate would assist the department in addressing its teaching needs and priorities.
- The application must also document the quality of the recommended candidate's teaching and the advantages to the department and candidate in awarding the candidate a renewable teaching appointment.
- Four renewable teaching contracts will be awarded in this 1998-99 contract year on the basis of the quality of the candidate and how the contract(s) would address the teaching needs and priorities of the department.
- Contracts will be for 2.5-3 courses or course equivalents. The salary per 6 credit course will be dependent upon the candidate's years of service at York as below:

Sept 1 – Aug. 31
15-20 years cu
21-25 years cu

26-years cu

or the average of the employee's earnings over the previous two September 1 – August 31 contract years to a maximum of 4.5 Type 1 equivalents, whichever is greater. The salary for positions which are not course directorships will be pro-rated.

- The contracts will have a 4-year term but will be renewable by agreement of the participating department(s) and the employee.
- Assignments will, wherever possible, utilize positions in which a person has incumbency or where they have held a position 2 out of the last 4 times it was posted in Unit 2. If a course which is part of the assignment is cancelled for low enrolment, a replacement course will be found, in the same session if practicable.
- A person holding a renewable term contract is still eligible to apply for and be appointed to other positions subject to the normal application and appointments processes and the normal grid rate for compensation. The CAPs on accepting offers and accumulating seniority apply.

8. **ARTICLE 23 AFFIRMATIVE ACTION TASK FORCE**

NOTE: THE ENTIRETY OF LETTER OF INTENT #9 IS SUBJECT TO THE AGREEMENT OF YUFA

CUPE, YUFA and the Administration will strike a Task Force to be comprised of at least 3 members from each party. The Task Force will develop criteria and procedures for a new CUPE 3903 Affirmative Action Program which will provide qualified, eligible Pool members who apply for tenure stream positions with the right to be appointed provided that another applicant is not demonstrably superior. The parties will have to integrate this priority with existing priorities for women and members of the other employment equity groups. Additionally, the new program will recognize historical teaching loads and the fact that this may have interfered with the AA Pool member's record of research and publication, the contributions of AA Pool members have made to their departments and the University and will ensure that their ability to address the teaching needs of hiring units is included in setting academic priorities.

If tri-partite negotiations on this fail, the employer will table these as proposals at the next formal negotiations they have with YUFA.

LONG TERM CLA'S

The Task Force will also make recommendations to the parties respecting the exclusion from the normal search and selection procedures of Contractually Limited Appointments appointed from the Article 23 Affirmative Action Pool and the creation of a new category of CLA – the CUPE AA/CLA – which will be subject to the limitations set forth below:

- restricted to members of the Article 23 Affirmative Action Pool
- Paid on the basis of the Assistant Professor floor for those with 5 years or less relevant experience including part-time university teaching, 5-9 years @ \$46,500; 10-15 years @ \$48,500; 15 – and over @ \$50,000 or the average of the employee's earnings over the previous two September 1 – August 31 contract years to a maximum of 4.5 Type 1 equivalents, whichever is greater.

- teaching load as per normal load in home faculty
- length of appointment: 3 years, renewable for 2 additional years
- APE: the maximum annual permissible under the collective agreement

The Task Force will meet as soon as practicable upon the ratification of this collective agreement and must report to each party with recommendations within four months. If all three parties accept these recommendations, and if amendments to the YUFA collective agreement are required, the Administration and YUFA will table them for inclusion in the next collective agreement.

9. CONVERSIONS AND CAREER ADVISOR

In addition to the CUPE 3903 Affirmative Action initiatives articulated in Letter of Intent 11, in an effort to further enhance the AA program, the employer agrees to continue the position called the Conversions and Career Advisor (hereafter referred to as the "Career Advisor"). The Career Advisor normally will be a tenured professor with an excellent understanding of the hiring and tenure process. The position will normally carry with it one course release. Candidates for the position will be recommended by a CUPE 3903 union sub-committee of the Labour/Management Committee. The Labour/Management Committee shall be afforded the opportunity to provide input during the sub-committee's search, prior to the selection of the Career Advisor, with the understanding that the decision of the union sub-committee is final. The course release time will require the approval of the relevant Dean.

The overall purpose of the Career Advisor will be to assist in career planning and professional development for CUPE 3903 Affirmative Action Pool members who request assistance by helping them to prepare for a tenure-stream search at York University (taking into account the University, Faculty and departmental academic plans) and other universities, and to also provide advice, when requested, about other career opportunities.

The scope of the Career Advisor will take the following:

- explain the conversion process to both conversion pool members and full-time faculty;
- help those in the conversion pool to contribute to the preparation of strong files in teaching, research and service;
- establish a conversion advisory committee composed of faculty members (preferably former members of T&P Committees) who will assist the advisor in fulfilling responsibilities, considering the need for expertise across faculties;
- act as a resource to department Chairs regarding the conversion process;
- the Career Advisor will treat all communications with contract faculty as confidential unless notified in writing by a contract faculty member that specific information provided by the contract faculty member need not be treated as confidential;

LETTER OF UNDERSTANDING SEVERANCE

Upon application, an individual who meets the following criteria :

- minimally, has applied per “normal” historical application profile and was available for appointment to those positions and was appointed to 50% or less of their average course load over that 10 year period.
- does not hold a full-time position at York University or elsewhere at the time of application for unit 2 work nor in the year preceding (not including persons on a leave of absence under Article 15.15, or as a CLA in YUFA):
- has held at least an average of two Type 1 or equivalent positions per year over the last 10 years and has held at least one Type 1 or equivalent position in eight of the last 10 years immediately preceding the severance years.

shall receive 3/35 of the grid rate in the severance year for the position of course director for each year of service in which the employee held at least one Type 1 or equivalent position in the bargaining unit.

The employment relationship with York University of an individual who elects to accept severance per this article is terminated effective the date of receipt of such monies and the employee loses entitlement to all applicable prior experience and years of service that they have accumulated up to that time, for any and all purposes under the provisions of the collective agreement.

It is understood that employees who have held a CLA(s) as part of their work at York University are entitled to have such employment counted as 3 course directorships under these provisions, including payment calculations.

A period of approved credited for service and/or APE leave under the CA counts for eligibility purposes but not for payment.

This article shall not apply to the extent that the reduction in course load is owing to the introduction of the Cap, Article 12.03.1(x) in September 1998, or the employee’s retirement/termination under the York Pension Plan, or joining another York University employee group or bargaining unit as a full-time employee.

An affected employee may apply for severance after September 30 in the year in which they qualify for severance. Upon application, they will be considered severed if they have not been appointed to any positions in that academic session. If they have been appointed to a position(s), but is still eligible for severance, they will be considered to be severed at the expiry of the contract(s) they are holding.

It is understood that the foregoing does not preclude an eligible employee from forfeiting positions they have not already begun. In this case the forfeited positions will not be counted against the employee’s severance entitlement.

Normally, payment will be calculated and made at the end of the severance year (see below). However, this may be expedited for an employee who reasonably believes that no work will be offered during the upcoming terms based on past work patterns. An employee will have three months from the date of application to rescind the application. Where the employee has not received payment at the three-month juncture, they have until the Severance payment has been made to rescind their application.

Upon an application for severance, the applicant is considered to be severed and the consequences, as outlined in the required correspondence between the University and the applicant (see Appendices J and K) will be in full force and effect and will not be undone. Should an application be subsequently rescinded, no retroactive measures will be implemented, save and except for seniority accrual.

The severance year will be the period September 1 to August 31. An employee may make application for severance from October 1 of the Severance year until October 15 of the following year.

The parties agree that, because this is a new plan, they are committed to resolving any problems that arise in the administration of this plan.

LETTER OF UNDERSTANDING

PRIOR EXPERIENCE IN TEACHING, DEMONSTRATING, TUTORING, MARKING AT YORK

Calculations of applicable prior experience (Articles 12.06 – 12.08 of the collective agreement) can be made only on the basis of information supplied in this application. Note:

SESSION	APPOINTMENT	NO. OF ASSIGNMENTS/EXPERIENCE
	STATUSGROUPS	TAUGHTCOUNT
	(CUPE 3903 Or Other - Specify)	(See page 4)
S 1984	Unit 1 2	2 Type 2
A/W 1985-86	Unit 2 1	1 Type 1

Calculate the total for each Type of experience and transfer the total(s) to page 1.

Your applicable prior experience count is calculated as follows: Position Type times # of assignments, adjusted of course (full/half) and fractional.

For example, two months of a course director position in a full course in A/W = .25 type 1; a full course director position in the summer=1 type 1; 2 tutor 1 positions = 2 type 2. The total, then, would be 1.25 type 1s and 2 type 2s.

Article 12.06 explains equivalencies among types of experience, which will assist you in determining the number of years in which you held at least one type 1 or equivalent positions for the calculation page 1.
