- 2.02 Without limiting the generality of the above, these rights include, but are not limited to, the right:
- to hire, classify, direct, promote, demote, retire, transfer, layoff or recall, discharge, reprimand, suspend or otherwise discipline employees for just cause;
  - to determine the requirements of a job and the standards of the work to be performed;
  - to expand, reduce, alter, combine, transfer or cease any job, department, operation or service;
  - to determine the size and composition of the work force;
  - to make or change rules, policies and practices provided that such rules, policies and practices shall not be inconsistent with the terms of this Agreement;
  - to maintain order and efficiency and otherwise generally manage the University, direct the work force and establish terms and conditions of employment not in conflict with the provisions of this Agreement.
- 2.03 In exercising its rights and in conducting its employment relations, the employer shall act reasonably, non-discriminatorily, and in good faith.

## **ARTICLE 3 – EMPLOYEES REPRESENTED**

- 3.01 The Employer recognizes the Union as the exclusive bargaining agent for all graduate students registered as full-time at York University who are receiving financial assistance from or through the University and in connection with such assistance are employed in administrative, clerical, and research work save and except supervisors, persons above the rank of supervisor, and persons for whom a trade union held bargaining rights at the date of application.

Clarity Note: For the purpose of clarity, graduate students registered as full-time at York University who receive financial assistance from or through York University for research or academic activities which are predominantly for the purposes of advancing the students' progress towards fulfilment of their program and degree requirements are not in the bargaining unit.

3.02 The Employer agrees that no employee or group of employees shall undertake to represent the Union to the Employer with- out proper authorization of the Union. In order that this may be carried out, the Union shall provide the Employer, in writing, with the names and position titles of its officers and the names and jurisdiction of its stewards, including the person(s) designated chief steward(s), and the name(s) of its staff representative(s). The Employer shall be obligated to recognize the status of these persons listed only from the date of such written notice. Likewise the Employer shall supply the Union with a list of its designated authorities with whom the Union may be required to transact business.

3.03 The Employer agrees to provide the union, by 15 February in the fall/winter session and by 1 July for the winter/summer and summer sessions, with a list of employees in the bargaining unit by graduate program, and the total wages paid to each employee.

### 3.04 DISPUTE RESOLUTION

The parties agree to an expedited process to resolve disputes about whether a graduate student is excluded from the bargaining unit as follows:

- (a) The Employer will, no later than six (6) weeks from the start of each term, provide to the union and post on the bulletin board in each graduate program a list of employees in the bargaining unit.
- (b) After the list of employees referred to in (a) above is posted, a graduate student and/or the union may file a grievance alleging that a graduate student who is not on the list should be on the list. Such a grievance will briefly set out in writing the basis upon which it is asserted that the graduate student is in the bargaining unit, with specific reference to the position and arguments on whether the graduate student is receiving financial assistance "from or through York University for research or academic activities which are predominantly for the purposes of advancing the student's progress toward fulfilment of their program and degree requirements" The grievance will be submitted to the Dean of FGS or designate, with a copy to the Department of Faculty Relations.
- (c) The Employer will, within fourteen days of receipt of the grievance, provide a written response setting out its position on whether the graduate student in issue is in the bargaining unit.
- (d) The parties positions will be reviewed and discussed by the parties at the next Labour/Management Committee meeting.
- (e) If the grievance is not resolved at step (c) or (d) above the union may, within seven days of the Labour/Management Committee meeting, refer the grievance to expedited arbitration before a mutually agreeable sole arbitrator.

### 3.05 CLASSIFICATION OF BARGAINING UNIT WORK

To administer the collective agreement in accordance with Article 3.01, the Faculty of Graduate Studies (FGS) will take proactive steps to advise full-time faculty members that Article 3.01 and the Clarity Note define employment in the CUPE 3903 Unit 3 bargaining unit. <sup>2</sup> As background: Intersectionality is a way of acknowledging that there are multiple interlocking systems of power, privilege, and experiences of systemic discrimination based on race, gender, sexual identification, class, disability, etc. Most people are in multiple social categories and may have lived experiences of multiple forms of systemic discrimination. Intersectional analysis allows the parties to understand variations in the experience of inequality and privilege. An intersectional approach involves the Employer and the Union taking responsibility for workplace equity. This is consistent with the Ontario Human Rights Commission’s approach to analysis that assumes an individual’s experiences are based on multiple identities that can be linked to more than one ground of discrimination.

#### 5.0.4.4 Use and Reporting of Data

- (1) The following data establishes the foundation which the parties will rely on for decision-making in support of the mandate set out at Article 5.0.3.1(c):
  - (a) External Availability Data.
  - (b) Internal Self-identification Representation Data for the most recent consecutive three contract years for which the data is available as of the November 1 preceding the contract year for which appointment decisions will be made.
  - (c) Internal Self-identification Representation Data available as of November 1 each year correlated with employment-related information, including number of positions held, position type, and salaries, per Article 5.03.1(d).
  - (d) Applicant Self-Identification Data pertaining to the appointment and selection procedures pursuant to Article 5.04.1 below.
- (2) The Employer will annually report on equity data as follows:
  - (a) By December 1 each year, the Employer will provide to the Employment Equity Committee non-confidential Internal Self-identification Representation Data broken down by department and faculty for the most recent consecutive three contract years for which the data is available as of the immediately preceding November 1, per Article 5.03.4(a)(ii).

Internal Self-Representation Data will be provided for individual academic units with 10 or more contract faculty members over the reporting period. For academic units with fewer than 10 contract faculty over the reporting period, the University will provide confirmation of whether that unit is below or has met the equity goal of fair representation for Equity Groups. Subject to any contrary recommendation from the Employment Equity Committee that is adopted by the Parties, for academic units with fewer than 10 contract faculty over the reporting period, Self-Representation Data will be provided for the Faculty as a whole, which serves as the basis for determining underrepresentation in these units per Article 5.04.4(b) below.

- (b) By December 1 of each year, the Employer will provide to the Employment Equity Committee non-confidential Internal Self-Representation data correlated with information including number of positions held, position type, and salaries available as of the immediately preceding November 1, per Article 5.03.1(d).
- (3) The Employment Equity Committee may ask for specific analyses in respect of the Internal Self-Identification Representation Data to support its activities. Such requests will not be unreasonably denied, taking into account availability of resources and/or costs that may be involved.

#### 5.04.5 Underrepresentation

##### Representation Thresholds

Unless otherwise agreed upon and, in order not to interfere with the Employer's FCP obligations, where the representation percentages are not lower than those for the FCP

Equity Groups in the External Availability Data for Canada as a whole, underrepresentation shall be understood to mean fewer employees who identify as belonging to one or more of the Equity Groups than the External Availability Data for Toronto.

Informed by this understanding of underrepresentation, the representation thresholds for the FCP Equity Groups current as of March 1, 2021 are as follows:

Women: 56.4%

Racialized: 52.2%

Indigenous: 1.8%

Representation data for persons with disabilities is not available either for Toronto or nationally.

- 5.04.6 Whereas most Graduate Assistant positions are not posted by a hiring unit but rather by an individual researcher / Principal Investigator, in those cases where a hiring unit posts multiple GA positions the following will apply. Where all other factors and qualifications are equal, preference will be provided to an applicant who self-identifies as a member of one or more an Equity Groups.

## **ARTICLE 6 – GRIEVANCE PROCEDURE**

- 6.01 (i) A grievance shall be defined as any difference arising out of the interpretation, application, administration or alleged violation of this Agreement. In the conduct of grievances, the employer shall act reasonably, non-discriminatorily and in good faith.
- (ii) A grievance shall be received within twenty-eight calendar days after the employee(s), or in the case of a policy grievance or union grievance as defined below, the union, became aware, or reasonably ought to have been aware, of the occurrence of the circumstances giving rise to the grievance.
- 6.02 The Employer acknowledges the rights and duties of the Union officers and stewards to assist employees in preparing and presenting a grievance. The Union may form a grievance committee for this purpose.
- 6.03 STEP ONE: If an employee believes they may have a grievance, they may first submit a grievance to and discuss the matter with their immediate supervisor/department director, accompanied by their steward if they so wish. The supervisor/departmental head director shall give their reply within five calendar days.
- 6.04 STEP TWO: The grievance shall be set forth in writing, be signed by the grievor and a Union representative and given to the Dean of FGS or designate within fourteen calendar days. The written grievance shall contain details of the grievance, a statement of the matter in dispute, the specific provision(s) or interpretation of the agreement that allegedly has been violated and the relief sought. The Dean of FGS or designate shall convene a meeting to discuss the grievance within ten calendar days of the receipt of the grievance and shall give their reply, in writing, within ten calendar days of that meeting.

- 6.05 STEP THREE: If the grievance is not resolved at Step Two it shall be submitted to the Department of Faculty Relations within seventeen calendar days of the date of the Step Two reply. The Department of Faculty Relations or its designated representative shall convene a meeting to discuss the grievance within fourteen calendar days of receipt of the grievance and shall give their reply, in writing, within twenty-one calendar days of that meeting.
- 6.06 If the grievance is not settled at Step Three it may be taken to Arbitration by a written notice signed by a chief steward and submitted to the Executive Director, Department of Faculty Relations within twenty-eight calendar days after receipt of the Employer's written reply as required in Step Two. The written notice shall contain details of the grievance, the specific provision(s) or interpretation of the agreement that allegedly has been violated, and the relief sought from the Arbitrator or Arbitration Board.
- 6.07 Subject to Article 6.13, the parties agree to follow the grievance procedure in accordance with the steps, time limits and conditions contained herein. If at any Step the Employer's representative fails to give their written answer within the required time limit, the Union and the employee may file the grievance at the next Step at the expiration of such time limit. If the employee or the Union fails to follow the grievance procedure in accordance with the required steps, time limits and conditions, the grievance shall be deemed withdrawn.
- 6.08 GROUP GRIEVANCE: A group grievance, resulting from a consolidation of similar individual grievances seeking a common redress, may be initiated at Step One.
- 6.09 POLICY GRIEVANCE: A policy grievance, defined as involving a question of general application or interpretation of this agreement, may be initiated by the union at Step One subject to the time limits set out in 6.01 above.
- 6.10 UNION GRIEVANCE: The Union and its representatives shall have the right to originate a grievance on behalf of an employee, or a group of employees, or the Union, and to seek adjustment with the Employer in the manner provided for in this article. Such grievances may be initiated at Step One.
- 6.11 If the Union notifies the Employer in writing of an alleged violation of the collective agreement but indicates a decision not to grieve, this decision shall be without prejudice to grievances on similar matters. Such notification shall include a detailed statement of the matter in dispute and the specific provision(s) or interpretation of the agreement that allegedly have been violated.
- 6.12 The withdrawal of a grievance at any Step shall be without prejudice to grievances on similar matters if the Employer receives written notification of this decision from the union. Settlements by the Employer of grievances shall not prejudice the position of the Employer or the Union with respect to other grievances.
- 6.13 Any of the time allowances set out in this article may be extended by mutual agreement. The parties agree that such agreement shall not be unreasonably withheld.
- 6.14 The parties recognize the principle of confidentiality and agree that the identity of the grievor(s) and the fact and substance of the grievance(s) shall only be made available

on a need to know basis. The parties further agree that a publication of a summary of the grievance(s) in a union newsletter shall not violate the principle of confidentiality.

- 6.15 A grievor has the right to attend their grievance hearing at any step after Step One and not face their supervisor directly in such a hearing.
- 6.16 It is understood by the parties that, in the case of a successful or settled grievance, where the individual does not receive the agreed upon compensation within thirty days of the sign-off date, said payment will begin to accrue interest at the annualized rate which the University is receiving for its short-term investments at that time. The interest payment will be pro-rated.
- 6.17 Grievances concerning harassment, discrimination, or disability may be initiated at Step Three.
- 6.18.1 In exceptional circumstances, the Union may apply to the Office of the Executive Director, Faculty Relations (FR) for expedited processing of a grievance. The Office of the Executive Director FR shall respond to this application within seven calendar days. When it is agreed that circumstances warrant it, the parties can agree to commence the grievance procedure at Step Three. Time limits set out in Article 6.01 above apply after the Union has received the response from the Office of the Executive Director FR.
- 6.18.2 On application by the Union, grievances alleging violations of Article 2.03, 4.01, 4.02, 4.03, and grievances submitted pursuant to Article 10.01 and 10.02, shall be processed according to the expedited grievance procedure specified in this Article.
- 6.19 No bargaining unit member will be required to hear or attend the grievance hearings of another employee. The member shall suffer no penalty in their employment or academic standing for exercising their rights under this Article. In no way does this provision relieve the bargaining unit member of any other duties and responsibilities.

## **ARTICLE 7 – ARBITRATION**

- 7.01 If the Union so wishes, grievances shall be heard by a single Arbitrator or by a three person Arbitration Board. If a single Arbitrator is requested by the Union, the Union shall, in its notice of intent to proceed to Arbitration, suggest a person to serve as Arbitrator. The Employer shall respond within ten working days, either agreeing to the union's proposed single Arbitrator or suggesting alternative Arbitrators. If the Employer fails to respond within thirty-five working days, the grievance shall be deemed to be upheld on the basis of the redress sought by the union. If the parties cannot agree on an Arbitrator within thirty days, either party may request the Minister of Labour for the Province of Ontario to appoint a single Arbitrator.
- 7.02 The Union's request for a Board of Arbitration shall name that party's appointee to the Board of Arbitration. Upon receipt of the notice, the Employer shall, within forty-five days, advise the Union of the name of its appointee to the Board of Arbitration. If the Employer fails to respond within forty-five working days, the grievance shall be deemed to be upheld on the basis of the redress sought by the Union.
- 7.03 The appointees to the Board of Arbitration shall then meet to decide upon the selection of the chair of the Board. If the parties cannot agree upon the selection of the chair

within twenty-one days, either party may request the Minister of Labour for the Province of Ontario to appoint an impartial third member as chair.

- 7.04 Each party shall bear the expenses of its representatives, participants, and witnesses and of the preparation and presentation of its own case. The fees and expenses of the chair or single Arbitrator, the hearing room and any other expenses incidental to the Arbitration hearing shall be borne equally by the parties. The parties agree to use University facilities at no cost wherever possible.
- 7.05 The Board of Arbitration or single Arbitrator shall have no authority to add to, subtract from, modify, change, alter or ignore in any way the provisions of this agreement or any expressly written amendment or supplement thereto or to extend its duration, unless the parties have expressly agreed, in writing, to give it or their specific authority to do so or to make an award which has such effect.
- 7.06 Notwithstanding Articles 6.06 and 6.12, both parties agree that if an Arbitrator determines that the union has shown reasonable cause for a violation of time limits, the Arbitrator may hear the grievance.
- 7.07 The Arbitration Board or single Arbitrator shall have the authority to fashion a remedy appropriate in the circumstances to resolve the grievance regardless of the form in which the grievance was filed.
- 7.08 Should the parties disagree as to the meaning of the Board's decision, either party may apply to the chair of the Board of Arbitration or single Arbitrator to reconvene to clarify the decision, which they shall do within five days.
- 7.09 Any of the time allowances set out in this article may be extended by mutual agreement. The parties agree that such agreement shall not be unreasonably withheld.

## **ARTICLE 8 – DISCIPLINE**

- 8.01.1 **JUST CAUSE**  
The Employer shall not discipline, suspend, or discharge an employee unless there is just cause. In any grievance over disciplinary action, the burden of proof of just cause lies with the employer.
- 8.01.2 The Employer agrees that an employee shall not be disciplined solely for failure to perform their duties because they are arrested and/or incarcerated provided that the employee notifies their supervisor of the arrest and/or incarceration and the expected duration thereof as soon as possible. Further, it is understood that loss of salary for failure to perform scheduled duties shall not constitute discipline in the context of this article.
- 8.02.1 **PROGRESSIVE DISCIPLINE**  
The Employer accepts and gives effect to the concept of progressive discipline by adopting the procedures set forth below.
- 8.02.2 The Employer may impose discipline only in accordance with the provisions of this article, and any discipline imposed which does not accord with this article shall be null and void.

### 8.02.3 CONFIDENTIALITY

The fact and substance of disciplinary investigations shall be treated as confidential by the Employer and the Union. It is a violation of confidentiality for the Employer to disclose the fact and/or substance of a disciplinary investigation to people being interviewed as part of that investigation. It is no violation of confidentiality to divulge pertinent information to those necessarily involved in the investigation and the processing of the complaint.

### 8.03.1 Subject to 8.03.3:

#### STEP ONE: NOTICE OF MEETING

- (i) Prior to any consideration of discipline, the Dean of FGS, or designate, who has received a formal complaint under the University's Procedure for Dealing With Complaints of Harassment or Discrimination or a complaint concerning the professional performance and/or conduct of an employee which is inappropriate to the employment relationship, including sexual and/or gender or racial and/or ethnic harassment, shall, within twenty-one calendar days of receiving the complaint, notify the employee and the Union and schedule a meeting to discuss the subject matter of the complaint informally. (Where there has been a Formal Complaint under the University's Procedures For Dealing With Complaints of Harassment or Discrimination, it is understood that an investigation into such a complaint can require a longer process. It is agreed that any such investigation shall be conducted as expeditiously as possible so as to be completed within 90 calendar days of the initial Step One Meeting, or such longer time as the parties may mutually agree.) Such Notice of Meeting shall be in writing using a letter or letters similar to the form contained in Appendix B and shall contain a brief but clear statement of the allegations which form the basis of the complaint, of the employee's right to union representation at the meeting, as well as the time, place, and date of the meeting, and shall inform the employee that they may request an alternative meeting time.
- (ii) If the complaint is not dismissed or otherwise resolved as a result of the meeting referred to in 8.03.1(i), or where the employee waives explicitly, or implicitly by not attending, their opportunity for such meeting, and the Dean of FGS or designate determines that further action is warranted, they shall send a Letter of Warning to the employee.

NOTE: If an employee, who by not attending implicitly waives their opportunity for such meeting, notifies the Chair, Dean, Director or designate as soon as possible of reasonable cause for nonattendance, the action shall not apply unless and until the opportunity for a second meeting is provided.

### 8.03.2 STEP TWO: LETTER OF WARNING

- (i) The decision to send a Letter of Warning shall be communicated in writing to the employee within fourteen (14) calendar days of the meeting date or the date scheduled for the meeting. Where a Letter of Warning is sent to an employee, a copy shall be forwarded to the Union. It shall also be forwarded to others on a need to know basis.
- (ii) The Letter of Warning shall state that discipline may be considered, in accordance with the procedures herein contained, following a repetition of the act or omission which is the subject matter of the complaint and/or, where the complaint concerns the standard of the employee's work, if the employee fails to bring their work up to

a reasonable standard by a given date. Such date shall give the employee reasonable opportunity to correct the problem(s) referred to in the Letter of Warning.

- (iii) The decision to send a Letter of Warning shall not be construed as discipline and shall not form part of the employee's disciplinary record, and cannot be used against an employee in any decision made with respect to their present or future employment, other than as specified in Article 8.03.1(i) and Article 8.03.4.

8.03.3 Notwithstanding 8.02.1, 8.03.1 and 8.03.2, it is understood that the Employer retains the right, in exceptional circumstances, to discipline an employee for just cause without having first issued such a written warning, subject to Articles 6 and 7 and to the procedures outlined below.

8.03.4 It is further understood that the employer is not precluded by this article from relying on and introducing as evidence at any stage of the grievance and arbitration procedure the employee's previous disciplinary record. Any relevant warnings previously issued can only be introduced as evidence that the employee has received Notice as specified in 8.03.1 (ii).

#### 8.04.1 STEP THREE: DISCIPLINE MEETING

Prior to imposing discipline, and within fourteen days of becoming aware of circumstances which, in their opinion, provide prima facie grounds for disciplinary action, the Dean of FGS or designate shall notify the employee and the Union in writing of the time and place of a meeting to discuss the matter and shall advise the employee of their right to union representation. Such notice shall contain sufficient information and details of the complaint to enable the employee to make adequate response to the allegations.

#### 8.04.2 NOTIFICATION OF ACTION

The Dean of FGS or designate:

- (i) shall within fourteen days of such meeting advise the employee in writing, with a copy to the union, of their decision, and shall include the reasons for such decision if disciplinary action is to be taken;
- (ii) shall, where the discharge or the suspension without pay of the employee is being considered, delay the imposition of discipline for seven calendar days (pro-rated for the sessions other than fall/winter, but not fewer than three working days), on request from the union and/or the employee.

8.05 It is agreed that the Employer has the right in exceptional circumstances to suspend an employee during the period of its consideration of the matter, including the delay in 8.04.2 (ii), and prior to the imposition of any other discipline. In all such cases the suspensions shall be with pay.

8.06 Notwithstanding 8.03.4, any discipline or warning shall not be used against an employee after a period of twenty-four months from the date of the warning or discipline.

8.07 If the employee wishes to grieve their discipline, when the disciplinary action is not a discharge, the grievance may be initiated at Step Two. If they wish to grieve their discharge, it may be initiated directly at Step Three. In either case, the grievance shall be presented within fourteen calendar days of the date of the letter provided for in 8.04.2 (i).

- 8.08 Any of the time allowances set out in this article may be extended if mutually agreed to in writing by the employer and the union. Such agreement shall not be unreasonably withheld by either party.
- 8.09 (i) No bargaining unit member in a supervisory capacity will invoke the disciplinary provisions of this collective agreement on any other bargaining unit member employee. The member in a supervisory capacity shall refer all complaints in which discipline may be indicated to their immediate supervisor (e.g., the Chair). The Employer retains the right to interview the member prior to proceeding further.
- (ii) No bargaining unit member in a supervisory capacity shall be required to attend pre-disciplinary (per 8.03.1) or disciplinary (per 8.04.1) hearings.
- (iii) No bargaining unit member in a supervisory capacity shall be held responsible for the act or omission that is the subject of a complaint or discipline, or any consequences deriving there from, of any other employee. This in no way relieves the bargaining unit member of any of their supervisor duties and responsibilities.
- (iv) No bargaining unit member in a supervisory capacity shall suffer any penalty in their employment or academic standing for exercising their rights under this Article.

## **ARTICLE 9 – NO STRIKES/NO LOCKOUTS**

- 9.01 The Union undertakes there will be no strike and the employer undertakes there will be no lockout so long as this agreement continues to operate. The meaning of the words “strike” and “lockout” shall be as defined in the Ontario Labour Relations Act.
- 9.02 In the event that any employee of York University, other than those covered by this agreement, engages in a lawful strike and maintains picket lines, employees covered by this Agreement shall not be required to perform work normally done by that employee.

Notifications to supervisors respecting sick leave shall be made available only on a need to know basis; all certifications by medical practitioners respecting sickness or injury shall be confidential. In the case of an extended absence, the employee shall keep their supervisor informed at least weekly of the anticipated date of their return and, prior to that return, they may be required to provide proof, as per above, as to their fitness to resume duties.

16.01.1 In all Leave Articles "one thirty-fifth" means one week in the Fall/Winter session, pro-rated in other sessions.

16.01.2 For the purposes of the Unemployment Insurance regulations, "Care-Giver Leave" and "care-giver responsibility" shall be considered equivalent to "Parental Leave" and "parental responsibility".

16.01.3 Where certification by a legally qualified medical practitioner is required by the Employer, the cost of acquiring the certificate will be paid by the Employer.

16.01.4 For the duration of all leaves, employees shall continue to be eligible to participate in any benefit plans which may exist at the time at which the leave is taken, to collect any benefits to which they may be entitled, and to take any additional leaves to which they may be entitled.

16.02 If the employee satisfies the above, they shall suffer no reduction in pay for sick leave

of up to a total of six thirty-fifths of the period of their Appointment Contract(s).

In the Fall/Winter session, one thirty-fifth equals one week in time off and one week in salary. In all other sessions, one thirty-fifth equals one week in time off, but one thirty-fifth of the salary of the employee's Appointment Contract(s).

- 16.02.1 For employees with at least 4 months of service to the University, earning a minimum of \$8,200, a sick leave supplement of up to 4 months in time off, including the paid sick leave entitlement as provided for in 16.02, shall be granted by the Dean/Principal or designate upon submission of an appropriate certificate signed by a legally qualified medical practitioner that such additional leave is required. Upon written request, supported by a copy of an invitation, an employee shall be granted leave paid at full salary of up to two thirty-fifths of their Appointment Contract(s) to present papers at academic conferences. Where two employees are assuming joint care-giver responsibility for that child, a maximum of eight thirty-fifths of paid adoption leave may be shared between them, in which case the portion claimed by each shall be calculated on the appointment contract(s) that each holds.

16.11 UNION LEAVE

During such an absence, members will continue to accrue applicable prior experience credit for up to 2 years.

When considering petitions based on providing care for a newborn child, the Dean of Graduate Studies shall take into account the effect of such caregiving upon the progress of the student's work. If the Dean decides not to grant such a petition, they shall provide a copy to the union. Such a request shall not be unreasonably denied.

16.19 LEAVES AFTER EXPIRY OF CONTRACT(S)

less benefits already paid/less weeks since birth), which shall be based on Appointment Contract(s) for that session and shall be taken at the beginning of the session.

- (iii) Where the date of delivery or adoption occurs during the period of an appointment the Employer, the supervisor, the Union, and the member shall meet to discuss the potential completion by the member of the appointment in whole or in part, any potential exchange of services, or any other issues related to the fact that the delivery or adoption is expected to occur during the period of the appointment. ## **ARTICLE 17 – DURATION AND MODIFICATION OF AGREEMENT**

- 17.01 This agreement shall continue in force and effect from the date of ratification to August 31, 2023 and shall be renewed automatically thereafter for periods of one year each unless either party notifies the other in writing within the period of ninety days before the agreement ceases to operate that it desires to amend or terminate this agreement. Where notice to amend the agreement is given, the provisions of this agreement shall continue in force until a new agreement is signed or the right to strike or lock-out accrues, whichever first occurs.

## **ARTICLE 18 – WAYS & MEANS FUND**

Upon ratification the employer will pay to the union \$40,245 towards the union's Ways & Means Fund, which fund is administered by the union. For 2009- 10, effective September 1, 2009, this amount will be increased to \$42,245 and for 2010-11, effective September 1, 2010, this amount will be increased to \$44,245. Effective September 1, 2014, the Employer will pay to the Union \$59,245 towards the Union's Ways and Means Fund. Effective September 1, 2015, the Employer will pay to the Union \$74,245 for each year of the collective agreement.

Effective September 1, 2018 the Employer will contribute \$85,000 to this Fund in each year of the Collective Agreement.

The Employer will contribute to this fund \$132,072.07 effective September 1, 2020, \$183,514.87 effective September 1, 2021, and \$238,342.09 effective September 1, 2022.

Allocations from the Fund will be made by the Union. An annual report on the disbursement of monies shall be submitted in writing to the Labour Management Committee.

In addition, the Employer will commit up to \$10,000 being provided to the Fund in each year of the collective agreement for the purpose of assisting any employee with a disability requiring work related accommodation (e.g., adaptive computer).

#### **ARTICLE 19 – PROFESSIONAL DEVELOPMENT FUND**

The employer agrees to contribute to the Professional Development Fund \$138,370 effective September 1, 2020, \$139,754 effective September 1, 2021, and \$141,152 effective September 1, 2022.

The purposes, criteria, procedures, eligibility, and priorities for distribution of these monies to employees in the bargaining unit shall be established by the Labour/Management Committee. The Director of the Centre for the Support of Teaching shall be invited to participate in the deliberations of the Committee. The monies shall be handled by the Union, in accordance with the decisions of the Labour/Management Committee. An annual report on the disbursement of monies shall be submitted in writing to the Labour/Management Committee. Any unspent monies shall roll over into the subsequent contract period.

#### **ARTICLE 20 – GA BURSARY FUND**

For 2008-2009 the GA Bursary Fund will be \$235,000 and effective September 1, 2009 it will be increased to \$275,000. The first priority in the allocation of monies from this fund is to assist graduate visa students, on the basis of need, with the payment of UHIP premiums. Disbursement of bursary monies will occur on April 30 of the contract year. The terms of eligibility and criteria will be determined by a committee comprised of two members of the union selected by CUPE, one full-time faculty member selected by the employer, and the Dean of Graduate Studies or designate. The committee will also decide upon the distribution of the bursary based upon the terms of eligibility and criteria of the bursary.

#### **ARTICLE 21 – FUND PROTECTION**

There will be no diminution in the per employee amount in the funds listed below during the term of this collective agreement as a result of an increase in the number of employees in the bargaining unit as at October 1, 2020 and October 1, 2021 and October 1, 2022. Growth in the number of employees will be measured on the basis of a two collective agreement lag using October 1 as the date; For the 2020-2023 collective agreement, growth in the number of employees will therefore be measured on the basis of the number of employees as of October 1, 2014. In the case of the funds below where such is indicated, the basis on which growth in the number of employees

will be measured is the growth in the number of employees who are eligible to use the funds. As an example of how this Article will apply, if the per employee amount available is \$10 based on 100 employees as of October 1, 2008 and the number of employees increases to 110 as of October 1, 2011, the fund will be supplemented by \$100 in the 2011-2012 year of the Collective Agreement. If the number of employees is 90 as of October 1, 2012, no supplement will be required and the fund will be \$1000.

Funds:

- Article 15.09.1 and 15.09.2 Childcare Subsidies
- Article 18 – Ways & Means Fund
- Article 19 – Professional Development Fund
- Article 20 – GA Bursary Fund
- Article 23 – UHIP Fund (based on number of international students in the Unit 1 and 3 bargaining units)

In cases where a fund is scheduled to be increased by an amount separate from the application of this Article, the fund protection provisions of the Article will be applied to the fund prior to the scheduled increase. For example, if a fund were scheduled to be increased to \$200 but would otherwise be supplemented by \$10 through the application of the fund protection provisions of this Article, the fund would first be increased by \$10 before the scheduled increase to take the fund to \$210.

## **ARTICLE 22 – CUPE 3903 BENEFITS FUND**

Effective September 1, 2021, and every 12 months thereafter, the Employer agrees to contribute an amount to assist CUPE 3903 to fund and administer its own plan or arrangement for benefits not covered by the collective agreement. The amount contributed by the Employer is \$311,000 effective September 1, 2020, \$387,000 effective September 1, 2021, and \$472,000 effective September 1, 2022. Allocations from the Fund will be made by the Union. An Annual Report on the disbursement of monies shall be submitted in writing by the Union to the Office of Faculty Relations through the Labour/Management Committee by no later than September 30<sup>th</sup> of each year.

## **ARTICLE 23 – UHIP FUND**

- 23.01 In recognition of the financial hardships of international students who have been disenfranchised by OHIP, a \$77,000 CUPE 3903 UHIP Fund will be made available to bargaining unit members for the purpose of offsetting the cost of UHIP. The amount of this fund will be \$77,770 effective September 1, 2020, \$78,548 effective September 1, 2021, and \$79,333 effective September 1, 2022.

## **ARTICLE 24 – TRANS FUND**

- 24.01 Effective September 1, 2011 the \$10,000 allocated to this Fund will be increased to \$20,000. Effective September 1, 2014 \$30,000 will be allocated to this Fund. Allocations from the Fund will be made by the Union. An annual report on the disbursement of monies shall be submitted in writing to the Labour/Management Committee.

Effective September 1, 2018, \$40,000 will be allocated to this Fund annually. Allocations from the Fund will be made by the Union based upon pre-established and posted guidelines.

**ARTICLE 25 – EQUITY FUND**

25.01 In 2005-2006 a new Equity Fund will be established. In each year of the collective agreement \$10,000 will be allocated to this Fund to be used as matching funds for a CUPE 3903 Employment Equity Officer. The allocation to this fund will be \$10,100 effective September 1, 2020, \$10,201 effective September 1, 2021, and \$10,303 effective September 1, 2022. An annual report on the disbursement of monies shall be submitted in writing to the Labour/Management Committee.

**ARTICLE 26 – SEXUAL VIOLENCE SURVIVOR FUND**

Effective September 1, 2021, and each September 1 thereafter, the Employer will provide to CUPE 3903's Trans Feminist Action Caucus a total amount of \$50,000 to assist TFAC's ongoing support of survivors of sexual and/or gender-based violence.

By September 30, 2022 and by each September 30 thereafter, the Union will provide a report to the Office of Faculty Relations through the Labour/Management Committee indicating the amount of money that was spent in the previous 12-month period.

**LETTER OF INTENT #1**

Effective September 1, 2014, in the event that graduate tuition fees (except MBA, IMBA, MPA, part-time LLM students, MHRM and MDes and other professional programs as may be approved) and/or administrative or ancillary fees (hereafter collectively "fees") are increased above the Board of Governors approved rates for domestic and visa students as of September 1, 2012, any employees in the bargaining unit who are registered full time and pay the higher fees will receive funding in an amount equivalent to the fee increase in order that their net income from salary, including negotiated salary increases, is not offset by fee increase. Except in circumstances beyond its reasonable control, the Faculty of Graduate Studies shall post the monies in connection with this funding to a student's account by no later than November 1 for the Fall term, March 1 for the Winter term and July 1 for the Summer term. Such funding shall not include the increases to Graduate Financial Assistance ("GFA") in the collective agreement and shall be a dedicated amount of additional funding from the University as required to fully cover the fee increase. The amount of any funding covering a fee increase shall be posted to student accounts and treated as if it was an additional amount of GFA that does not require the performance of work in exchange for the additional funding.

**LETTER OF INTENT #2 – OFFSET**

The parties agree that any across-the-board increase in the salary/wage rates or increases in the Graduate Financial Assistance or Summer Financial Assistance rates negotiated by the parties shall not be offset by a decrease in monies from other sources in subsequent sessions in defining annual minimum funding levels for individual graduate students, all other things being equal. The parties agree that the monetary value of any increase in the salary/wage rates negotiated by the parties shall represent an increase in the annual minimum funding levels for individual graduate students. This is not intended to guarantee previous levels of actual funding for individual graduate students year-over-year.

As an illustration, a graduate student is awarded a minimum funding level for a given year of \$10,000, and the wage/salary component is \$5,100 in that year. If the negotiated wage/salary increase for the next year is 2%, then the value of the negotiated wage/salary rate increase would be \$102 and the minimum funding level in the next year would be increased to \$10,102. Any increase in the negotiated GA Financial Assistance or Summer Financial Assistance component would similarly be in addition to the \$10,000.

If an employee raises a concern about the application of the above provisions the parties will meet promptly to discuss the issue and endeavour to resolve it if necessary.

**LETTER OF INTENT #3 – CORE COMPETENCIES**

The Employer notes that the Employment Equity Plan in respect of employees in the CUPE 3903 bargaining unit provides for the provision of a module on Code-based discrimination and harassment in conjunction with the University's existing School for Academic Administrators and that workshop participants will include chairs, undergraduate program directors, and graduate program directors.

The Employer confirms its intent to implement obligatory participation in the module on Code-based discrimination and harassment for chairs, undergraduate program directors and graduate program directors, appointed or renewed after January 1, 2013.

**LETTER OF INTENT #4 – UNIVERSITY PROCEDURES FOR DEALING WITH  
COMPLAINTS OF HARASSMENT OR DISCRIMINATION**

The University will initiate a review of its Procedures for Dealing with Complaints of Harassment or Discrimination in regard to the Procedure's timelines within 90 days of the ratification of the renewal collective agreement. This review will include consultation with CUPE 3903 for its input on the timelines.

IN WITNESS WHEREOF the parties hereto have caused this agreement to be signed by their duly authorized representatives.

This Letter of Understanding will expire on August 31, 2023.

**LETTER OF UNDERSTANDING**

2. In order to provide the amount of funding set out at Paragraph 3 below, in each of the years September 1, 2021 to August 31, 2022 and September 1, 2022 to August 31, 2023, the amount of \$140,000 will be transferred from the Graduate Assistant Bursary Fund to the Graduate Assistant Training Fund, thus reducing the Graduate Assistant Bursary Fund by \$140,000.
3. In each of the years September 1, 2021 to August 31, 2022 and September 1, 2022 to August 31, 2023 the University will offer a Graduate Assistant Training (“GAT”) Fund that will support the incentivization of research at the University and the provision of high-quality training opportunities in research for graduate students working with a full-time faculty member. The amount available in the GAT Fund in each year will be \$220,000 which will be made up of \$140,000 transferred from the Graduate Assistant Bursary Fund plus an additional \$80,000. Up to 40 individual allocations to full-time faculty members who make an application under this fund will be provided per contract year with a value of \$5,500.
4. In order to receive GAT Funds a full-time faculty member must:
  - a. Be in receipt of external research funding;
  - b. Commit to hiring a Graduate Assistant in order to have GAT Funds provisionally identified for their use; and
  - c. Have executed a contract for a Graduate Assistant in order to receive the GAT Funds.
5. The University will provide CUPE 3903 Unit 3 with a report on GAT Fund allocations by no later than November 1 for the Fall term, March 1 for the Winter term and July 1 for the Summer term, commencing on November 1, 2021.
6. The GAT Fund shall be administered by the Faculty of Graduate Studies and the Faculty Relations Office, which have established a non-competitive equitable process for the distribution of the GAT Fund in accordance with the criteria for receiving funds per Paragraph 4 a, b and c above.

The allocation process is as follows:

- a. An invitation to apply for the GAT Fund will be issued from the Faculty of Graduate Studies (“FGS”) to all full-time faculty members with the advice that the GAT Fund is first come, first serve.
- b. Full-time faculty members will be required to complete an application form and submit the form to FGS.
- c. FGS will review applications for eligibility.

- d. Successful applicants shall execute a contract for a Graduate Assistant.
- e. Following the execution of the contract between the successful applicant and the Graduate Assistant, FGS shall transfer funds to the successful applicant.
7. Where a full-time graduate student is hired as a Graduate Assistant using GAT Fund incentive money provided for through this Letter of Understanding this will be deemed to be employment in connection with financial assistance from the University.
8. In each of the years September 1, 2021 to August 31, 2022 and September 1, 2022 to August 31, 2023 the parties may agree to increase the value of each individual incentive (i.e., above \$5,500) using unspent GAT Funds from previous years, including from the 2017-20 collective agreement.
9. GAT Funds will not be used to offset the cost of a GAship offered as a workplace accommodation.
10. This letter of Understanding shall be placed in the 2020-23 collective agreement booklet and shall form part of the 2020-23 collective agreement. It will expire with the expiration of the 2020-23 collective agreement and shall be removed from the collective agreement booklet for the subsequent renewal collective agreement unless this Letter of Understanding is renewed by the parties.

The University will implement a Graduate Assistant Assignment Protocol that will support the incentive of research at the University.

## Letter of Understanding

Between

CUPE 3903 (“Union”)

And

York University (“the University”)

RE: Safe Return to Work in the Context of COVID-19

Whereas the University is engaged in ongoing planning for the phased return to campus following the easing of COVID-19 pandemic-related restrictions.

And whereas the Province of Ontario “the Province” will enter Step 3 of its “Roadmap to Reopen” on July 16, 2021.

And whereas the University does not anticipate the regulatory framework (O. Reg 520/21: Rules for Areas in Step 3) will result in any substantive change to the in-person teaching planned for the Summer 2021 term.

And whereas, although the Province will allow for larger capacity limits for in-person instructional activities, the University will not alter the structure or form of those courses that have been approved for Summer 2021 in the middle of the term.

And whereas, the University anticipates further guidance from the Ministry of Colleges and Universities (MCU) applicable to return to campus for the 2021-2022 academic year and is expected for July for the post-secondary sector in Ontario.

And whereas, this guidance from MCU will be instrumental for the ongoing Fall and Winter 2021-2022 planning efforts as the University anticipates that recommendations about physical distancing and capacity limits, along with other issues (e.g., any potential travel restrictions for international students) will be provided.

And whereas the University will support Employees working on campus with ventilation systems circulating fresh air in accordance with the latest recommendations and guidance set by the American Society of Heating, Refrigerating and Air-Conditioning Engineers.

And whereas, the University will continue to observe all applicable public health guidelines as determined by the Province and by Toronto Public Health and the guidelines from any MCU communication.

And whereas, the University will continue to comply with all required municipal bylaws and provincial orders, including those that pertain to physical distancing, capacity limits for indoor/outdoor gatherings and events, screening, and the mask and face covering mandate.

And whereas the University is adopting appropriate measures and is engaged in robust and ongoing planning for a safe and healthy phased return to campus, as regularly communicated to the York community through the University’s Better Together website.

Therefore, the Parties agree that:

- 1) This Letter of Understanding is reached in relation to the unique circumstances of the phased return to campus following the easing of COVID-19 pandemic-related restrictions and is without prejudice and without precedent to any and all future matters between the parties. For greater clarity, neither party shall seek to rely upon any term of this Letter of Understanding or any practice arising from the implementation of this Letter of Understanding in any other matter between the parties with respect to the interpretation of any collective agreement provision.
- 2) In light of the evolving circumstances related to the safe and healthy phased return to campus following the easing of COVID-19 pandemic-related restrictions a joint committee of up to six (6) representatives from both the Union's Executive and the Employer will meet monthly following the signing of this agreement, over the Summer 2021 and Fall 2021 term to discuss the phased return to campus.
- 3) Employees who require medical and/or family status accommodation relating to the phased return to campus may seek accommodation in accordance with university processes (<https://fr.info.yorku.ca/cupe-3903/>) supported by the Employee Well-Being Office.

## APPENDICES

### APPENDIX A – THE RIGHT TO REFUSE UNSAFE WORK

The right to refuse unsafe work is guaranteed in the Ontario Occupational Health and Safety Act. The Act requires that individual workers initiate a work refusal. Section 23 of the Act spells out the procedures you must follow. Note that this is a summary only. Consult the Act for official reference. Copies are available from the CUPE 3903 office and the York Department of Occupational Health and Safety.

1. If you have reason to believe that your health or safety is in danger if you continue to work, inform your work supervisor or department chair immediately. After regular office hours, call Security. Stop work and move to a safe location.
2. If your supervisor agrees that the situation is unsafe, make sure that other workers in the area are also told of the problem and of your action.
3. If your supervisor refuses to correct the problem, inform their/him that you are refusing to work and why. Call the union office at 736-5154. Ask your supervisor to contact Security or call yourself.
4. An investigation involving a supervisor and a person appointed by the union will take place immediately.
5. If the work is deemed unsafe, then the problem must be corrected.
6. If the work is deemed safe and you disagree, tell your supervisor. S/he will then call an inspector from the Ministry of Labour. The inspector will investigate and either instruct you to return to work or order York to make the workplace safe.
7. If you initiate a work refusal or have a question about the situation you find yourself in, contact the union immediately.
